Make Your Business Survive and Thrive! Priscilla Y. Huff, 2007-04-10 If you re an entrepreneur or you re just thinking of starting a business start with this smart practical guide to small business success It shows you how to maintain healthy growth and profits no matter what kind of business you own and helps you get the most out of your limited resources Grow your business and get on the fast track to success

Own Your Future Paul Brown, Charles Kiefer, Leonard Schlesinger, 2014-06-12 This insightful and helpful resource gives you the tools tips and techniques you need to succeed no matter what comes your way Not everyone has the means and resources to become a successful entrepreneur So does that mean everyone else must hinge their success on the hopes that they survive the next set of layoffs and that their chosen field doesn t become the next dying industry Not at all The successful methods that the leading entrepreneurs used to find their niche in today s marketplace can be applied by all in their pursuit of a long lasting rewarding career *Own Your Future* shows you how to take the same small steps forward they use to reinvent the way you maneuver in an unpredictable job market You will discover how to Act Thinking alone will never change your life you must take that first step Learn What lessons did you learn from that first step Build Take what you

learned and apply it to improve upon that first step Repeat Continue this process until you have achieved your goal Too often people picture their perfect career and then think through all the steps backward to plan out their path to career success There is very little assurance that your chosen job perhaps even the industry itself will even be there by the time you maneuver through the long path of continuing education and promotions Don't rest your success on the mercy of an ever changing marketplace Filled with stories of professionals of all kinds who have profited from this proactive approach Own Your Future will teach you how to take control

Strategic Connections Anne Baber, Lynne Waymon, Andre Alphonso, Jim Wylde, 2015-01-07 Unveiling eight indispensable competencies for the new Network Oriented Workforce Strategic Connections provides practical advice anyone can use for building better more productive business relationships Smartphones social media and the Internet can only get a professional so far At some point the success of an organization will depend on face to face relationships which means the isolated employees trying to do everything virtually will at some point have to fall back on the tried and true essential skill of relationship building if they are going to survive in today's increasingly collaborative workforce You will discover how to Commit to a positive proactive networking mindset Earn trust Boost their social acumen and increase their likeability Master conversational skills and deepen interactions Employ storytelling to make communications memorable Businesses don't have to look very far to find employees with a strong presence in the different social networks If you want to stand out and make yourself invaluable to your organization focus on making your presence known in the company's physical networks
