Gods Design A Focus On Old Testament Theology

Christopher J. H. Wright

Gods Design A Focus On Old Testament Theology:

God's Design, 4th Edition Elmer Martens, 2015-11-11 How does one summarize the thirty nine books of the Old Testament How might one determine the message of the Old Testament with others This book attempts an answer to these questions The answer is taken from a single Scripture passage Exodus 5 22 6 8 which is here considered a theological Table of Contents for the Old Testament In addition to such topics as Deliverance Community and Experiencing God the book has an extended discussion on Land a subject which deals with a wide range of interests but which only rarely receives attention in books on biblical theology The current edition features reflections and a set of discussion questions following each of the seventeen chapters a boon for university and seminary teachers and students and of large help for church study groups

God's Design E. A. Martens, 1981 Old Testament Theology E. A. Martens, 1997 In Old Testament Theology Elmer Martens provides an annotated listing of the most important and helpful works in the field carefully navigating students through the maze of existing literature Old Testament Theology Paul R. House, 2012-11-30 Paul R House provides a comprehensive theology of the Old Testament carefully exploring each Old Testament book thematically summarizing its content and showing its theological significance within the whole of the Old Testament canon Student friendly and useful to a wide audience this impressive work has proved a profitable read for many **Old Testament Theology** Ben C. Ollenburger, 2004 In this extensively revised and updated edition of The Flowering of Old Testament Theology Professor Ollenburger provides help for beginning theological students who are frequently overwhelmed by the proliferation of volumes dealing with Old Testament theology to say nothing of the variety of approaches used in these works This textbook has been re issued with a new title Old Testament Theology Flowering and Future Selected essays include key theological statements of Otto Eissfeldt Walther Eichrodt Theodor C Vriezen George E Wright Gerhard von Rad Walther Zimmerli John L McKenzie Ronald E Clements Walter C Kaiser Jr Samuel L Terrien Claus Westermann Brevard S Childs Rolf Knierim Horst D Preuss Walter Brueggemann Paul R House Bernhard W Anderson Erhard S Gerstenberger Hartmut Gese Phyllis Trible Jon D Levenson John H Sailhamer Gunther H Wittenberg James Barr R W L Moberly and Mark G Brett An appendix contains Johann P Gabler's 1787 seminal essay on biblical theology An extensive bibliography and indexes of authorities and Scripture references conclude the volume Publisher Old Testament Theology Robin Routledge, 2020-05-21 Numerous useful books on Old Testament theology are now available However they often give too much information or too little Some can seem large and daunting to the ordinary student or pastor and because of their layout information may be hard to access Others take a more introductory approach and do not deal with many of the theological issues and questions that the Old Testament raises Robin Routledge's aim is to bridge this gap He provides a substantial overview of the central issues and themes in Old Testament theology in the main body of the text with more detailed discussion and references for further reading in the footnotes His purpose is to examine the theological significance of the various texts in their wider canonical context noting

unity and coherence within the Old Testament and to some extent between the Old and New Testaments whilst also being aware of diversity A brief outline of the relationship between exegesis and biblical theology within the overall task of interpreting and applying biblical material is given in the first chapter His hope as a Christian minister is that while this volume has grown out of a teaching context and is intended for students it will also be of benefit to others who want to take the theological content of the Old Testament seriously and to apply its message to the life and ministry of the church today

The Old Testament in the Life of God's People Jon Isaak, 2009-06-30 This book celebrates the contributions to Old Testament theology of Elmer A Martens President and Professor of Old Testament at Mennonite Brethren Biblical Seminary Fresno California both positions now Emeritus It includes 3 essays written by Martens himself as well as 15 others written by his former students colleagues friends and even one of his professors The essays are clustered around three topics Christians use of the Old Testament aligning God's people with God's call for justice and addressing the issue of land in the life of God's people each of which reflects an area of special interest to Martens A biographical sketch a list of the honoree's varied publications and indexes are included Martens has had a productive career as teacher author and preacher a career spanning almost six decades and five continents After 40 years of seminary teaching Elmer is known to many as professor He taught his signature class Old Testament theology from 1968 to 2004 at Mennonite Brethren Biblical Seminary shaping an entire generation of preachers and Bible teachers His Old Testament theology textbook *God's Design* now in its third edition continues to be used at the seminary as well as in translation in numerous other schools around the world

A Theological Approach to the Old Testament Leslie Tonkin Allen, 2014-09-26 The Old Testament has two great themes creation and covenant They embrace subthemes wisdom in the case of creation Israel's religion and the Davidic covenant under the general umbrella of covenant and internationalism which mostly develops the theme of covenant and partly the theme of creation These topics cluster around a common center Yahweh the God of the Old Testament This God is portrayed in different roles which have attached to them role expectations for both Yahweh and those with whom he assumes relationship Through contextual exegesis of key texts we come to understand these roles and associated themes While the Old Testament has its own distinctive contributions to make to divine revelation much of its material is reused in the New Testament to explain and validate the New Testament message By concentrating on the Old Testament we learn to appreciate the enormous debt the New Testament owes to the Old in clarifying New Testament theological and moral perspectives

