Editorial: In the January 1999 issue of *Health Affairs*, we published a special section on the topic of "The Future of Health Care." The section was edited by Dr. David Asch, and it contained a number of articles that were both thought-provoking and informative. One of the articles, by Dr. David Asch and Dr. Robert Wachter, was particularly interesting. It discussed the challenges of managing the future of health care, and it provided a number of suggestions for how to address these challenges. The article was well-written and easy to read, and it provided a number of useful insights into the future of health care. We were very pleased to have it in the January 1999 issue of *Health Affairs*, and we hope that it will be of interest to our readers.
