Legalizing Lgbt Families How The Law Shapes Parenthood

Michael J. Rosenfeld

Legalizing Lgbt Families How The Law Shapes Parenthood:

Legalizing LGBT Families Amanda K. Baumle,D'Lane R. Compton,2015-12-18 Preface Acknowledgments Introduction The state of the law for lgbt parents Routes to parenthood Locating legality Parenting before the law Parenting with the law Parenting against the law Conclusion lgbt parents constructing legality Appendix Methodology Notes References Index About the authors

Legalizing LGBT Families Amanda K. Baumle,D'Lane R. Compton,2017-11 In depth interviews examine the role of the law in the lives of LGBT parents The decision to have a child is seldom a simple one often fraught with complexities regarding emotional readiness finances marital status and compatibility with life and career goals Rarely though do individuals consider the role of the law in facilitating or inhibiting their ability to have a child or to parent For LGBT individuals however parenting is saturated with legality including the initial decision of whether to have a child how to have a child whether one s relationship with their child will be recognized and everyday acts of parenting Through interviews with 137 LGBT parents Amanda K Baumle and D Lane R Compton examine the role of the law in the lives of LGBT parents and how individuals use the law when making decisions about family formation or parenting Baumle and Compton explore the ways in which LGBT parents participate in the process of constructing legality through accepting modifying or rejecting legal meanings about their families They conclude that legality is constructed through a complex interplay of legal context social networks individual characteristics and familial desires Ultimately the stories of LGBT parents in this book reflect a rich and varied relationship between the law the state and the private family goals of individuals

LGBTQ Divorce and Relationship Dissolution Abbie E. Goldberg,Adam P. Romero,2019 LGBTQ Divorce and Relationship Dissolution Psychological and Legal Perspectives and Implications for Practice brings together social science and legal perspectives to examine the timely topic of relationship dissolution and divorce among sexual and gender minorities

Rethinking Law's Families and Family Law Frederik Swennen,Elise Goossens,Tine Van Hof,2024-11-08 This multi faceted book combines theoretical empirical and practical approaches to explore how family law is responding to the ever changing social dynamics of the family Bringing together a broad range of experts with innovative perspectives from across the globe Rethinking Law s Families and Family Law highlights family law s current challenges and presents key avenues for future research

Handbook on Gender and Social Policy Sheila Shaver,2018-09-28 Providing a state of the art overview this comprehensive Handbook is an essential introduction to the subject of Gender and Social Policy Bringing together original contributions and research from leading researchers it covers the theoretical perspectives of the field the central policy terrain of gender inequalities of income employment and care and family policy Examining gender and social policy at both the regional and national level the Handbook is an excellent resource for advanced students and scholars of sociology political science women s studies policy studies as well as practitioners seeking to understand how gender shapes the contours of social policy and politics

The Cambridge Handbook of Parenting Amanda Sheffield Morris,Julia Mendez Smith,2022-12-15 Parenting is a critical

influence on the development of children across the globe This handbook brings together scholars with expertise on parenting science and interventions for a comprehensive review of current research It begins with foundational theories and research topics followed by sections on parenting children at different ages factors that affect parenting such as parental mental health or socioeconomic status and parenting children with different characteristics such as depressed and anxious children or youth who identify as LGBTQ It concludes with a section on policy implications as well as prevention and intervention programs that target parenting as a mechanism of change Global perspectives and the cultural diversity of families are highlighted throughout Offering in depth analysis of key topics such as risky adolescent behavior immigration policy father engagement family involvement in education and balancing childcare and work this is a vital resource for understanding the most effective policies to support parents in raising healthy children Other, Please Specify D'Lane Compton,Tey Meadow,Kristen Schilt,2018-07-31 This provocative collection showcases the work of emerging and established sociologists in the fields of sexuality and gender studies as they reflect on what it means to develop practice and teach queer methods Located within the critical conversation about the possibilities and challenges of utilizing insights from humanistic queer epistemologies in social scientific research Other Please Specify presents to a new generation of researchers an array of experiences insights and approaches revealing the power of investigations of the social world With contributions from sociologists who have helped define queer studies and who use a range of interpretative and statistical methods this volume offers methodological advice and practical strategies in research design and execution all with the intent of getting queer research off the ground and building a collaborative community within this emerging subfield **Social Work Practice with Lesbian, Gay, Bisexual, and Transgender People** Gerald P. Mallon,2017-08-16 Although the vast majority of LGBT persons are healthy resilient and hardy individuals who do not seek social work intervention some have been or will be clients in social work agencies The third edition of Social Work Practice with Lesbian Gay Bisexual and Transgender People updates this classic text and expands its scope to include new content on social work with older and younger LGBT people Written by a team of highly experienced experts this book provides a knowledge base for practice that will better prepare students and practitioners for working sensitively competently and effectively with LGBT individuals and groups Comprehensive and practical this unique text discusses the pragmatic aspects of social work with lesbian gay bisexual and transgender people It will improve and reinforce competent practice with LGBT persons and their families in multiple settings Chapters focus on important topics such as the profession s core values and ethical principles social work and queer theory LGBT and race heterosexism racism and sexism applying the life model and the stress coping process practice with bisexual transgender and gender non conforming persons relationship building between lesbian partners the impact of creating family for lesbian couples internalized homophobia heterocentrism and gay identity group work practice with the LGBTQ community clinical assessment for families where sexual orientation is an issue and LGBT parenting There are also

