How to Use your Field Trip Guide

Field Trip Guides provide structure and suggestions on a per-teacher basis within ECDM's exhibition space. This will allow you, your students and your experiences to be personalized to address outcomes and objectives from. The suggestions begin by detailing goals for your visit. These goals may include reinforcing concepts of your science curriculum, understanding which topics to be a catalyst in choosing your students that science learning can be used and used. If your focus particular curriculum goals, use this Field Trip Guide to connect what you are doing in your classroom with our per visit activities. The recommended visiting times of the Science Center Hunt for goals of your experiences, so that they can guide the students through the exhibits and help record observations. Our Science Hunt is designed to be comprehensive, and focus on critical skills and scientific thinking. As a result, there may not be one experience for each of the goals. This means you will not find an answer key for any of the Science Hunt. Instead, you'll find descriptions for science concepts that are from your experiences. If you feel you need more clarification, you can email comments at fieldtrip@ecdm.org.

ECDM is a big place. As a result, you may not see everything in one day. Take your time, don't rush, and allow your students to explore the things that they find interesting. Allow them to be in control of the visit and let them know that it's okay to be in control of the experience. Rather than trying to see everything, select just a few areas to spend your day. This will save time, but you will learn more.

Exhibits related to Force & Motion
