The Image of God: Lost and Recreated Otis Gouty, 2019-09-27 This is a book that demonstrates how a person can get the image of God Adam and Eve were created in the image of God but lost it They were given freedom of choice Unfortunately they rejected God and chose the way of Satan which has been passed on to all of us down through the centuries from parent to child The Bible is accepted as truth Every step of the way taken here is documented by the Bible Scientific discoveries are introduced to form a basis for understanding and to compliment biblical references Children born after Seth were born in the evil image of Adam and Eve God was so deeply grieved by the evil intentions of Seth's descendants that he sent the flood to destroy all of mankind Noah was favored by God but even so he was still of the lineage of Seth The Old Testament is filled with the sinful acts of God's chosen children but the faithful unchanging God had a plan which He brought to pass in the person of Jesus This book provides a penetrating and dramatic picture of how God has implemented His plan to the present time **A Parallel Guide to the Scriptures** The Scribe MdBurnett, 2011-10-27 *Ruin and Redemption* Justin

Miller, 2023-01-03 How is the totality of Scripture to be understood How is sinful man brought into a relationship with God In the opening pages of Scripture we read of God's covenant with Adam and all he represents humanity If Adam obeys the covenant he will live yet if he disobeys he and all in him will die Upon the fall of Adam in Gen 3 we read of another covenant an unconditional one of the serpent bruising the Seed of the Woman's heel and the Seed of the Woman bruising the serpent's head Gen 3:15 We read of grace This book operates as a primer that outlines the Covenant of Works and the Covenant of

Lewis, Alice L. Lewis, 2023-02-09 This is a book written so people could get to know more about who Cain was as most only know him as the man who killed his brother Abel The book engages in a plausible forensic study of Cain's character and explores his humanity This study is not dogmatic but provides probability to help determine who he may have been and how his life has impacted many The writers used Scriptures to aid in mapping a possible psyche which led to the following questions Was there a sibling rivalry Was there possible animosity or jealousy What was his childhood like and how did he relate to his other siblings Most importantly what kind of relationship did he have with his twin brother Abel This book is not written as a rewrite of biblical Scripture or to create sympathy for Cain but written to explore his conceivable personality Here is the case for Cain You be the judge God Speaks Ray Comfort, 2013-06-13 Answers to Life's Questions From the Book of Job When pain or tragedy strikes the first question most of us ask is Why We're in good company The biblical book of Job tells the story of a man who lost everything his children his wealth and even his health and also wanted to know why Why should he a God-fearing man suffer so much Why did God allow it Job did not get the answer he expected In fact God began to ask questions of His own 70 questions to be exact And in His response to a grieving broken man we can catch glimpses of hope in the midst of our own suffering Join Ray Comfort as he journeys into Job's extraordinary story You'll find that when God Speaks He will transform you and forever change your perspective on suffering and faith **Introduction to Hardness of Heart** Andrew Wommack, **A Three-Fold Cord** Phillip Stuckemeyer, 2011-03-17 A Three Fold Cord is the culmination of a decade of study and teaching in seminar fashion on the progressive revelation of the Gospel of Jesus Christ God has planned to save sinners from before the beginning of time

and His redemptive purpose has been faithfully and consistently foretold by prophets and sages across the whole of human history The Three Fold message of the Blood the Water and the Spirit point us to the Death Burial and Resurrection of Messiah Salvation is a person and the gift of eternal life is available to all who believe the Gospel and lay hold on its timeless promises Believers and unbelievers alike rejoice when they give heed to the expert testimony of the One who cannot lie Phil's years of training experience have come together with his deep love of the Lord to bring forth a clear and engaging argument not for a punch my ticket salvation but for a practical transformational and enduring commitment to a victorious walk with Yeshua Unsure of God's love for you Read this book and be comforted Walking with Him Read and be blessed Dr Joel Orr Futurist Writer and Speaker Orr Associates International There is no greater message than the message of the gospel and there is no greater mandate than sharing it in a way that people can understand and grow to be disciples of Jesus Christ This book shares the powerful message of the death burial and resurrection by demonstrating the undeniable thread that is woven throughout both Testaments of Scripture Enjoy the message and the experience of the New Birth in Jesus Christ Pastor Buddy Thompson Life Church Richmond Virginia *The Bleeding Continent* Venatius Chukwudum Oforka, 2015-12-11 This book tells the story of the sorry state of Africa Although it acknowledges how Europe especially initiated and has surreptitiously maintained the ongoing predation on and the impoverishment of Africa its major attention is on Africa's self betrayal how Africa's political leaders and elites have contributed in the present predicament of Africa Beginning from the dishonourably sadistic roles some of the kings chiefs and elites of Africa played during the slave trade era to the predatory systems of governance many of their political leaders adopted after decolonisation and have maintained to date this book x-rays the internal factors that are also responsible for the poverty of Africa The author argues passionately consequently that only Africa can help Africa not foreign aid or any external intervention He stresses that unless the cannibalistic system of governance in many African states are reformed and systems that can stimulate and sustain economic growth adopted the disappearance of Africa is imminent
