From an Idea to Lego Lowey Bundy Sichol, 2019 For fans of the successful Who Was series *From an Idea to Lego* is a behind the bricks look into the world's famous toy company with humorous black and white illustrations throughout Today LEGO is one of the biggest toy companies in the world but a long time ago a Danish carpenter Ole Kirk Christiansen started with just an idea Find out more about LEGO's origins those famous bricks and their other inventive toys and movie ventures in this illustrated nonfiction book Find out the origin the name LEGO Hint it combines two Danish words See how LEGO grew from a carpentry shop to a multi platform toy company Discover how LEGO bricks are made and how they came up with their design [A Million Little Bricks](#) Sarah Herman, 2012-09-26 The LEGO Group's history is as colorful as the toys it makes This history charts the birth of the LEGO Group in the workshop of a Danish carpenter and its steady growth as a small family run toy manufacturer to its current position as a market leading award winning brand *Building a History* Sarah Herman, 2012-07-09 The story of these beloved bricks and the people who built an empire with them From its inception in the early 1930s right up until today the LEGO Group's history is as colorful as the toys it makes Few other playthings share the LEGO brand's creative spirit educational benefits resilience quality and universal appeal This history charts the birth of the LEGO Group from the workshop of a Danish carpenter and its steady growth as a small family run toy manufacturer to its current position as a market leading award winning brand The company's growing catalogue of products including the earliest wooden toys plastic bricks play themes and other building systems such as DUPLO Technic and MINDSTORMS are chronicled in detail alongside the manufacturing process LEGOLAND parks licensed toys and computer games Learn all about how LEGO pulled itself out of an economic crisis and embraced technology to make building blocks relevant to twenty first century children and discover the vibrant fan community of kids and adults whose conventions websites and artwork keep the LEGO spirit alive *Building a History* will have you reminiscing about old Classic Space sets rummaging through the attic for forgotten minifigure friends and playing with whatever LEGO bricks you can get your hands on even if it means sharing with your kids **Designing Retail Experience in the 21st Century** D.J. Huppertz, 2025-04-03 Covering 2001 to today *Designing Retail Experience in the 21st Century* presents readers with a critical cross disciplinary perspective on retail design bringing together scholarship from design architecture branding cultural studies and social studies Our retail experience has changed profoundly over the past two decades largely due to the impact of digital technologies While the rise of smartphones and online commerce threatened to displace bricks and mortar stores physical shopping has survived and in some cases thrived Today the most successful brands design experiences that engage customers both within the physical store and in the digital realm In this book D J Huppertz analyses how corporations design these experiences how we interact with them and how they align with broader social cultural and economic changes Eight case studies reveal how some of the largest global retail chains including Apple Amazon Nike Zara IKEA and LEGO and smaller chains such as Aesop and Gentle

Monster utilize design to create engaging experiences Unlike in the past such corporations consider design in a continuum that extends from architecture and interiors to product and service design and from website and digital interactions to social media At the intersection of design and cultural studies this book provides a critical survey and understanding of design and retail experience in the 21st century

Deconstructing LEGO Jonathan Rey Lee, 2020-09-08 This book investigates a paradox of creative yet scripted play how LEGO invites players to build freely with and within its highly structured ideologically laden toy system First this book considers theories and methods for deconstructing LEGO as a medium of bricolage the creative reassembly of already significant elements Then it pieces together readings of numerous LEGO sets advertisements videogames films and other media that show how LEGO constructs five ideologies of play construction play dramatic play digital play transmedia play and attachment play From suburban traffic patterns to architectural croissants from feminized mini doll bodies to toys to life stories from virtual construction to playful fan creations this book explores how the LEGO medium conveys ideological messages not by transmitting clear statements but by providing implicit instructions for how to reassemble meanings it had all along

Ed King David Guterson, 2011-10-03 From the bestselling author of *Snow Falling on Cedars* a dazzling darkly funny compulsively readable retelling of Sophocles's *Oedipus Rex* that takes us from the 1962 Seattle World's Fair to the twenty first century headquarters of an Internet search giant Superbly organised and sophisticated Excellently entertaining Sunday Times A great story and a riveting read Daily Mail In 1962 when Walter Cousins sleeps with his British au pair Diane Burroughs he can have no sense of the magnitude of his error this brief affair sets in motion a tragedy of epic proportions upending Sophocles's immortal tale of fate free will and forbidden desire At the centre is Ed King an infant given up for adoption who becomes one of the world's most powerful men But beneath the gripping story of Ed's seemingly inexorable rise to fame and fortune is a dark and unsettling destiny one that approaches with ever increasing suspense as the novel reaches its shattering conclusion

Adaptation in the Age of Media Convergence Johannes Fehrle, Werner Schäfke-Zell, 2025-10-01 This collection considers new phenomena emerging in a convergence environment from the perspective of adaptation studies The contributions take the most prominent methods within the field to offer reconsiderations of theoretical concepts and practices in participatory culture transmedia franchises and new media adaptations The authors discuss phenomena ranging from mash ups of novels and YouTube cover songs to negotiations of authorial control and interpretative authority between media producers and fan communities to perspectives on the fictional and legal framework of brands and franchises In this fashion the collection expands the horizons of both adaptation and transmedia studies and provides reassessments of frequently discussed BBC's *Sherlock* or the LEGO franchise and previously largely ignored phenomena self censorship in transnational franchises mash up novels or YouTube cover videos

S. Frankel, 2016-03-01 City dweller Gabe Common seventeen and a high school dropout has just moved with his mother to Chumsville South Dakota a speck in the eye of humanity With a population of around three hundred people Gabe is resigned

to spending his summer studying online and watching the wheat grow It all changes when he wakes up one morning and finds most of Chumsville s population gone including his mother Along with the other survivors he finds that an impenetrable barrier has surrounded the town which allows people to enter but not leave To make matters even stranger he finds wings growing from his body and the other residents exhibit changes as well some of them interesting and many of them frightening Soon the Changed as Gabe comes to call them are met by the FBI and they are just as bewildered as everyone else is Tensions mount as the heat rises harsh words are exchanged and sides are drawn Once Gabe discovers the reason for their transformation he has to deal with another matter the darkness of the human heart It is only then that he learns what it is to confront evil and face it down even if it might cost him his life
