Hard Questions Heart Answers:

Hard Questions, Heart Answers Bernice A. King, 1999-03-23 Bernice King the youngest daughter of Martin Luther King Jr and Coretta Scott King is an ordained minister an attorney and one of this country's most admired speakers As this remarkable collection of her sermons and speeches makes clear she shares with her father a rare gift for oratory and the wisdom and compassion to inspire others The collection begins with words designed to disturb the comfortable Tackling such controversial subjects as our disaffected youth gun control and the death penalty King paints a compelling picture of the spiritual decay and deep seated racism that infects our society In the second part of the book a selection of sermons focusing on comforting the disturbed King's belief in the power of faith to restore our communities morally and spiritually rings forth The church she asserts must return to its helping and healing mission and each of us looking into our hearts must put aside our differences and remember that each human life is precious *Tough Questions, Thoughtful Responses - Student's Guide*

Dr. Octavian Caius Obeada, *Tough Questions Thoughtful Responses Student's Guide* is a structured apologetics resource designed to help students thoughtfully engage the intellectual and emotional challenges of faith in today's skeptical world Suitable for both academic courses and ministry settings this guide provides Clear objectives and foundational concepts for each chapter Reflective questions that nurture both personal conviction and critical thinking Practical tools for applying apologetics to daily conversations and ethical dilemmas Biblical and theological grounding for addressing doubt and cultural resistance Insightful responses to contemporary issues in science philosophy and morality This guide is crafted not only to inform students but to shape them into confident compassionate defenders of the Christian faith equipped to live with clarity humility and gospel centered conviction in a complex world

E. D. Arrington, 2005-12-01 Secrets lurked amongst the small intimate group of family and friends secrets they hoped and prayed would never be revealed But when Jackson Pryce is murdered in the wee hours on that frosty Christmas morning the secret he kept about his investigation of the underground world emerges Then Jackson's handwritten notes fall into the hands of Detective Clay Stephens his friend and former partner Determined to find Jackson's murderer no matter where or to whom the road leads one by one Clay shines a light on all of their secrets Yet only one secret would bring all of their fragile worlds crumbling down Only one secret would wreak havoc over all of their lives Only one secret would keep them all living on the edge In time only one secret would break through for all to see It was destined to happen the question is when where and how Would it be Bridgette's decision to keep secret the large sums of money she had quietly withdrawn from her personal bank account or that she sneaked off the Estate to spend an evening with the one friend her husband so desperately tried to keep away from his pregnant wife Would it be David's and Agnes's decision to keep the question of their daughter's paternity a secret or that Jackson the man Bridgette knew as Uncle Jack and loved like a father had shared much more with her mother than just a close friendship Would it be Jeremy's decision to keep hidden the sordid secret of his mother Diana Robinson alias Sara White by claiming his parents were dead or his

night of lust and passion with his ex lover Fran McKenzie Would it be Megan s decision to keep hushed that she squandered away hundred of thousands of dollars from her trustfund in the casinos or waiting too late to disclose her relationship with another man Reginald Douglas *God’S Answers to Our Heart’S Compelling Questions—February* Givana M.

Ebony ,1997 **Theological Dialogue with Classical Pentecostals** Jelle Creemers,2015-09-24 The last two decades have witnessed the growing participation in theological dialogues of non institutional free church movements This poses a serious challenge to 21st century ecumenism since ecclesial realities and internal diversity of these movements impede fruitful dialogue in the classical manner The present volume addresses fundamental aspects of this challenge by a critical study of an exemplary case of such dialogues the International Roman Catholic Classical Pentecostal Dialogue 1972 2007 This unique study builds both on primary archival sources and on earlier research on the IRCCPD After providing an ecumenical profile of the Classical Pentecostal dialogue partner Creemers demonstrates how fair representation of the Classical Pentecostal movement has been pursued in the course of the dialogue Next he gives attention to the ecumenical method of the IRCCPD First the development of a dialogue method hinging on hard questions is traced which has allowed a balanced theological exchange between the dialogue

partners Regarding theological method it is demonstrated that both partners showed a willingness to experiment together by integrating sources of theological knowledge typically distrusted in their own traditions In conclusion the analyses are integrated in an overview of challenges and opportunities for dialogue with the Classical Pentecostal movement in the context of ongoing discussions on ecumenical method
