*A Route 66 Companion* David King Dunaway, 2022-02-24 A literary

history of America's most storied highway featuring work from Raymond Chandler, Joan Didion, John Steinbeck, Sylvia Plath and more. Even before there was a road, there were Buffalo trails, Indian paths, the old Santa Fe trace—all led across the Great Plains and the western mountains to the golden oasis of California. America's insatiable westering urge culminated in Route 66, the highway that ran from Chicago to Los Angeles. Opened in 1926, Route 66 became the quintessential American road. It offered the chance for freedom and a better life, whether you were down and out Okies fleeing the Dust Bowl in the 1930s or cool guys cruising in a Corvette in the 1960s. Even though the interstates long ago turned Route 66 into a by-lane, it still draws travelers from around the world who long to experience the freedom of the open road. *A Route 66 Companion* gathers fiction, poetry, memoir, and oral history to present a literary historical portrait of America's most storied highway. From accounts of pioneering trips across the western plains to a sci-fi fantasy of traveling Route 66 in a rocket, here are stories that explore the mystique of the open road, told by master storytellers ranging from Washington Irving to Raymond Chandler, Joan Didion, Sylvia Plath, Leslie Marmon Silko, and John Steinbeck. Interspersed among them are reminiscences that for the first time honor the varied cultures: Native American, Mexican American, and African American, as well as Anglo, whose experiences run through the Route 66 story like the stripe down the highway. So put the top down, set the cruise control, and make that California trip with *A Route 66 Companion*. Route 66 has a long and interesting history, and Dunaway has done a fantastic job selecting works of literature about America's Main Street to tell its dynamic story, supplemented by the editor's own invaluable commentary. An all-around remarkable anthology. Publishers Weekly. *A Route 66 Companion* is a great read and should find its way to the hands of any armchair traveler or lover of the history of the American West.

**Oral History Review**     *Route 66 Still Kicks* Rick Antonson, 2012-06-23 Through the stories of one of Canada's most enthusiastic travellers, explore the famous American highway that inspired the likes of Al Capone, Salvador Dali, Mickey Mantle, and the countless fans of this iconic American landmark.

*Strange 66* Michael Karl Witzel, 2018-08-14 When you open *Strange 66*, take a look beyond the all-American sheen to the seedy, creepy, and just plain weird stories behind America's Mother Road. Route 66 conjures images of an innocent golden age of car travel: shiny V8s powering down hot two-lane blacktop, sucking 20 cent a gallon gasoline, and periodically depositing their occupants at mom 'n' pop greasy spoons, neon-lit motels, and tourist traps. But America's Mother Road wasn't all about ruddy-cheeked summer vacationers. Route 66 and the regions it traverses have a side more seldom seen, rich with weird tales, mimetic architecture, paranormal phenomena, and even cryptozoology, to the downright sordid and seedy: murder, mistreatment, and other assorted mayhem. In *Strange 66*, bestselling Route 66 authority Michael Witzel explores the flip side of Route 66, to offer details on infamous Route 66 locations that once served as hideouts for the James Gang, Meramec Caverns, Bonnie and Clyde, Baxter Springs, Kansas, and Al Capone, Cicero, Illinois. There are the stories of unspeakable crimes committed along 66, such as the Stafflebeck murder bordello in Galena, Kansas, and Arizona's Orphan Maker of Route 66. Witzel also explores the people that passed through the region, including the Dust Bowl

exodus and the Trail of Tears tribute in Jerome Missouri Then there are the lighter though still strange stories such as the Route 66 Great Transcontinental Footrace and the origins of various roadside colossi like the Blue Whale of Catoosa and Giganticus Headicus in Walapai Arizona And speaking of heads what about steak Eat one as big as your head at the Big Texan in Amarillo and it s free All of these stories culminate in a look at Route 66 unlike any other completely illustrated with modern and archival photography and written by an acknowledged authority on the Mother Road *Road Odyssey: Discover the Jewels of North America* Pasquale De Marco,2025-07-18 Prepare to embark on an extraordinary journey across North America a land of boundless wonders and captivating experiences This comprehensive travel guide is your passport to unlocking the treasures of this diverse continent from the iconic landmarks to the hidden gems that await discovery Immerse yourself in the breathtaking beauty of America s national parks where nature s grandeur unfolds in all its glory Explore towering mountains pristine lakes and ancient forests and embark on thrilling adventures that will leave you in awe Discover the rugged coastlines and secluded beaches where the sound of crashing waves and the warmth of the sun create a symphony of serenity Venture into the vibrant cities of North America where skyscrapers pierce the sky and the streets pulsate with life Explore iconic landmarks museums and cultural hubs that tell the story of a nation s rich history and heritage Discover the charm and authenticity of small towns and villages where traditions run deep and the spirit of community thrives Indulge in the culinary delights that North America has to offer from the hearty comfort food of the Midwest to the diverse flavors of the Southwest Savory the freshest seafood along the coasts or embark on a culinary tour of ethnic enclaves in major cities where international cuisines tantalize your taste buds This book is more than just a guide it is an invitation to embrace the spirit of adventure It will lead you to hidden gems beyond the beaten path allowing you to connect with the heart and soul of North America With detailed itineraries practical advice and insider tips this book will empower you to create a truly unforgettable journey Whether you seek adrenaline pumping outdoor adventures crave the sophistication of urban exploration or simply want to relax and soak in the beauty of nature this book has something for every traveler Let us be your guide as you traverse this vast and captivating continent creating memories that will last a lifetime If you like this book write a review *Focus On: 100 Most Popular American Male Guitarists* Wikipedia contributors,