new chapters on social work with LGBT young people and LGBT older people Complete with a highly detailed appendix of symbols definitions and terms Social Work Practice with Lesbian Gay Bisexual and Transgender People third edition is an invaluable resource for social workers and mental health professionals as well as for students and educators at all levels of experience International Handbook on the Demography of Marriage and the Family D. Nicole Farris,A. J. J.

Bourque,2020-03-31 This handbook provides a global perspective on contemporary demographic theories and studies of marriage and the family Inside readers will find a comprehensive analysis that enables demographic comparison between and across international borders Coverage is centered around four main sections that present a history of marriage and the family detail relevant data and measurement concerns examine global marriage practices analyze interactions of such demographic characteristics as age sex and race with marriage and the family and consider public policy contemporary trends and future directions In addition the book includes research on current social issues such as alternative family structures cohabitation divorce boomerang children and adoption The family is universal but extremely varied in form and function This handbook provides students researchers and policymakers with an all inclusive international demographic analysis that fully investigates the diverse nature of the modern family **Second International Handbook on the Demography of Sexuality** Amanda K. Baumle,Zelma Oyarvide Tuthill,2025-06-18 A decade after the publication of the first International Handbook on the Demography of Sexuality there have been fundamental shifts in how we measure sexual and gender identities and the breadth of available population level sexuality data The chapters in this second edition of this handbook provide guidance on methodological approaches involved in studying population sexuality as well as insight into the ways that sexuality shapes key demographic outcomes Chapters examine how we measure sexual identities and behaviors on surveys sexuality changes across the life course international perspectives on sexual behaviors and identities and the ways that sexual identities shape families labor market experiences and health outcomes Despite these developments we still know relatively little about key demographic questions related to fertility and migration for sexual minorities as well as about understudied topics of sexuality that fall outside of risk focused analyses In particular much of our understanding of sexuality has been motivated by controlling the spread of sexually transmitted infections or adolescent pregnancies rather than understanding motivations for sexual interactions such as pleasure Accordingly although the research set forth in this book provides insight into existing knowledge of sexual behavior and of sexual minority populations the chapters also point researchers and policymakers toward needed areas of research and data collection **The Oxford Handbook of Law and Anthropology** Marie-Claire Foblets,Mark Goodale,Maria Sapi gnoli,Olaf Zenker,2022 Represents a comprehensive and interdisciplinary treatment to the field of law and anthropology Decentres the standard Anglo Euro centric bias that prevails in both law and anthropology Gives unique perspectives on issues of contemporary relevance Provides the historical background but focuses on the future of the field Book jacket **International Handbook on Gender and Demographic**

Processes Nancy E. Riley, Jan Brunson, 2018-05-02 This handbook presents a comprehensive and up to date overview of gender in demography addressing the many different influences of gender that arise from or influence demographic processes It collects in one volume the key issues and perspectives in this area whereby demography is broadly defined The purpose in casting a wide net is to cover the range of work being done within demography but at the same time to open up our perspectives to neighboring fields to encourage better conversations around these issues The chapters in this handbook carefully document definition and measurement issues and take up parts of the demographic picture and focus on how gender plays a role in outcomes In other cases gender often plays a cross cutting role in social processes rather than having a single or easily distinguishable role it often combines with other social institutions and even other statuses and inequalities to affect outcomes Thus a key factor in this volume is how gender interacts with race ethnicity class nationality and sexuality in any demographic setting While each section contains chapters that are broad overviews of the current state of knowledge and behavior the handbook also includes chapters that focus on specific cultures or events in order to examine how gender operates in a particular circumstance

