Led By Love Worship Resources For Year B:

Led by Love Lavon Bayler, 1996 *Led By Love* is the second book in Lavon Bayler's new series based on the Revised Common Lectionary. It will complement *Whispers of God: Liturgical Resources for Year B*. [Lectionary Worship Aids, Series V, Cycle C](#) Dallas A. Brauninger, 2000-06 Continuing with her classic and easy to use format Dallas Brauninger has prepared a handy worship tool which provides pastors and worship planners with a worship theme for each of the three scriptural texts for each Sunday and major observance in Cycle C. Also included for each First Lesson, Second Lesson, and Gospel text are Call To Worship, Collect, Prayer Of Confession, Hymn Suggestions. An index lists hymn tunes, hymn titles, and the worship hymnals they are drawn from. Dallas A. Brauninger, a graduate of Albion College, received her Master of Divinity degree and an honorary Doctor of Divinity degree from Chicago Theological Seminary. A full-time writer, she has served churches in Colorado and Nebraska. She and her husband, both ordained ministers in the United Church of Christ, live in Fremont, Nebraska.

The United Church of Christ in the Shenandoah Valley H. B. Cavalcanti, 2010-08-20 While congregational studies have expanded our understanding of American religion, little is known about the local practices of a single denomination at its smallest jurisdiction. This book explores how national denominational commitments are affecting the practices of local United Church of Christ congregations inside a single association in the Shenandoah Valley. Nationally, the UCC defines itself as a united and uniting church in its ecumenical work, as multiracial and multicultural in its diversity, as accessible to all in welcoming those with disabilities, as open and affirming for its LGBT members, and as a just peace church in its support of social justice. So how fully have local congregations embraced these commitments? Might congregations be more attached to their older identities, particularly in areas where the church's predecessors were strongly rooted? Or are the national church's commitments being lived out at the grassroots level? The book measures congregational life in one of the UCC's oldest and smallest associations. Books on congregational studies either focus on a case study of a particular congregation or large-scale surveys of U.S. congregations that explore aggregate data to explain their work. This book looks instead at a group of local congregations inside a small judicatory, the Shenandoah Association of the United Church of Christ, to explain religious life at the grassroots level.
