## **Left Turn At Paradise A Rare Book Mystery:**

**Left Turn at Paradise** Thomas Shawver, 2014-08-26 The author of *The Dirty Book Murder* returns to the surprisingly lethal world of rare books with a second enthralling novel featuring a most unlikely hero antiquarian bookseller Michael Bevan. Michael Bevan is barely scraping by with his used bookstore and rare book collection when he discovers a timeworn journal that may change everything. Dating back to 1768 the tattered diary appears to be a chronicle kept during the first of legendary seafarer Captain James Cook's three epic voyages through the Pacific islands. If it's as valuable as Mike thinks it is, its sale may just bring enough to keep his faltering used bookstore afloat for another year. Then he meets a pair of London dealers with startling news: Adrian Hart and Penelope Wilkes claim to possess the journal of Cook's second voyage. Is it possible a third diary exists? One which might detail Cook's explosive final voyage and his death at the hands of native Hawaiians. Together all three would be the holy grail of Pacific exploration. But before Mike can act, the two journals are stolen. Chasing them down will sweep Michael, Adrian, and Penelope across the globe past a dead body or two and into a very sinister slice of paradise. High in the Southern Alps of New Zealand, in a remote and secretive Maori compound, a secret rests in the hands of a man daring enough to rewrite history and desperate enough to kill. Praise for *Left Turn at Paradise*. *Left Turn at Paradise* is an entertaining and action-packed adventure reminiscent of Indiana Jones, delicately seasoned with the allure of rare old books. Bibliophiles and mystery adventure lovers will be mesmerized by this epic tale. Library Journal

*The Dirty Book Murder* Thomas Shawver, 2014-05-13 In this smart, fast-paced mystery debut, Thomas Shawver introduces a charming, unlikely hero from the rarefied world of antique books. Book merchant Michael Bevan arrives at the Kansas City auction house hoping to uncover some hidden literary gold. Though the auction ad had mentioned erotica, Michael is amazed to find lovely Japanese Shunga scrolls and a first edition of a novel by French author Colette with an inscription by Ernest Hemingway. This one item alone could fetch a small fortune in the right market. As Michael and fellow dealer Gareth Hughes are warming up for battle, a stranger comes out of nowhere and outbids them to the tune of sixty grand. But Gareth is unwilling to leave the auction house empty-handed, so he steals two volumes, including the Colette novel. When Gareth is found dead the next day, Michael quickly becomes the prime suspect. Not only had the pair been tossed out of a bar mid-fistfight the night before, but there is evidence from Michael's shop at the crime scene. Now the attorney-turned-bookman must find out who wanted the Colette so badly that they would kill for it and frame Michael. Desperate to stay out of police custody, Michael follows the murderer's trail into the wealthiest echelons of the city where power and influence meet corruption and mystery, and eroticism is perverted by pure evil. Unfortunately for Michael, one dead book dealer is only the opening chapter in a terrifying tale of high culture and lowlife. Praise for *The Dirty Book Murder*. A page-turner, gripping and engaging, or as dealers rate rare books, definitely VF (Very Fine). Carolyn Hart, New York Times bestselling author of the *Death on Demand* mysteries.
