embody His good news You will learn to Build Your Abundant Life **His Blood be Upon Us** Tom Wilson,2023-11-25 The book explores the antisemitic potential of Matthew's Gospel in the Christian New Testament It begins with a detailed discussion of the occasion of the text before discussing key questions Matthew's fulfilment theology and the use of polemic in the text Three crucial texts are examined in detail The book discusses the reverberations of the blood cry arguing the deicide focused interpretation of Matthew 27:25 is foundational to subsequent blood libels which are also discussed The final chapters explore how to preach from Matthew's Gospel with Jewish people in mind including offering sample sermons to stimulate the reader's thinking about how they might teach from a controversial Matthean text in a way that denies the possibility of perpetuating Christian antisemitism It will be of interest to students and scholars in religion and faith Christianity and interfaith studies **Beatitudes, Not Platitudes** Paul Louis Metzger,2018-03-22 Beatitudes Not Platitudes shows that the Beatitudes are not overused well worn answers to the question What would Jesus do Rather they are undervalued and hardly touched claims that transform our destinies More than spiritual nuggets for personal devotion practical advice or propositions to be believed the Beatitudes in Matthew 5 envision and entail a reorientation of the good life in view of Jesus kingdom Jesus teachings reveal to us that living our best purpose driven life now involves dying to self and the world system and dying for our enemies Ideal for group study this series of meditations on each of the Beatitudes followed by cultural reflections and study questions helps to bridge the gaps between personal devotion and societal revolution the academic and the practical the ancient and the contemporary All of us want to be happy to be well and blessed and esteemed with honor However we look for happiness wellness blessing and honor in different places and with mixed results This book helps us reimagine the good life by taking a fresh look at the Beatitudes as citizens of Jesus ever new kingdom order The Lord's Prayer and the Sermon on the Mount in Matthew's Gospel Charles Nathan Ridlehoover,2019-12-26 Charles Nathan Ridlehoover examines the Lord's Prayer in Matthew's Gospel focusing on the prayer's centrality and showing how this centrality affects our reading of the Sermon on the Mount and subsequently the prayer itself Ridlehoover argues that the Lord's Prayer is structurally lexically and thematically central to the Sermon on the Mount and the means through which disciples of Jesus are empowered to live out the kingdom righteousness it defines In turn the Sermon on the Mount clarifies what the answer to the petitions of the Lord's Prayer might look like in the life of the disciple of Jesus Whilst the centrality of the Lord's Prayer has been noted by previous commentators this centrality and its intended purpose has not hitherto been defined or examined in great depth Ridlehoover fills this gap with a closely argued and in depth study ranging from methodology and the structure of the prayer itself to examining the Father will forgiveness and evil petitions and the relevance of word and deed for hearers and doers Ridlehoover's examination of the relationship between the Sermon and Prayer advances studies in compositional criticism and intratextuality *Why Mission?* Dean Flemming,2015-11-03 Recent years have seen heightened interest in how to read scripture from a missional perspective This

book addresses that question by exploring both how the New Testament bears witness to the mission of God and how it energizes the church to participate in that mission. It also makes a distinctive contribution by applying a missional reading to a variety of New Testament books offering insights into New Testament theology and serving today's discussions about mission and the church. Dean Flemming has written a game-changing book on the interpretation of scripture for the mission of the church. This relatively slim but rich volume is absolutely mandatory reading for all serious students of the New Testament and for all who wish to understand the church's participation in the mission of God. It should be on the syllabus of every ecclesially focused course on the New Testament and every biblically attuned course in ecclesiology and in missiology.

Michael J Gorman, Raymond E Brown, Professor of Biblical Studies and Theology, St Mary's Seminary and University, Baltimore, MD. I am always grateful when another book by Dean Flemming appears. His writing arises out of his significant cross-cultural experience, his outstanding scholarship, and his careful listening to the Spirit in the text. This book is written clearly and is full of nourishing insight.

Michael W Goheen, Professor of Missiology, Calvin Theological Seminary, Grand Rapids, MI. former Geneva Chair of Worldview Studies, Trinity Western University, Langley, BC, and Teaching Fellow in Mission Studies, Regent College, Vancouver, BC. Why mission is a critical question, one not asked or understood often enough. Here is a stirring reading of the New Testament that demonstrates a living triune God on mission, bringing redemption to the world through a living apostolic church. So much rich theological interpretation packed into a small book.

Nijay K Gupta, assistant professor of New Testament, George Fox Evangelical Seminary, Portland, OR. Since writing *The Mission of God*, I have felt guilty that it paid so much more attention to a missional reading of the Old than of the New Testament. This fine book relieves me of that guilt. This is an outstandingly clear and faithful exposition of what it means to read the New Testament from the perspective of and with the intention of participating in the mission of God as revealed in the whole Bible.

Christopher J H Wright, International Ministries Director, Langham Partnership.
