Matthew R. T. France, 2004-10-08 This work by R T France is not intended to be a guide to all that has been written in recent years about Matthew Rather it is an extended introduction to Matthew designed for a non specialist readership France concentrates on those areas he finds most interesting and important for the appreciation of Matthew but he does touch on most major areas of discussion in Matthean studies Among other things France covers Matthew s place in the life of the church the order of the Gospels Matthew in the post apostolic church reasons for Matthew s preeminence Matthew in the modern church and literary relationships and the order of composition of the Gospels *Matthew: The Teacher's Gospel* Paul S. Minear, 2003-09-08 Most studies of Matthew have been oriented toward a recovery of the portrait of Jesus or toward strengthening faith in him in our time I have chosen a different orientation The focus of my attention is on the work of the Evangelist as a teacher and on his intended audience in the churches of the first century men and women who like many of us were charged with basic educational work among adult believers in Jesus Christ I hope that such an orientation may strengthen your sense of kinship both with the Evangelist who was a teacher and with his first readers who also were teachers From the Preface This insightful commentary on the Gospel of Matthew will help readers better understand the importance of this book of the New Testament Paul S Minear focuses on Matthew as a teacher in the early Christian church assesses Matthew s impact on Christians in the first century and examines the fascinating array of literary forms found in this Gospel Throughout the book aims at increasing comprehension of the distinctive and constructive theological stance of Matthew **Matthew** R [ichard] France, 1992 *Jesus as Teacher in the Gospel of Matthew* Charles L. Quarles, Charles Nathan Ridlehoover, 2023 Inspired by the work of Richard France and his highly influential *Matthew Evangelist and Teacher* Charles L Quarles and Charles Nathan Ridlehoover have gathered together a collection of works that argue for a re examination of the defining features of Jesus s role as a teacher in the Gospel of Matthew This volume suggests that while each of the Gospel writers display Jesus leading disciples along speaking to crowds and confronting Jewish authorities with effective and timely teachings Matthew s portrayal of Jesus as a teacher contains distinctives that deserve further exploration After examining Jesus s Old Testament and Second Temple influences and comparing his methods to the contemporary Greco Roman tradition the contributors explore Jesus s position as a teacher of faith and forgiveness and a trainer of scribes and analyse his relationship with several different apostles Including responsive essays and concluding with a summary of Jesus and Matthew himself as evangelists and teachers this journey through the aspects of Jesus s teaching ministry gives readers a more complete look at Jesus s vocation *Defeating Pharisaism* Gary Tyra, 2009-09-28 Gary Tyra s constructive study of the Sermon on the Mount seeks to revitalize discipleship by exposing and rooting out the modern incidence of Pharisaism legalism dogmatism separatism judgmentalism etc among evangelical churches today *Five Views on Law and Gospel* Greg L. Bahnsen, Walter C. Kaiser, Jr., Douglas J. Moo, Wayne G. Strickland, Willem A. VanGemeren, 2010-09-21 An

introduction to a complex theological issue that impacts our daily lives as believers in Christ What is the relevance of the Old Testament Law to our understanding of the Gospel and how it should be lived This book explores five major approaches to this important biblical topic as they've developed in Protestant circles Non Theonomic Reformed View the law is the perfection of righteousness in Jesus Christ Theonomic Reformed View the goodness of the law is dependent on how it's used and does not offer a way to salvation Heavily focused on Paul's discussion of the Law Law as Gracious Guidance View emphasizes the contrasts between the Mosaic law and the Gospel of grace while still asserting the Law's value Dispensational View approaches the Law from a historical perspective to help us understand its presentation treatment and recipients Modified Lutheran View the Law of Christ as the fulfillment of the Law of Moses This book allows each contributor to not only present the case for his view but also to critique and respond to the critiques of the other contributors allowing you to compare their beliefs in an open forum setting to see where they overlap and where they differ The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

[A Theology of Matthew's Gospel](#) Michael J. Wilkins, 2025-10-07 A Theology of Matthew's Gospel develops the perspective that Matthew wrote his Gospel to identify defend and proclaim Jesus Immanuel God with us as the Davidic Messiah who fulfilled the OT expectations of humanity's redemption Matthew's Gospel establishes Jesus's identity as the heir to the promises of Israel's throne through King David and heir to the promises of blessing to all the nations through the patriarch Abraham 1:1 So this first Gospel offers evangelistic hope in Jesus's message of the gospel to Jews contending that they should turn to Jesus as their long awaited Messiah Matt 11:2-6 But strikingly Matthew's Gospel also offers evangelistic hope to Gentiles emphasizing that salvation through Jesus Messiah is available to all the nations 28:19 The book emphasizes the three horizons that comprise Matthew's gospel history theology and literature The first horizon focuses on Jesus's history ministry Here Matthew provides for us a record of God's activities in history in the arrival of Jesus Messiah and the kingdom of heaven The second horizon develops Matthew's theological perspective for his audience's Here we attempt to understand and isolate Matthew's unique theological perspective of God's activities in Jesus Messiah This is a central focus emphasizing Matthew's theological perspective of the Old Testament Christology the kingdom of heaven discipleship the Church church Israel past present and future the death and resurrection of Jesus mission commission and eschatology eternity The third horizon emphasizes today's reader's engaging with Matthew's Gospel as literature Here we attempt to capture the significance of the perspective of today's reader's understanding of Jesus Messiah's activities in history and Matthew's theological perspective for the contemporary church In this book we view Matthew's perspective of God's activities in Jesus's unfolding earthly ministry The alternating sections of narrative and discourse provide for his readers Jesus's example to follow and Jesus's words to obey Therefore Matthew's Gospel is at least in a part a

