

• INCLUSIVE EDITION •

Leaves of Grass

By WALT WHITMAN

From the text of the edition authorized by Whitman and supervised by his literary executors, Leland Mannes Bucke, Thomas B. Harrod, and Horace L. Trumble.

Edited by EMORY BULLOWAY

In the early stages of his great work Walt Whitman had an unfortunate publishing history, so that there have been many garbled, fragmentary and unauthoritative editions of *Leaves of Grass*.

This edition, the only one planned and authorized by the Whitman executors, is printed from a new set of plates on thin paper and combines, for once, completeness and compactness. *Leaves of Grass* is one of America's greatest contributions to world literature of this great work, that is undoubtedly the finest volume of the great work, that has ever been issued.

Leaves Of Grass Inclusive Edition:

Leaves of Grass Walt Whitman, 2008-02 Throughout his life Walt Whitman continually revised and re released Leaves of Grass He added and deleted words emended lines divided poems dropped and created titles and shifted the order of poems Leaves of Grass A Textual Variorum of the Printed Poems includes all the variants that Whitman ever published from the collection s first appearance in 1855 through the posthumous Old Age Echoes annex printed in 1897 Each edition was unique with its own character and emphasis and the Textual Variorum enables scholars to follow the development of both the individual poems and the work as a whole Volume I contains introductory material including a chronology of the poems and a summary of all the editions and annexes along with the poems from 1855 and 1856 Volume II includes the poems from 1860 through 1867 including the first appearance of When Lilacs Last in the Door Yard Bloom d and O Captain my Captain Volume III features the poems 1870 1891 plus the Old Ages Annex and an index to the three volume set **Leaves of Grass.**

Inclusive Edition Walt Whitman, 1924 **Leaves of Grass** Susan Belasco, Ed Folsom, Kenneth M. Price, 2007 Contains seventeen essays by pre eminent scholars representing a variety of critical perspectives that focus on Walt Whitman s Leaves of Grass This book features contributors who treat Whitman s poetry his biography his politics his reception in the United States and abroad race and ethnic issues and nineteenth century America **The Complete Poetry of Walt Whitman:**

Leaves of Grass (1855 & 1892) + Old Age Echoes + Uncollected and Rejected Poems Walt Whitman, 2013-11-10 This carefully crafted ebook The Complete Poetry of Walt Whitman Leaves of Grass 1855 1892 Old Age Echoes Uncollected and Rejected Poems is formatted for your eReader with a functional and detailed table of contents Table of Contents The Poetry Collections Leaves of Grass 1855 Leaves of Grass 1892 Old Age Echoes Uncollected and Rejected Poems Walter Walt

Whitman 1819 1892 was an American poet essayist and journalist His work was very controversial in its time particularly his poetry collection Leaves of Grass which was described as obscene for its overt sexuality **The Structure of Leaves of**

Grass Thomas Edward Crawley, 1970-01-01 Modern critics and contemporary readers familiar with the field of Whitman criticism may find surprising an analysis of the structure of Leaves of Grass that concerns itself with Whitman as the poet prophet and the identification of Whitman or of his persona in the poem with Christ Early twentieth century criticism has tended to exalt the early Whitman at the expense of the later one and to regard as poetically inferior the image of the national and democratically prophetic Whitman as expressed in the later editions Thomas Edward Crawley in full knowledge of the contemporary currents of Whitman criticism chooses to revert to this older view through which he sheds new light on Whitman s artistic achievement The basic premise of this study is that Walt Whitman s Leaves of Grass is a unified work lyrical yet epic in quality design and spirit Crawley s purpose is to demonstrate the basis of this unity its origin and operation and the nature of its realization He demonstrates that an aesthetically maturing Whitman in this work was finally able to harmoniously bring together his individual and social subject matter Crawley defines the unifying spirit of Leaves of Grass in

