Fit for God La Vita M. Weaver,2010-03-24 La Vita Weaver an ordained minister and fitness

instructor knows firsthand how being overweight affects every aspect of one's life. During her own battle with extra pounds she gained eighty following the birth of her first child, she found herself struggling also with profound emotional and spiritual problems. Once a size five, she had skyrocketed to more than two hundred pounds and her sense of self-esteem and well-being plummeted to an all-time low. After trying countless diets, she began exercising at home, playing Gospel music to keep her going. Before long, she was reciting Bible verses and singing hymns during her routines. Not only did she shed pounds and build muscle, but Weaver had gained an unexpected benefit: her exercise sessions had become precious times of praise, prayer, and inspiration. Now the only thing she didn't like about exercising was when she had to stop. Weaver's sessions in her living room grew into a video series called Hallelujah Aerobics and ultimately a fitness plan designed to meet the needs of the whole person. In FIT FOR GOD, her inspirational voice and her expertise as the leader of hundreds of successful fitness workshops are woven together in a highly effective eight-week program of diet, exercise, prayer, and praise. Combining solid nutritional information and exercise routines with inspiring passages from the Bible, her program will encourage even the most reluctant workout candidate to follow her example and embrace the rewards of becoming fit for God.

The Last Great Fight Joe Layden, 2007-10-02. Meticulously researched, wonderfully written, *The Last Great Fight* tells the untold story of a legendary fight and the two warriors who would never be the same again. It is considered by many to be the biggest upset in the history of boxing: James Buster Douglas knocked out then undefeated Heavyweight Champion Mike Tyson in the 10th round in 1990, when the dominating and intimidating Tyson was considered invincible. *The Last Great Fight* takes readers not only behind the scenes of this epic battle but inside the lives of two men, their ambitions, their dreams, the downfall of one and the rise of another. Using his exclusive interviews with both boxers, Tyson and Douglas, family members, the referee, the cutmen, trainers, and managers, to the commentators and HBO staff covering the fight in Tokyo, Joe Layden has crafted a human drama played out on a large stage. This is a compelling tale of shattered dreams and ultimately redemption.
