**The Beatitudes** Christopher J. Mertens, 1901 Mankind is created in the image and likeness of God for the purpose of sharing in the Divine Life and participating in the blessedness of the infinite glory and goodness of the Holy Trinity This Beatific Vision is not seeing God in His essence but rather seeing God by possessing Him within oneself Communion with God is attained through the cooperation of the divine and human will whereby the follower of Jesus Christ puts on Christ through the sacraments of the Church and imitates the life of Christ through the sanctifying work of the Holy Spirit to the glory of God the Father Amen Jesus describes in the opening words of His Sermon on the Mount all that produces beatitude The very intent of the Beatitudes is to issue the Father's divine call for man to enter in the blessedness of the Divine Life Therefore the Beatitudes illuminate the pathway to theosis deification or divinization which is a journey of eternal progress in the virtuous life by which a perpetual transformation is made into the likeness of God from glory to glory The Scriptures and the patristic writings of the Church Fathers provide the theological foundation of this book the objective of which is to provide a guide for the soul to consciously advance in the spiritual life toward the divine goal of theosis in a step by step concrete way Dr Christopher J Mertens is a deacon in the Antiochian Orthodox Christian Archdiocese of North America He serves at the parish of Saint Basil the Great in Hampton Virginia He received a master's degree in Applied Orthodox Theology from the Antiochian House of Studies in partnership with the Saint John of Damascus School of Theology of the University of Balamand in the Republic of Lebanon under the aegis of the Greek Orthodox Patriarchate of Antioch He is a Knight of the Order of St Ignatius of Antioch He holds a PhD in Physics from the Georgia Institute of Technology and is a Senior Research Physicist at NASA Langley Research Center in Hampton Virginia His areas of research are space weather and geospace environment modeling galactic and solar cosmic rays space and atmospheric ionizing radiation and dosimetry He has published over 100 peer reviewed journal articles on his scientific research He is a recipient of the NASA Exceptional Scientific Achievement Medal and numerous

Pentiuc,2014-04 This book examines the receipt transmission and interpretation of the Old Testament in the Eastern Orthodox tradition Looking at the various ways Orthodox Christians sought to assimilate the Old Testament in the spiritual liturgical and doctrinal fabric of their faith community Pentiuc pays special attention to liturgy iconography monastic rules and canons conciliar resolutions and patristic works in Greek Syriac and Coptic      **Insanity!** Kerry D. McRoberts,2018-04-12 By redefining terms and language the far left controls discourse and alters Western civilization even to the extreme of exchanging that which was formerly nearly universally condemned for what is now nearly universally celebrated the almost total desecration of the created order Rom 1 18 32 And those who refuse to celebrate are threatened with the loss of their business their home and life s savings Virtually everything formally considered right and true sane and decent are now exchanged for inhuman indecent pagan values Our nation s nearly universal refusal to acknowledge God has resulted in our alienation from God and our lawless insanity This book is not intended to condemn America but to restore sanity and civility to the greatest nation on earth through a minority of united faithful and courageous believers in whose lives the Sermon on the Mount takes narrative form      **The Diet of John the Baptist** James A. Kelhoffer,2005 James A Kelhoffer offers a comprehensive analysis of Mark 1 6c par Matt 3 4c in its socio historical context the Synoptic gospels and subsequent Christian interpretation The first chapter surveys various anecdotes about John s food in the Synoptic gospels and notes that there has never been a consensus in scholarship concerning John s locusts and wild honey Chapters 2 and 3 address locusts as human food and assorted kinds of wild honey in antiquity Chapter 4 considers the different meanings of this diet for the historical Baptist Mark and Matthew

Contemporary anthropological and nutritional data shed new light on John's experience as a locust gatherer and assess whether these foods could have actually sustained him in the wilderness. The last chapter demonstrates that the most prevalent interpretation of the Baptist's diet from the third through the sixteenth centuries hails John's simple wilderness provisions as a model for believers to emulate.

*The Art of Contextual Theology* Victor I. Ezigbo, 2021-05-28 Christianity has an inherent capability to assume as its novel mode of expression the local idioms, customs, and thought forms of a new cultural frontier that it encounters. As a result, Christianity has become multicultural and multilingual. What is the role of theology in the imagination and articulation of Christianity's inherent multiculturalism and multi-vernacularity? Victor Ezigbo examines this question by exploring the nature and practice of contextual theology. To accomplish this task, this book engages the main genres of contextual theology, explores echoes of contextual theological thinking in some of Jesus's sayings, and discusses insights into contextual theology that can be discerned in the discourses on theology and caste relations, Dalit theology, theology and primal cultures, African theology, and theology and poverty.

The New World of Jesus' Parables Markus Locker, 2008-12-18 Not too many other texts in biblical studies received more attention than the parables of Jesus, in fact raising the question whether or not we need yet another book on this subject. The answer to this question will always remain an emphatic yes. For Jesus and the church, the parables are mysteries, i.e., not beyond understanding but open to an infinite possibility of meaning. This perhaps explains why more than a century after Adolf J. Lichner convincingly argued for a non-allegorical reading of the parables, this quest is far from over. Notwithstanding their significant metaphorical force, this book will attempt to shed new light on the parables in understanding and reading these short stories as speech events.

J. G. Hamann and language games

L. Wittgenstein: Parables do not primarily signify abstract truths but illustrate a world reminiscent of God's kingdom. Engaging in the parables therefore does not simply evoke thought processes but actively calls readers into participating in the unfolding events pictured by the text, hereby joining in actions that seek to establish the kingdom of God as envisioned through the words of Jesus. Reading and interpreting the parables as language games renders these stories accessible to questions of faith that could not be asked previously. Why does a man without wedding garment face expulsion from the banquet? Why are wise virgins rewarded by not sharing their oil? Why is anxiety and caution severely punished and financial risk-taking awarded? Understanding Jesus' parables as pictures of a world reigned by God yet in need of redemption, and our collaboration will remove these texts from the pedestal of enigma and obscurity, placing them into the hands of the faithful reader.