terms of Whitman's concept of the poet prophet and the poet reader relationship. This concept is conveyed primarily through the development of the Christ symbol, the dominant image in the poem. Through a careful analysis of Whitman's handling of the simultaneous development of the poet prophet and the nation, his masterful fusion of the personal element and the national element, an understanding of the complex structure of *Leaves of Grass* emerges. Crawley presents an analysis of Whitman's final and carefully arrived at grouping of the lyrics in the 1881 edition according to a definite distinguishable pattern, a pattern revealed in Whitman's use of allusions in his transitional poems and passages and most important in his thematic handling of imagery. The cumulative effect of these devices is emphasized. The organic development of *Leaves of Grass* made possible by Whitman's faith in and careful adherence to his concept of the organic theory of art is substantiated. Crawley concludes his analysis with a detailed examination of the growth of *Leaves of Grass* as reflected in the various editions leading up to the 1881 volume, the last to be revised and published by Whitman.

Leaves of Grass Walt Whitman, 2005-06-28 A deluxe edition of Whitman's crowning achievement with an introductory essay by Harold Bloom. I celebrate myself and sing myself. And what I assume you shall assume. For every atom belonging to me as good belongs to you. When Walt Whitman self-published his *Leaves of Grass* in July 1855, he altered the course of literary history. One of the greatest masterpieces of American literature, it redefined the rules of poetry while describing the soul of the American character. Throughout his great career, Whitman continuously revised, expanded, and republished *Leaves of Grass*, but as Harold Bloom reminds us, the book that matters most is the 1855 original. In celebration of the poem's 150th anniversary, Penguin Classics proudly presents the 1855 text in its original and complete form with a specially commissioned introductory essay by Harold Bloom. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Leaves of Grass Walt Whitman, 1926 A collection of all of Whitman's poems, including the Variorum Readings.

The Complete Poems Walt Whitman, 2004-08-26 In 1855, Walt Whitman published *Leaves of Grass*, the work which defined him as one of America's most influential voices and which he added to throughout his life. A collection of astonishing originality and intensity, it spoke of politics, sexual emancipation, and what it meant to be an American. From the joyful *Song of Myself* and *I Sing the Body Electric* to the elegiac *When Lilacs Last in the Dooryard Bloom'd*, Whitman's art fuses oratory, journalism, and song in a vivid celebration of humanity.

The Routledge Encyclopedia of Walt Whitman J.R. LeMaster, Donald Kummings, 2013-09-05 The *Routledge Encyclopedia of Walt Whitman* presents a comprehensive resource compiled by over 200 internationally recognized contributors, including such leading Whitman scholars as James E. Miller Jr., Roger Asselineau, Betsy Erkkila, and Joel Myerson. Now available for the first time in paperback, this volume comprises more

than 750 entries arranged in convenient alphabetical format Coverage includes biographical information all names dates places and events important to understanding Whitman s life and career Whitman s works essays on all eight editions of Leaves of Grass major poems and poem clusters principal essays and prose works as well as his more than two dozen short stories and the novel Franklin Evans prominent themes and concepts essays on such major topics as democracy slavery the Civil War immortality sexuality and the women s rights movement significant forms and techniques such as prosody symbolism free verse and humour important trends and critical approaches in Whitman studies including new historicist and cultural criticism psychological explorations and controversial issues of sexual identity surveys of Whitman s international impact as well as an assessment of his literary legacy Useful for students researchers librarians teachers and Whitman devotees this volume features extensive cross references numerous photographs of the poet a chronology a special appendix section tracking the poet s genealogy and a thorough index Each entry includes a bibliography for further study

The Evolution of Walt Whitman Roger Asselineau, 1999-09 Now nearly forty years after its original translation into English Roger Asselineau s complete and magisterial biography of Walt Whitman will remind readers of the complex weave of traditions in Whitman scholarship It is startling to recognize how much of our current understanding of Whitman was already articulated by Asselineau nearly half a century ago Throughout its eight hundred pages *The Evolution of Walt Whitman* speaks with authority on a vast range of topics that define both Whitman the man and Whitman the mythical personage Remarkably most of these discussions remain fresh and relevant and that is in part because they have been so influential In particular *The Evolution of Walt Whitman* inaugurated the study of Leaves of Grass as a lifelong work in progress and it marked the end of the habit of talking about Leaves as if it were a single unified book Asselineau saw Whitman s poetry not as a body of static data but as a constantly changing continuum whose evolution must be carefully observed Throughout *Evolution* Asselineau placed himself in the role of the observer analyzing Whitman s development with a kind of scientific detachment But behind this objective persona burned the soul of a risk taker who was willing to rewrite Whitman studies by bravely proposing what was then a controversial biographical source for Whitman s art his homosexual desires *The Evolution of Walt Whitman* is a reminder that extraordinary works of criticism never exist in and of themselves In this expanded edition Roger Asselineau has provided a new essay summarizing his own continuing journey with Whitman A foreword by Ed Folsom editor of the *Walt Whitman Quarterly* regards *Evolution* as the genesis of contemporary Whitman studies