The Family in Law Archana Parashar, Francesca Dominello, 2017-04-27 The Family in Law provides a jurisprudential analysis of current family law connecting doctrinal discourse with sociological historical and economic analyses of the institution of family The law s focus on the nuclear family as the default model is central to the book s discourse which contains in depth discussions of the key areas of family law marriage divorce children and property matters Written for Australian legal actors whether students academics or professionals readers are encouraged to question current frameworks critique well known cases and make informed conclusions on whether changes could be made to engender a fairer and more equitable society In developing doctrinal analysis within a theoretical framework The Family in Law challenges the conventional boundaries of family law providing readers with both a solid foundation and a multi layered perspective to their understanding of the topic

Marriage and Health Hui Liu, Corinne Reczek, Lindsey Wilkinson, 2020-03-13 Evidence shows that married couples have better overall health than unmarried people Scholars and policy makers contend that same sex marriage provide similar benefits as well Marriage and Health represents the forefront of marriage and health research on same sex couples This collection of essays presents new perspectives that address the challenges faced by same sex couples in multiple domains of well being

Sociology of Families Teresa Ciabattari, 2021-07-29 Sociology of Families Change Continuity and Diversity offers students an engaging introduction to sociological thinking about contemporary families in the United States By incorporating discussions of diversity and inequality into every chapter author Teresa Ciabattari highlights how structures of inequality based on social divisions such as gender race and sexuality shape the institution of the family The Second Edition has been updated to include the most recent data and statistics expanded coverage of childhood and parenting and a new chapter on family violence Included with this text The online resources for your text are available via the password protected Instructor Resource Site

Gender in

the Twenty-First Century Shannon N. Davis, Sarah Winslow, David J. Maume, 2017-07-18 Gender as an institution Davis Winslow Maume The family Higher education The workplace Religion The military Sport Corporate boards and international policies Corporate boards and U S policies Work family integration Health Immigration Globalization Sexuality Unstalling the revolution policies toward gender equality Winslow Davis Maume **Outskirts** D'Lane R. Compton, Amy L. Stone, 2024-04-30 Outskirts is an edited volume from sociology scholars that addresses the complexity of the queer experience in diverse spaces places and identities in the United States **Marriage Material** Abigail Ocobock, 2024-11-19 In the US marriage rates are at an all time low But as rates are declining a considerable portion of the US population only very recently has the right to marry same sex couples Do same sex couples follow widespread trends of couples turning away from marriage And how does the expansion of marriage to include same sex couples change the meaning of the institution in society The Rainbow After the Storm Michael J. Rosenfeld, 2022 A detailed story of how social science contributed to gay rights gains in the courts For most of American history public opinion was strongly opposed to gay rights Marriage equality had negligible public support throughout the 1970s 1980s Yet starting in the 1990s American opinion toward marriage equality changed more than any other attitude in the history of American public opinion In Rainbow after the Storm Michael J Rosenfeld explains how attitudes toward marriage equality changed so much and how public opinion change drove change at the ballot box and in the courts As Rosenfeld shows in three crucial same sex marriage trials the supporters and opponents of marriage equality faced off Rosenfeld describes the struggles of the same sex couples who with few resources at their disposal and against formidable state and religious opponents sued for the right to marry and eventually won The first comprehensive analysis of the marriage equality movement in the U S The Rainbow after the Storm tells the stories of key individuals the court battles and the society wide explanations for the rapid liberalization of attitudes toward gay rights that made same sex marriage the law of the U S sooner than almost anyone thought was possible Sociology of Sexualities Kathleen J. Fitzgerald, Kandice L. Grossman, 2017-02-08 The authors are proud sponsors of the 2020 SAGE Keith Roberts Teaching Innovations Award enabling graduate students and early career faculty to attend the annual ASA pre conference teaching and learning workshop Sociology of Sexualities is the first comprehensive text to approach the study of sexuality from a sociological perspective Drawing on the most up to date social scientific research on sexuality it discusses fundamental concepts in the field and helps students integrate knowledge about sexuality into their larger understanding of society Topics covered include the emergence of sexual identities inequalities and discrimination faced by sexual and gender minorities heterosexual and cisgender privilege activism and mobilization to challenge such discrimination the commodification of sexuality and the ways sexuality operates in and through various institutions Throughout the text the authors show how sexuality intersects with other statuses and identities

This is likewise one of the factors by obtaining the soft documents of this **Legalizing Lgbt Families How The Law Shapes Parenthood** by online. You might not require more become old to spend to go to the ebook inauguration as capably as search for them.
