JACKAL OR TIGER - an old fairy tale from India Anon E. Mouse,2017-02-05 ISSN 2397 9607 Issue 283 In this 283rd issue of the Baba Indaba s Children s Stories series Baba Indaba narrates the Indian story of JACKAL OR TIGER In far far away Hindustan a king and queen lay awake in the palace in the midst of the city Every now and then a faint air blew through the lattice and they hoped they were going to sleep but they never did Presently they became more broad awake than ever at the sound of a howl outside the palace Listen to that tiger remarked the king Tiger replied the queen How should there be a tiger inside the city It was only a jackal And so they had a disagreement about what kind of animal it was When the king asked the guards what kind of animal it was they replied Tiger for the queen had told them to say this as the king always had to be right The king nodded and made no remark but sent for a palanquin a covered litter for one passenger consisting of a large box carried on two horizontal poles by four or six bearers and ordered the queen to be placed in it bidding the four bearers of the palanquin to take her a long way off into the forest and there leave her In spite of her tears she was forced to obey and away the bearers went for three days and three nights until they came to a dense wood There they set down the palanquin with the queen in it and started home again Now the queen thought to herself that the king could not mean to send her away for good and that as soon as he had got over his fit of temper he would summon her back so she stayed quite still for a long time listening with all her ears for approaching footsteps but heard none After a while she grew nervous for she was all alone and put her head out of the palanquin and looked about her Day was just breaking and birds and insects were beginning to stir the leaves rustled in a warm breeze but although the queen s eyes wandered in all directions there was no sign of any human being Then her spirit gave way and she began to cry It so happened that close to the spot where the queen s palanquin had been set down there dwelt a man who had a tiny farm in the midst of the forest

where he and his wife lived alone far from any neighbours It was he who heard and found the queen crying and it is here the story begins For what the king and queen did not know was that at the time she was left in the forest she had just conceived So what happened did the king leave the queen in the forest What of the unborn child Did the queen make it to full term and did the child survive her labour If the child did was it a boy or a girl It is well documented that many children born into poverty and squalor often don t survive mainly because of the environment they are born into Lastly were the king and queen ever reunited or was it really the king s intent to exile the queen forever Anyway to find answers to these questions download and read the story for yourself BUY ANY 4 BABA INDABA CHILDREN S STORIES FOR ONLY 1 33% of the profit from the sale of this book will be donated to charities INCLUDES LINKS TO DOWNLOAD 8 FREE STORIES Each issue also has a WHERE IN THE WORLD LOOK IT UP section where young readers are challenged to look up a place on a map somewhere in the world The place town or city is relevant to the story HINT use Google maps Baba Indaba is a fictitious Zulu storyteller who narrates children s stories from around the world Baba Indaba translates as Father of Stories [The Tiger of Mysore - A Story of the War with Tippoo Saib](#) G. A. Henty,2017-01-01 While some of our wars in India are open to the charge that they were undertaken on slight provocation and were forced on by us in order that we might have an excuse for annexation our struggle with Tippoo Saib was on the other hand marked by a long endurance of wrong and a toleration of abominable cruelties perpetrated upon Englishmen and our native allies Hyder Ali was a conqueror of the true Eastern type He was ambitious in the extreme He dreamed of becoming the Lord of the whole of Southern India He was an able leader and though ruthless where it was his policy to strike terror he was not cruel from choice His son Tippoo on the contrary revelled in acts of the most abominable cruelty It would seem that he massacred for the very pleasure of massacring and hundreds of British captives were killed by famine poison or torture simply to gratify his lust for murder Patience was shown towards this monster until patience became a fault and our inaction was naturally ascribed by him to fear Had firmness been shown by Lord Cornwallis when Seringapatam was practically in his power the second war would have been avoided and thousands of lives spared The blunder was a costly one to us for the work had to be done all over again and the fault of Lord Cornwallis retrieved by the energy and firmness of the Marquis of Wellesley **The Evergreen Legends of Kerala** Sreekumari Ramachandran,2024-10-30 Discover the heart of Kerala through stories that pulse with life and history This book invites you to explore the world of sorcerers warriors and poets where myth and reality intertwine From the ancient gateway of Malabar to the vibrant communities that shaped its culture these tales reveal the depth of Kerala s heritage Meet the figures behind the legends delve into the histories that defined a region and experience a society rich in tradition and intrigue With a blend of deep insight and accessible writing this collection offers a fresh look at Kerala s fascinating past **Devotional Sovereignty** Caleb Simmons,2020 Devotional Sovereignty Kingship and Religion in India investigates the shifting conceptualization of sovereignty in the South Indian kingdom of Mysore during the reigns of Tipu Sultan r 1782 1799 and

Krishnaraja Wodeyar III r 1799 1868 Tipu Sultan was a Muslim king famous for resisting British dominance until his death Krishnaraja III was a Hindu king who succumbed to British political and administrative control Despite their differences the courts of both kings dealt with the changing political landscape by turning to the religious and mythical past to construct a royal identity for their kings Caleb Simmons explores the ways in which these two kings and their courts modified and adapted pre modern Indian notions of sovereignty and kingship in reaction to British intervention The religious past provided an idiom through which the Mysore courts could articulate their rulers claims to kingship in the region attributing their rule to divine election and employing religious vocabulary in a variety of courtly genres and media Through critical inquiry into the transitional early colonial period this study sheds new light on pre modern and modern India with implications for our understanding of contemporary politics It offers a revisionist history of the accepted narrative in which Tipu Sultan is viewed as a radical Muslim reformer and Krishnaraja III as a powerless British puppet Simmons paints a picture of both rulers in which they work within and from the same understanding of kingship utilizing devotion to Hindu gods goddesses and gurus to perform the duties of the king