A Guide to Contemporary Hermeneutics Donald K. McKim, 1999-05-25 Acknowledging that hermeneutics has become an increasingly important major focus in theological study Donald McKim's *A Guide to Contemporary Hermeneutics* presents a series of essays by various writers assessing current hermeneutical approaches and methods of biblical hermeneutics from their own personal experience

God's People in God's Land Christopher J. H. Wright, 1990 In recent sociological approaches to the Old Testament Christians have been finding unexpected resources for their ethical reflection and action

relative to the modern world's pressing social and economic dilemmas This unique survey by Christopher Wright examines life in Old Testament Israel from an ethical perspective by considering how the economic facts of Israel's social structure were related to the people's religious beliefs Observing the centrality of the family in social economic and religious spheres of Israelite life Wright analyzes Israel's theology of land the rights and responsibilities of property owners and the socioeconomic and legal status of dependent persons in ancient Israel wives children and slaves showing the mutual interaction between such laws institutions and customs and the nation's covenant relationship with God While primarily exegetical God's People in God's Land contains many useful insights for Christian social ethics Wright suggests how the ethical application of his findings might proceed as Christians with different theological perspectives and cultural contexts seek to work out the relevance of the Old Testament for today

The Message of Humanity Ian W. Payne, 2025-02-20

Who do humans think they are A cacophony of answers in the face of global challenges like climate change artificial intelligence racism nationalism terrorism feminism abortion gene therapy gender constructivism shows we do not agree To a deeply divided despondent world the Bible speaks today about the human condition and destiny by pointing us to Jesus Christ the true human the image of God Ian Payne's conviction is that the most important answer to the question of humanity is God He expounds a comprehensive selection of Old and New Testament passages and examines a range of issues in being human today The book is structured in three parts following the biblical narrative Part 1 Created in the image of God Part 2 Image of God renewed in Christ Part 3 Issues in being human This biblical theology shows that hope and meaning for humans are found in remembering and trusting God's gift of life and goal of redemption and restoration With an integrated study guide this book is perfect for personal and group study and preachers application of the passages covered

The Mission of God

Christopher J. H. Wright, 2025-10-21 Tackle Key Questions from the Past Two Decades in this Fully Updated Edition Engage with the latest scholarship on the biblical theology of mission and missional hermeneutics with Christopher J H Wright's classic text now fully revised and updated Most Christians would agree that the Bible provides a basis for mission But Christopher Wright boldly maintains that there is a missional basis for the Bible itself The entire Bible is generated by and is all about God's mission In order to understand the Scriptures we need a missional hermeneutic an interpretive perspective in sync with the beating heart of its great mission Wright gives us a new hermeneutical perspective on Scripture through an understanding of Who God is What he has called his people to be and do How the nations fit into God's mission In this revised edition of The Mission of God Wright extends his classic discussion to consider the ways that the conversation on missional hermeneutics has developed since its original publication With fully updated citations and additional chapters focused on gospel centered holistic mission and on the issue of election and supersessionism this new edition addresses the questions criticisms and insights that have emerged during the intervening two decades God's mission is to reclaim the world and God's people have a designated role to play Whether you're a pastor scholar or student The Mission of God will benefit your

understanding of how the Bible shapes the story and purpose of God's people **Exodus 18** Noppawat Kumpeeroskul,2024-07-05 This work argues that Exod 18 1 27 functions literarily and theologically as the key transitional midpoint in the Exodus narrative As such the chapter's function is both retrospective recalling key features of chapters 1 17 and prospective anticipating key features of chapters 19 40 at the midpoint of the book In the Exodus narrative the character of Jethro is rhetorically employed by the narrator as a model to contrast with all the nations and as a model to contrast with all the faithless Israelites Exodus 18 draws to a close a first narrative movement in the first half of the book in which Yahweh is seen and known through his mighty acts of deliverance Through Moses Yahweh delivers Exodus 18 also signals a shift in the second half of the book to a self revelation of Yahweh which will feature Israel's need to heed the word and will of Yahweh as mediated through Moses Through Moses Yahweh will govern The Book of the Twelve ,2020-08-10 This commentary written from a distinctively Pentecostal perspective is primarily for pastors lay persons and Bible students It is based upon the best scholarship written in popular language and communicates the meaning of the text with minimal technical distractions The authors offer a running exposition on the text and extended comments on matters of special significance for Pentecostals They acknowledge and interact with alternative interpretations of individual passages This commentary also provides periodic opportunities for reflection upon and personal response to the biblical text

