LEICA M6

We hope that your new LEICA® will give you a great deal of pleasure and wish you many years of successful photography with it.

Leica Academy. But Leica not only makes high-performance products for everything from observation to reproduction. A special service available to you is the Leica Academy. For many years, this internationally famous facility teaches photographic know-how in application-oriented seminars and training courses. It meets the needs of keen photographers, both beginners and advanced students, for special training in demanding areas of 35 mm photography: projection, and enlargement. Up-to-date, well-equipped classrooms at our Solms headquarters are available for these courses, which are held by experienced instructors, with syllabuses ranging from general photography to specialized fields of interest. They provide a wealth of practical suggestions, help, and advice.

Further information and details of seminars are available from:
Leica Camera GmbH, Leica Academy,
Oskar-Bernbach-Straße 10
4306 Solms (Germany)
Telephone: +49 (0-64 42) 208-421.

This instruction booklet was printed on paper bleached without chlorine - an expensive process that preserves the environment, especially natural water resources.