manual on discipleship to Jesus Messiah in the kingdom of heaven In the six Narratives Matthew reveals Jesus's true identity in his deeds and introduces themes that will lead to instructions to Jesus's disciples in the Discourses The six Narratives provide the example that Jesus's disciples are commanded to obey In the five Discourses Matthew records Jesus's instructions commands parables directives and prophecies that will guide his followers in their discipleship to Jesus until the end of the age Combined the narratives of Jesus's life provide Jesus's example to follow and the discourses give Jesus's instructions to obey and are the basis of our ongoing transformation to become like Jesus

*A Biblical-Theological Introduction to the New Testament* Michael J. Kruger, 2016-05-31 Introductions to the New Testament often take a defensive stance focusing on historical critical issues but failing to address the interests and needs of pastors and Bible teachers However with an emphasis on the theology key themes and overall message of each book in the New Testament this collaborative effort of nine biblical scholars takes a more positive and pastorally relevant approach Written from a distinctly Reformed covenantal and redemptive historical perspective this theologically rich expositional resource will equip readers to study and teach each book in the New Testament with clarity and insight

**A Thematic Access-Oriented Bibliography of Jesus's Resurrection** Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of

Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

**The Authenticity of the Parable of the Wheat and the Tares and Its Interpretation** Ramesh Khatry, 2000-07 This thesis seeks to demonstrate the authenticity as dominical teaching of the parable of the darnel Mt 13 24 30 and its interpretation Mt 13 36 43 The interpretation in particular is almost universally regarded as non dominical notably by J Jeremias and his followers My thesis argues that the whole of Mt 13 36 43 and Mt 13 24 30 should be seen as dominical The introduction gives a brief survey of parabolic studies and outlines the case against the authenticity of Mt 13 24 30 36 43 Chapter AI defends the authenticity of the parable Mt 13 24 30 The following chapters do the same for the interpretation Mt 13 36 43 looking at the Son of Man and related teaching chapter BI the kingdom of God BII righteousness and lawlessness BIII and other motifs BIV and finally the question of the coherence of the parable and its interpretation BV My approach has been negatively to demonstrate the weakness of the scholarly arguments against authenticity and positively to offer a case for authenticity via a a study of background including special study of the rural Palestinian practices and of relevant Jewish theological ideas and b a careful use of the criterion of multiple attestation which demonstrates that our material is linguistically and theologically coherent with other well attested Jesus tradition The originality of the work lies apart from anything else in the fact that a full length defence of the authenticity of Mt 13 24 30 36 43 has not been attempted before But we have also brought to bear various insights canvassed in other contexts but not specifically in connexion with Mt 13 24 30 36 43 e g suggesting a background to the Son of Man tradition in Ezekiel and the Similitudes of Enoch making use of the Old Testament concept of God as farmer explaining the agricultural background to the parable and interpretation

**Majority World Perspectives on Christian Mission** Nico A. Botha, Eugene Baron, 2022-05-12 It affords us real pleasure to present this editorial on behalf of the Majority World Christian Leaders Conversation MWCLC The MWCLC started slowly but surely since 2016 following a groundbreaking conversation among eleven mission practitioners from the Majority World who met in the United Kingdom somewhere between London and Oxford At the meeting several themes emerged under the banner of missionary questions and impulses of the Majority World from the perspective of the reign of God These themes and more find reflection in the book However before proceeding to the content of the anthology a note on the concept Majority World seems necessary The time where terms like Third World gained strong currency is long since gone The term Majority World is a new kid on the block and requires some clarification The use of the term is a strategy of avoiding concepts like Developing or Third World or even Global South which are pejorative in a real sense To speak of the Majority World is geographically accurate in that Africa Asia and Latin America are included

*The Torn Veil* Daniel M. Gurtner, 2006-12-21 In this 2006 text Daniel M Gurtner examines the meaning of the rending of the veil at the death of Jesus in Matthew 27 51a by considering the functions of the veil in the Old Testament and its symbolism in Second Temple and Rabbinic Judaism Gurtner incorporates these elements into a compositional exegesis of the rending text in Matthew He concludes that the rending of the veil is an apocalyptic assertion like the opening of heaven revealing in part end time images drawn from Ezekiel 37 Moreover when the veil is torn Matthew depicts the cessation of its function articulating the atoning role of Christ's death which gives access to God not simply in the sense of entering the Holy of Holies as in Hebrews but in trademark Matthean Emmanuel Christology God with us This underscores the significance of Jesus atoning death in the first gospel