Whitman's Poetry of the Body M. Jimmie Killingsworth, 2016-08-01 This book combines literary and historical analysis in a study of sexuality in Walt Whitman s work Informed by his new historicist understanding of the construction of literary texts Jimmie Killingsworth examines the progression of Whitman s poetry and prose by considering the textual history of Leaves of Grass and other works Killingsworth demonstrates that Whitman s poetry of the body derives its radical power from the transformation of conventional attitudes toward sexuality traditional poetics and conservative politics The sexual relation

with its promise of unity love equality interpenetration and productivity for partners becomes a metaphor for all political and social relationships including that of poet and reader The effect of the poems is protopolitical an altering of consciousness about the body's relation to other bodies a shifting of the categories of knowledge that foretells political action Killingsworth traces the interplay in Whitman's poetry between sexual and textual themes that derive from Whitman's political response to the historical turbulence of mid century America He describes a subtle shift in Whitman's prose writings on poetics which turn from a view of poetry in the early 1850s as morally and politically efficacious to a chastened romanticism in the postwar years that frees the poet from responsibility for the world outside his poems Later editions of *Leaves of Grass* are marked by the poet's deliberate repression of erotic themes in favor of a depoliticized aestheticism that views art not as a motivator of political and moral action but as an artifact embodying the soul of the genius *Whitman* Emory Holloway,1926 **Walt Whitman** J. R. LeMaster,Donald D. Kummings,1998 Includes almost 760 entries ranging in length from 3 100 words on the first 1855 edition of *Leaves of Grass* to 140 words on Elizabeth Leavitt Keller Entries include biographical data thematic formal and technical considerations discussions of the poet's social and personal life and commentary on all of Whitman's works including poem clusters major poems essays and lesser known works such as the novel *Franklin Evans* and two dozen short stories A chronology and genealogy are included Annotation copyrighted by Book News Inc Portland OR The New Walt Whitman Studies Matt Cohen,2020 Highlights the latest currents in Whitman scholarship and demonstrates how Whitman's work transforms discussions in literary studies *The Beginnings of Critical Realism in America* Vernon Parrington,2017-09-29 This final volume of Vernon Louis Parrington's Pulitzer Prize winning study deals with the decay of romantic optimism It shows that the cause of decay is attributed to three sources stratifying of economics under the pressure of centralization the rise of mechanistic science and the emergence of a spirit of skepticism which with teachings of the sciences and lessons of intellectuals has resulted in the questioning of democratic ideals Parrington presents the movement of liberalism from 1913 to 1917 and the reaction to it following World War I He notes that liberals announced that democratic hopes had not been fulfilled the Constitution was not a democratic instrument nor was it intended to be and while Americans had professed to create a democracy they had in fact created a plutocracy Industrialization of America under the leadership of the middle class and the rise of critical attitudes towards the ideals and handiwork of that class are examined in great detail Parrington's interpretation of the literature during this time focuses on four divisions of development the conquest of America by the middle class the challenge of that overlordship by democratic agrarianism the intellectual revolution brought about by science and the appropriation of science by the middle class and the rise of detached criticism by younger intellectuals A new introduction by Bruce Brown highlights Parrington's life and explains the importance of this volume Abraham Lincoln and Walt Whitman William Eleazar Barton,1928 **American Literature** Robert Shafer,1926 The Everlasting Masterpieces of World Literature in One Edition Johann Wolfgang von Goethe,Stendhal,Jules