The Spirit and the Lake of Fire Rustin Umstattd, 2017-06-28 The Holy Spirit and the Lake of Fire: What does the Spirit have to do with God's final judgment? The Holy Spirit and God's judgment upon sin are not two topics that are often connected but to understand the full work of the Spirit, they need to be. It is not enough to view judgment as the work of just the Father and the Son but in full Trinitarian fashion it must be understood as the work of all three persons of the Trinity. In *The Spirit and the Lake of Fire*, Rustin Umstattd establishes the

Spirit's role in judgment by connecting several symbols that are used for both the Spirit and judgment such as fire God's breath and God's arm Furthermore by examining Augustine's position that the Spirit is the mutual love of the Father and the Son and Luther's position that God's wrath is the underside of his love Umstadtd demonstrates how one comes to the conclusion that the Spirit is operative in God's judgment upon sin In Search of the City on a Hill Richard M. Gamble,2012-05-31 The American history of the city on a hill metaphor from its Puritan beginnings to its role in Reagan's American civil religion and beyond The Baptism of Jesus the Christ Ralph Allan Smith,2010-04-05 The baptism of Jesus by John the Baptizer is one of the theologically richest narratives in the Gospels touching the transition from the old to the new covenant the doctrines of water and Holy Spirit baptism and the doctrine of the Trinity to name only the most significant of topics In The Baptism of Jesus the Christ Ralph Allan Smith addresses each of these areas aiming in particular to respond to James D G Dunn's view that Jesus baptism and the gift of the Spirit are fundamentally distinct events to revive John Calvin's view of the baptism of Jesus as central to understanding Christian baptism and to suggest directions for re thinking the doctrine of God's attributes in the light of the fully personal interaction of Father Son and Spirit reflected in the baptismal narrative Four Mountains Michael Niebauer,2025-06-11 Encounter Jesus on every page of the Bible Encounter Jesus on every page Read the Bible holistically and simply Learn from the early church How can war stories farming proverbs and strange visions draw you closer to Jesus In Four Mountains Encountering God in the Bible from Eden to Zion Michael Niebauer shows how to see the Bible's big story and meet with God in his word Four mountain top encounters with God Eden Sinai Tabor and Zion unify the Bible's grand story The earliest Christians read Scripture with attentiveness to symbols and images like mountains and trees Learning this method of reading helps us connect seemingly disparate stories and encounter God in his word Gospel rich and Scripture saturated Four Mountains reveals how we can see Jesus on every page Open my eyes that I may see the wondrous things of your law Psalm 119 18 New Coverdale Psalter **The Christian Gospel and Its Jewish Roots** Joseph Mali,Joseph F. Mali,2009 The Christian Gospel and Its Jewish Roots goes against the tendency to interpret Scripture in ways that separate Christianity and Judaism Through a redaction critical analysis of the two sayings on the new and the old Mark 2 21 22 the author argues that Mark does not leave his readers with a complete break between Jesus and his Jewish heritage Rather the Evangelist opens a ray of hope that the gospel and its Jewish soil are ultimately reconcilable not fatally antagonistic With thorough and incisive study this work reaches the conclusion that standing at the literary center of the controversy series Mark 2 1 3 6 the location of the two sayings on new and old Mark 2 21 22 corresponds to their function of making a condensed statement for Mark the Evangelist of the meaning and impact of the whole conflict section Loving Our Enemies Through Seasons of Bitterness Lex Kohn,2025-06-30 In a nation crumbling under the weight of bitterness where government is the people's god the way through is neither legislation nor activism but loving the least loveable A study of internet influence conflict theory and nineteenth century wisdom reveals that people do

not have to solve their disagreements if they can relearn how to love their enemies as Christ commanded This book highlights courageous men and women of faith from biblical times up through the present who obeyed this commandment the Scriptures they followed and how they managed it so that people today too might learn to substitute love instead of bitterness Isaiah 1-39 Steven A. McKinion, Thomas C. Oden, 2014-02-19 For the early church fathers the prophecy of Isaiah was not a compendium of Jewish history or theology but an announcement of the coming Messiah fulfilled in the life and ministry of Jesus of Nazareth In this ACCS volume readers will find commentary on Isaiah 1 39 ranging from East to West and from the first through the eighth centuries **The Third Person of the Trinity** Zondervan, 2020-12-01 A Fresh Look at the Holy Spirit Recent decades have recognized pneumatology the theology of the Holy Spirit as a critical component in Christian thought worthy of increased attention While scholarly discussion about the Spirit is both creative and lively it does sometimes occur in outlying areas of doctrine and practice rather than within its context of the doctrine of God The Third Person of the Trinity represents the proceedings of the 2020 Los Angeles Theology Conference which examined pneumatology as a core component of the doctrine of the Trinity offering constructive proposals for understanding the doctrine of the Holy Spirit with theological and historical depth ecumenical scope and analytic clarity The twelve diverse essays in this collection include discussions on Understanding the Holy Spirit s presence in creation The mystery of the Trinity and the procession of the Spirit An exploration of a Black American pneumatology of freedom Exploring pneumatology alongside sorrow and suffering Each of the essays collected in this volume engage with Scripture as well as with others in the field theologians both past and present from different confessions in order to provide constructive resources for contemporary systematic theology and to forge a theology for the future
