Lecole Militaire Pierre Garrigou Grandchamp:

The École Royale Militaire Haroldo A. Guízar, 2020-08-24 This book explores the Paris Ecole Militaire as an institution arguing for its importance as a school that presented itself as a model for reform during a key moment in the movement towards military professionalism as well as state run secular education The school is distinguished for being an Enlightenment project one of its founders publishing an article on it in the *Encyclopédie* in 1755 Its curriculum broke completely with the Latin pedagogy of the dominant Jesuit system while adapting the legacy of seventeenth century riding academies Its status touches on the nature of absolutism as it was conceived to glorify the Bourbon dynasty in a similar way to the girls school at Saint Cyr and the Invalides It was also a dispensary of royal charity calculated to ally the nobility more closely to royal interests through military service In the army its proofs of nobility were the model for the much debated 1781 S gur decree often described as a notable cause of the French Revolution *Saumur, l'école de cavalerie* Pierre Garrigou Grandchamp, Patrick Olmer, 2005 **Livres hebdo**, 2007 **Bottin administratif et documentaire**, 2009 *Les principes de la guerre* Ferdinand Foch, 2008 **Bottin administratif**, 2007 **Bibliographie annuelle de l'histoire de France** Virginie Durand, Claude Ghiati, Isabelle Havelange, Brigitte Keriven, 2010-12-02 *Bottin administratif* Bottin administratif, 2005-11 *Who's who in France*, 2016 *Journal officiel de la République française* France, 1922
