

WALL OVENS

Jenn-Air® double wall ovens offer twice the cooking space, along with the flexibility to cook items at different temperatures... simultaneously. Perfect for when you entertain, whether it's a few times a year or a few times a week! Special features for both our double and single wall ovens include:

MultiMode® Convection gives you precise control for gourmet results, no matter what you're cooking. Convection Bake, Roast, Broil, Pastry, Drying and Thaw & Serve settings deliver the ideal temperature, air flow and cooking cycle conditions for different types of food. That makes it easy to achieve evenly browned baked goods; moist, tender meats; and more – up to 25% faster when roasting than with the traditional cooking method. Drying enables you to dry fruits, herbs, flowers and vegetables at home, and Thaw & Serve gives you the proper setting for thawing ready-to-serve frozen foods.
