*Myths and Truths of the Cell Church* Joel Comiskey, 2016-11-23 Most of the modern day cell church movement is biblical dynamic and positive Sadly errors and false assumptions have also crept in to confuse and lead astray an otherwise healthy movement Joel Comiskey in this ground breaking book exposes the myths of the cell church movement and then offers positive principles and insights to guide churches and leaders on the right path Each chapter begins with a unique insight from a worldwide cell church leader who will share decades of wisdom in working with cell groups These leaders include Ben Wong Robert Lay Mario Vega Bill Beckham Abe Huber Jimmy Seibert Scott Boren Werner Kiesel Randall Neighbour Jim Egli Steve Cordle and Les Brickman You will enjoy the insights of these leaders in the cell movement This book will help you avoid pitfalls and apply biblical time tested principles that will guide you into fruitful cell ministry Whether you're starting out for the first time in cell ministry or a seasoned veteran this book will give you the tools to help your ministry stay fresh and fruitful      Planting Churches That Reproduce Joel Comiskey, 2008-12 Small group resources tend to overlook the

spiritual side of small group leadership And yet most would agree that spiritual preparation is the most important aspect of leading a small group Only Gods supernatural power can draw people to the truth and liberate them to be all that God wants them to be The key distinction of this book is the spiritual perspective it gives to small group ministry So much of the literature about small groups that is already published relates to small group technique and only touches briefly on the Spirits power This book is a practical reference guide to help small group leadership begin to move in the supernatural realm The books first priority is to help small group leaders and members trust the Holy Spirit to lead them empower them and work in their group Small group facilitators often sense a lack of guidance power and spiritual authority Jesus knew His disciples would be powerless without a touch from the Holy Spirit and so He told them to wait in Jerusalem saying You will receive power when the Holy Spirit comes on you and you will be my witnesses in Jerusalem and in all Judea and Samaria and to the ends of the earth Acts 1 8 Small group leaders need a power boost to make small group ministry relevant and exciting The second priority of this book is to help the facilitator identify and mobilize each small group member to use his or her own spiritual gifts

*Children in Cell Ministry* Joel Comiskey, 2015-11-14 In this ground breaking book Joel Comiskey challenges pastors and leaders to move from simply educating children to forming them into disciples who make disciples Comiskey lays out the Biblical base for children s ministry and then encourages pastors and leaders to formulate their own vision and philosophy for ministry to children based on the Biblical text Comiskey highlights how to disciple children in both the large group and the small group He quickly moves into practical examples of intergenerational cell groups and how effective cell churches have implemented this type of group He then writes about children only cell groups citing many practical examples from some of the most effective cell churches in the world Comiskey covers equipping for children how to equip the parents and mistakes in working with children in the cell church This is a must read book for all those wanting to minister to children both in large and small groups

*The Relational Disciple* Joel Comiskey, 2009-11 You can also call 1 888 344 2355 Joel Comiskey Group Jesus lived with His disciples for three years and taught them essential life lessons as a group After three years he commanded them to go and do likewise Matthew 28 18 20 Jesus disciplined His followers through relationships and He wants us to do the same We in the west on the other hand prepare lone ranger disciples based on our culture of individualism This book will detail how our culture of individualism has now turned into isolationism and that social relationships are at an all time low The church of Jesus Christ has also been negatively impacted through a brand of individualism that fails to truly make disciples This book will encourage Christ followers to allow God to mold them through the natural relationships of life family friends work relationships church cells etc It will explain how God uses the relationships in our lives to mold and shape us into His disciples The book will cover such themes as New Testament Community The Problem of Isolation Relationship with God Relationship with those closest to you spouse family Relationship with friends and work associates Relationships through small group ministry Relationships in the local church Relationships

with the un churchd This book will demonstrate how God uses relationships to mold and shape followers of Jesus My hope is that God will use this book to help readers see that He is using the natural relationships in their lives to mold and shape them into followers of Jesus

2000 Years of Small Groups Joel Comiskey, 2015-10-03 This book explores how God has used small groups throughout church history specifically focusing on the early church to the present time God not only established the early church as a house to house movement but he also has used small groups throughout church history This book chronicles the small group or cell movement from Jesus all the way to the modern day cell explosion Themes include Small Groups In Biblical History Small Groups In Early Christian History Small Groups and Monasticism Small Groups During the Pre Reformation Period Luther and Small Groups Martin Bucer and Small Groups The Anabaptist Movement Puritan Conventicles Pietism The Moravians The Methodists Modern House Churches Small Groups in North America The Modern Day Cell Church This book will both critique the strengths and weaknesses of these historical movements and apply principles to today s church You will grow in appreciation and understanding of key small group principles from those pioneers who have paved the way You will also learn to value those movers and shakers who faced far greater odds to implement small groups than the difficulties confronted today Many have struggled with the same things you re wrestling with now And just like they found solutions in the face of persecution and trial God will help you to persevere find solutions and ultimately bear abundant fruit for his kingdom and glory

**S'ouvrir à la fécondité de l'esprit** Marie-Agnès de Matteo, François-Xavier Amherdt, 2009 Living in Victory Joel Comiskey, 2020-07-14

Christians desire to grow in their relationship with God They want to flourish to experience victory in their Christian lives They want to live in the overcoming power that the cross provides But they are stuck They are like my friend John who works sixty hours per week sits in two hours of traffic each day and carries the burdens of the world on his shoulders He and his wife Jenny love each other or at least they used to They now spend their time together carting their kids to activities after driving through Taco Bell for dinner Every week John sits in the second row at church listening to the pastor and he and Jenny volunteer in the children s church But he told me last week that he is exhausted On the surface he has a good life but deep down he is drowning He has no real victory How does someone like John stem the tide How does he start living the victorious lifestyle Jesus came to offer Many find the answer in promises of a magic pill something that provides a quick fix But such fixes don t exist The victory of God is an ongoing lifestyle while adopting and applying certain priorities that prepare and equip us for life True victory comes in heaven and not on earth And only the Spirit of God living through the believer based on God s Word can give true victory But there are basic principles that God has used throughout the centuries to encourage believers and give them victory In this book I ve pinpointed nine principles and priorities that will help a believer live a victorious Christian life They are victory in preparing for eternity victory in experiencing God s love victory in God s grace victory in God s sovereignty victory in spending time with Jesus victory in close relationships victory in the local church victory in rest victory in healthy living These nine priorities will help you understand and apply principles that are simple biblical and time tested to produce spiritual emotional and physical benefits My aim is to stimulate you to live these biblical truths while allowing the Holy Spirit to transform you