Dictionary of the Old Testament: Pentateuch T DESMOND ALEXANDER,DAVID W BAKER,2020-05-21 The Dictionary of the Old Testament Pentateuch is the first in a four volume series covering the text of the Old Testament Following in the tradition of the four award winning IVP dictionaries focused on the New Testament and its background this encyclopedic work is characterized by close attention to the text of the Old Testament and the ongoing conversation of contemporary scholarship In exploring the major themes and issues of the Pentateuch it informs and challenges its readers with authoritative overviews detailed examinations and new insights from the world of the ancient Near East The Dictionary of the Old Testament Pentateuch is designed to be your first stop in the study and research of the Pentateuch on which the rest of the Bible is built **Introduction to the Old Testament, set of four books (Prophetic, Poetic, Pentateuch, Historical)** C. Hassell Bullock,David Howard Jr.,Herbert Wolf,2007-09-01 This package contains all four books of An Introduction to the Old Testament set An Introduction to the Old Testament Historical Books An Introduction to the Old Testament Poetic Books An Introduction to the Old Testament Prophetic Books and An Introduction to the Old Testament Pentateuch In An Introduction to the Old Testament Historical Books incredible events amazing love stories larger than life personalities and deep theological implications and themes are just part of the treasure that awaits readers These books tell the story of the nation of Israel and the God who loves her punishes her and always brings this recalcitrant people back to Himself In An Introduction to the Old Testament Poetic Books C Hassell Bullock a noted Old Testament scholar delves deep into the hearts of the five poetic books offering readers helpful details such as hermeneutical considerations for each book

theological content and themes detailed analysis of each book and cultural perspectives In An Introduction to the Old Testament Prophetic Books C Hassell Bullock presents a clear picture of some of history s most profound spokesmen the Old Testament prophets and the God who shaped them Our generational distance from the age of the prophets might seem to be a measureless chasm Yet we dare not make the mistake of assuming that passing years have rendered irrelevant not only the Old Testament prophets but also the God who comprehends spans and transcends all time In An Introduction to the Old Testament Pentateuch Old Testament expert Herbert Wolf provides layreaders and scholars alike with a strong undergirding of understanding and knowledge in this introduction that reveals both the seriousness and excitement of the Pentateuch

Old Testament Survey William Sanford LaSor,David Allan Hubbard,Frederic William Bush,1996-09-03 McKenna and William B Nelson Jr *Genesis* James McKeown,2008-03-03 In this commentary James McKeown treats Genesis as a book of beginnings and a foundational sourcebook for biblical theology He begins with exegesis of the Hebrew text highlighting the recurrence of key words phrases and themes throughout the book He also draws attention to passages particularly pertinent to earlier readers either facing or returning from exile offering a historical context outside a solely Christian perspective The second half of the book unpacks the numerous theological horizons of Genesis main unifying themes descendants blessing land key theological teachings of Genesis creation fall character and image of God life of faith and the contribution of Genesis to theology today including its impact on science ecology and feminist theology McKeown s *Genesis* provides a solid examination of a scriptural book that reflects the struggles and hopes of its readers ancient and modern and offers encouragement for their walk with God

An Introduction to the Old Testament John Goldingay,2015-10-01 Enter the classroom of John Goldingay one of today s premier biblical interpreters and begin the adventure of exploring the Bible s First Testament More workbook than handbook this refreshing introduction to the Old Testament outfits you with basic knowledge points out the main approaches outlines the primary issues and then sets you loose to explore the terrain for yourself

The Self-Donation of God Jack D. Kilcrease,2013-03-20 In *The Self Donation of God* Jack Kilcrease argues that the speech act of promise is always an act of self donation A person who unilaterally promises to another is bound to take a particular series of actions to fulfill that promise Being that creation is grounded in God s promising speech the divine human relationship is fundamentally one of divine self donation and human receptivity Sin disrupts this relationship and therefore redemption is constituted by a reassertion of divine promise of salvation in the face of the condemnation of the law Gen 3 15 As a new and effective word of grace the promise of a savior begins the process of redemption within which God speaks forth a new narrative of creation In this new narrative God gives himself in an even deeper manner to humanity By donating himself through a promise first to the protological humanity and then to Israel he binds himself to them At the end of this history of self binding God in Christ enters into the condemnation of the law neutralizes it in the cross and brings about a new creation through his omnipotent word of promise actualized in the resurrection

When people should go to the books stores, search foundation by shop, shelf by shelf, it is in fact problematic. This is why we present the books compilations in this website. It will entirely ease you to look guide **Gods Design A Focus On Old Testament Theology** as you such as.

By searching the title, publisher, or authors of guide you in reality want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be all best area within net connections.
