Proud to be Different Robert A. Fox, Nina K. Buchanan, 2014-01-23 This is a book about ethnocentric niche charter schools What are they When did they first appear From where did the term come How do they differ from regular charter schools and from district run traditional public schools Each subject chapter was created by a team consisting of at least one educational researcher and at least one charter school practitioner The goal is to make the book readable for everyone policymakers parents teachers older students while providing a framework of rigor from which to view each charter school Hence the teams We took special pains to create a book which exhibits the objectivity of the educational researcher while at the same time inviting the reader into each school by painting a human picture of its ethos Each chapter contains a description of the school told by people who actually taught or learned or sent their children there

Teen Legal Rights David L. Hudson Jr., 2024-06-13 Teen legal rights are perpetually changing in American society whether in the classroom at work or within family and community settings Fully revised and updated to reflect important changes in the legal status and rights of young people from all walks of life the fourth edition of Teen Legal Rights is an accessible and indispensable resource to help teenagers navigate and understand

the extent and limitations of their rights and liberties Employing a simple FAQ format organized into nearly two dozen topical chapters including new chapters devoted to such subjects as immigration and trans youth First Amendment scholar David L Hudson Jr provides an authoritative analysis of the judicial system as it pertains to teens and their interests explaining important court decisions legal arguments and legislative changes to help teens better understand how their rights are evolving as they move deeper into the 2020s *Teen Legal Rights* Kathleen A. Hempelman,1994 Provides information for teens teachers high school counselors and parents on the legal rights of young people in the 1990s and explains areas of modern American law that teens want to know about The Handbook of Educational Theories Beverly Irby, Genevieve H. Brown, Rafael Lara-Alecio, Dr. Shirley A. Jackson, 2013-03-01 Although educational theories are presented in a variety of textbooks and in some discipline specific handbooks and encyclopedias no publication exists which serves as a comprehensive consolidated collection of the most influential and most frequently quoted and consulted theories There is a need to put such theories into a single easily accessible volume A unique feature of the Handbook is the way in which it conveys the theories The organization of the chapters within each section makes the volume an easy to use and understandable reference tool as researchers and practitioners seek theories to guide their research and practice and as they develop theoretical frameworks In addition to the traditional theories presented the Handbook includes emerging theories for the 21st Century as well as presenting practical examples of the use of these theories in research from dissertations and published articles An appendix which indicates which theories have instruments associated with them and where those instruments can be found is also included The Handbook consists of 12 sections Section I provides the introduction with a focus on what constitutes good theory as well as how theory guides research and practice The remaining sections address Philosophical Educational Constructs Learning Theory Instructional Theory Curriculum theory Literacy and Language Acquisition Theory Counseling Theory Moral Development Theory Classroom Management Theory Assessment Theory Organizational Theory and Leadership Management Theory Each section consists of an overview written by the section editor of the general theoretical concepts to be addressed by the chapter authors Each chapter within the section will include a a description of the theory with goals assumptions and aspects particular to the theory b the original development of and interactions of the theory c validation of the theory d generalizability of the theory across cultures ethnicities and genders e the use and application of the theory f critiques of the theory g any instruments associated with the theory and h two to five particular studies exemplifying particular theories as individuals have used them in theoretical framework of dissertations or published articles and be written by the original theorist or prominent contributors to the theory The Handbook is intended for graduate students enrolled in research courses or completing theses and dissertations Additionally professors of all educational disciplines in the social sciences would be an interested audience There is also potential use of the text as administrators counselors and teachers in schools use theory to guide practice As more inquiry is being promoted

among school leaders this book has more meaning for practitioners

Parents and Families of Students With Special Needs Vicki A. McGinley, Melina Alexander, 2017-01-05 *Parents and Families of Students With Special Needs Collaborating Across the Age Span* teaches students the skills they need to effectively collaborate with parents and families to ensure a child's success in the classroom. Authors Vicki A. McGinley and Melina Alexander's text takes a lifespan approach with a special emphasis on the critical transition points in a child's life. Information is provided on what can be seen at each stage of an individual with disabilities' development and addresses concerns and needs that families may have during these unique phases of growth. Chapters written by professors and professionals who are also parents of students with special needs bring a diverse range of voices into the narrative. The authors provide an in-depth discussion of how parents and families are affected by particular disabilities, family system theory, the laws that affect individuals with disabilities, and assessments for individuals with disabilities.

Educational Administration Frederick C. Lunenburg, Allan Ornstein, 2021-01-12 Now with SAGE Publishing. The bestselling *Educational Administration: Concepts and Practices* has been considered the standard for all educational administration textbooks for three decades. A thorough and comprehensive revision, the Seventh Edition continues to balance theory and research with practical application for prospective and practicing school administrators. While maintaining the book's hallmark features—a friendly and approachable writing style, cutting-edge content, and compelling pedagogy—authors Frederick C. Lunenburg and Allan Ornstein present research-based practices while discussing topical issues facing school administrators today. Included with this title: The password-protected Instructor Resource Site, formally known as SAGE Edge, offers access to all text-specific resources, including a test bank and editable chapter-specific PowerPoint slides.

Best Interests of the Student Jacqueline A. Stefkovich, William C. Frick, 2021-05-19 *Best Interests of the Student* presents both a theoretical model for guiding educators as they confront legal and ethical dilemmas in their schools, as well as highly accessible and annotated court cases for exploration. The authors introduce an ethical decision-making model that focuses on strategies for determining what actions are in the best interests of the student and demonstrates the application of this theoretical model for examining legal and ethical dimensions of court cases. Discussion questions at the end of each case encourage readers to examine issues from differing viewpoints, helping them to become more self-reflective school leaders who can effectively address legal dilemmas in their own contexts. This important text is a valuable resource for both aspiring and practicing school administrators and leaders. This thoroughly revised edition features an entirely new chapter on conceptual and empirical insights grounding our understanding of students' best interests; 10 new legal cases reflecting recent developments in school law, including educational needs of transgender students, immunity for student searches, conflicts between religious expression and free speech, educators' access to students' cell phone data, education for children of undocumented immigrants, and access to literacy as a fundamental right. A focus on preparing school leaders to meet the Professional Standards for Educational Leaders (PSEL). Updated information and references throughout to reflect

current context resources and education policy **Handbook of Classroom Management** Edward J. Sabornie, Dorothy L.
