Leaving This World A Poetry Collection:

Leaving This World Sondra Lynn, 2014-07-31 When leukemia crashed like a tidal wave into Sondra Lynn's life she could no longer assist others in healing their bodies, minds and spirits through acupuncture. Not to be swayed from her life's work, she continues to heal people but with her words instead of her hands. Lynn's collection of poetry is a deep exploration into the soul and psyche of one who is dying. Through her unwavering voice, those who stare death in the face every day and those who care for them will find encouragement, gratitude and illumination amid inescapable pain and challenges. Living on the edge of death has turned her spirit to the portals between worlds, writes Sarah West, a licensed acupuncturist. This profound work will open you to the process of leaving this world directly from one who stands at the gate, gazing into the abyss. Sondra Lynn's poetry will crack your heart wide open and allow you to embrace suffering, loss, compassion and transcendence simultaneously. Each and every one of us will eventually leave this world and the manner of the leaving is not always our choice. This collection will shed light on the dance with mortality and help one take it head on. *The Complete Poems of Robert Browning - 22 Poetry Collections in One Edition* Robert Browning, 2023-12-23 The Complete Poems of Robert Browning is an exhaustive anthology of the Victorian poet's works, showcasing his innovative dramatic monologues and intricate narrative poetry. This compilation spans 22 poetry collections, encapsulating themes of love, morality and the duality of human nature, all conveyed through Browning's distinctive lyricism and rich characterizations. His use of varied forms and rhythms reflects the complexities of the Victorian era while engaging with philosophical and psychological insights that resonate through time. Browning's ability to intertwine personal and collective experiences invites readers into a profound exploration of the human condition, firmly establishing him as a pivotal figure in literary history. Robert Browning (1812-1889) was a revolutionary voice in poetry, embraced for his psychological depth and innovative style. Growing up in a progressive, intellectually stimulating environment, Browning was influenced by the literary giants of his time, including his contemporaries like Elizabeth Barrett Browning, whom he married. His exposure to diverse philosophical ideas and socio-political currents undoubtedly shaped the themes found throughout his oeuvre, pushing the boundaries of traditional poetic forms and making an indelible mark on English literature. This anthology is essential for any poetry lover or scholar seeking to delve into the complexities of Browning's imagination. With its cohesive collection of works, it serves not only as a tribute to a master poet but also as an invitation for readers to engage with the timeless themes that continue to speak to us today. For those who wish to understand the nuances of Victorian thought and emotion, this complete edition is an unparalleled resource.
