**Deconstructing LEGO** Jonathan Rey Lee, 2020-09-08. This book investigates a paradox of creative yet scripted play: how LEGO invites players to build freely with and within its highly structured, ideologically laden toy system. First, this book considers theories and methods for deconstructing LEGO as a medium of bricolage: the creative reassembly of already significant elements. Then, it pieces together readings of numerous LEGO sets, advertisements, videogames, films, and other media that show how LEGO constructs five ideologies of play: construction play, dramatic play, digital play, transmedia play, and attachment play. From suburban traffic patterns to architectural croissants, from feminized mini-doll bodies to toys to life stories, from virtual construction to playful fan creations, this book explores how the LEGO medium conveys ideological messages not by transmitting clear statements but by providing implicit instructions for how to reassemble meanings it had all along.

**Sedition, Subversion, And Sabotage Field Manual No. 1** Ben Stone, 2019-09-26. Any regime claiming a territorial monopoly on the use of force coupled with the power to tax is a threat to life, liberty, and most importantly, private property. Freedom-seeking people everywhere live under occupation by monopoly states claiming decision-making authority over every aspect of their lives, taking their livelihoods at will in the name of democracy. The so-called Liberty Movement is doing it wrong. Libertarian proselytizing does not work. Agorism does not work. Similarly, direct confrontations with Leviathan will not work. To secure the blessings of liberty, the monopoly State must be undermined at every turn, and to do so, new tactics are required before instituting new safeguards for freedom. *The Sedition, Subversion, and Sabotage Field Manual No. 1: A Three-Part Solution to the State* offers a three-pronged strategy for effective action. If you are looking for a results-oriented tactical primer on liberating humanity from the chains of slavery, this is it.
