

# RECORD OF THE WEEK

Tony Glover interviews Hendrix back in the '60s

most recordings, many in tune or just more inspired renditions.

The bulk of the gigs were with the original Experience (Neil Young, bass; Mitch Mitchell, drums). Only

1968 around the second anniversary of the group. Hendrix had already recorded the three LPs released during his lifetime (all the rest were post-humous) as the material here gains

Auditorium, stalking the stage like a oriental panther, his hands spider-dancing on the strings as he cooed and clanged chords, thrills and screams from his guitar and stack of Marshall amps. Hendrix was a mind-blower as a musician and as a charismatic presence. (The men don't know, but the little girls understand.)

From the same Winterland set comes a lilting, aching version of the ballad "Little Wing." Hendrix often put down his singing voice, but, as proven here, there was no need; he was a fine, evocative vocalist. "Wild Thing" was the showcase number at Hendrix's American debut concert at the Monterey Pop Festival (he burned his guitar to climax the set). Here it gets a barker, more focused treatment, and is dedicated to "the girl in the third row with the yellow underwear."

"Voodoo Child" is Hendrix's updating of the traditional blues-bragging "I'm a Man" rouser. I once wrote that while Hendrix was a delta bluesman, the delta was on Mars. "Voodoo Child" is what I was talking about, with comic lyrics and blues-faced but extra-terrestrial guitar licks. Another gem in the blues-based mode is "Hear My Train A-Comin'," which explores some outer limits.

Two of the cuts are from a 1969 Albert Hall show. "Some Free" was an early English hit (remember, Hendrix was "discovered" and got his break in England after several years of wallfing in backup bands, statewide; the lyrics are more suitable here than in

any other version). Over repeated guitar choruses, Jimi builds pressure and intensity, running a nice set of dynamic changes, quoting from blues and flamenco styles. A virtuosic performance. "Wooding Heart" is a minor blues, but with delicate guitar trills piercing the heart of pain. A beautiful performance.

Three months later in San Diego, the group gave the last concert recorded before its breakup a month later. "I Don't Live Today" was an apocalyptic tune on the first LP; it culminates here in an incredible display of pyrotechnic guitar whoops and cries — a musical social commentary on the times. (Remember 1969?)

The remaining cuts are Billy Cox on bass. He may have been a friend of Jimi's (they were Army buddies), but he was a far uninspired as a player; he laid down a support line and that's about all. "Hey Joe" comes from the Berkeley concert that was filmed and released as *Jimi Plays Berkeley*. "Red House" dates from July, 1970, two months before Hendrix's death. This version is more focused and driving than a previous live take; again, it's a blues, but with Jimi's special touch. A fitting epitaph.

Hendrix chronicled turbulent times in sound. He painted definitive portraits of the '60s. For those who lived through them, this set will bring back feelings and memories. For those who didn't, *The Jimi Hendrix Concerts* will reveal why the man is an honored legend. ■

## VINYL DECISIONS

Chronic Town

Europe" / "Singing Still," a truly magnificent 12" slab of vinyl. That one
