Deconstructing LEGO Jonathan Rey Lee, 2020-09-08 This book investigates a paradox of creative yet scripted play how LEGO invites players to build freely with and within its highly structured ideologically laden toy system First this book considers theories and methods for deconstructing LEGO as a medium of bricolage the creative reassembly of already significant elements Then it pieces together readings of numerous LEGO sets advertisements videogames films and other media that show how LEGO constructs five ideologies of play construction play dramatic play digital play transmedia play and attachment play From suburban traffic patterns to architectural croissants from feminized mini doll bodies to toys to life stories from virtual construction to playful fan creations this book explores how the LEGO medium conveys ideological messages not by transmitting clear statements but by providing implicit instructions for how to reassemble meanings it had all along

Historyless Conrad Riker, 101-01-01 You're not imagining it the world is broken The past has been erased Men are confused angry and powerless The West is collapsing and no one in power cares Why do men feel lost even when they follow all the rules Why is masculinity under attack while mediocrity is celebrated Why does every institution schools media government seem designed to destroy what's real This book reveals what's really happening beneath the surface of modern society How Marxism didn't die it evolved into cultural Marxism and now controls education media and law Why feminism isn't about equality but about female supremacy and the destruction of male identity The hidden psychological war that turns men into guilt-ridden responsibility avoidant boys How postmodernism weaponizes language to erase truth history and biological reality Why the Left treats men as problems to be managed not creators to be honored The dark alliance between feminist ideology and bureaucratic state power that infantilizes men How collectivist thinking destroys individual purpose legacy and lineage The real reason young men feel empty they've been cut off from history heroes and heritage If you want to understand how we got here reclaim your identity and rebuild a future worth living for buy this book today

Understanding Film Theory Ruth Doughty, Christine Etherington-Wright, 2017-08-30 This essential core textbook provides an approachable and extensive introduction to film theory written by two highly experienced senior

lecturers Bringing a fresh contemporary and accessible approach to what is often perceived to be a challenging and old fashioned area of film studies that requires time and effort to grasp the text illustrates why theory is important and demonstrates how it can be applied in a meaningful way The book s sixteen chapters are clear and comprehensive and provide an insight into the main areas of debate using clear definitions and explaining complex ideas succinctly The ideal entry point for any student studying film the book is designed for use on courses on film theory on undergraduate and postgraduate degree programmes within film cinema media and cultural studies New to this Edition An expanded introduction plus a new chapter looking at Adaptation Contemporary case studies exploring popular and topical films such as The Hunger Games 2012 Blue is the Warmest Colour 2013 and The Lego Movie 2014 An expanded introduction plus a new chapter looking at Adaptation Additional genre based case study on the British Gangster film Additional actor based case study on Ryan Gosling A greater focus throughout on the relevance of film theory to students undertaking practical film degrees and units
