Going Local Going Local

Colin Hines

Going Local Going Local:

Going Local John Pierson, 2007-09-12 *Going Local* explains how social workers can develop approaches to neighbourhood work engage with users and their locality and contribute to strengthening local communities and how these principles work out in practice in specific services

Going Local Michael Shuman, 2013-06-17 National drug chains squeeze local pharmacies out of business while corporate downsizing ships jobs overseas All across America communities large and small are losing control of their economies to outside interests *Going Local* shows how some cities and towns are fighting back Refusing to be overcome by Wal Marts and layoffs they are taking over abandoned factories switching to local produce and manufactured goods and pushing banks to loan money to local citizens Shuman details how dozens of communities are recapturing their own economies with these new strategies investing not in outsiders but in locally owned businesses

Going Local Merilee S. Grindle, 2009-03-09 Many developing countries have a history of highly centralized governments Since the late 1980s a large number of these governments have introduced decentralization to increase democracy and improve services especially in small communities far from capital cities In *Going Local* an unprecedented study of the effects of decentralization on thirty Mexican municipalities Merilee Grindle describes how local governments respond when they are assigned new responsibilities and resources under decentralization policies She explains why decentralization leads to better local governments in some cases and why it fails to in others Combining quantitative and qualitative methods Grindle examines data based on a random sample of Mexican municipalities and ventures into town halls to follow public officials as they seek to manage a variety of tasks amid conflicting pressures and new expectations Decentralization she discovers is a double edged sword While it allows public leaders to make significant reforms quickly institutional weaknesses undermine the durability of change and legacies of the past continue to affect how public problems are addressed Citizens participate but they are more successful at extracting resources from government than in holding local officials and agencies

accountable for their actions The benefits of decentralization regularly predicted by economists political scientists and management specialists are not inevitable she argues Rather they are strongly influenced by the quality of local leadership and politics

Global Goes Local Timothy J. Craig, Richard King, 2010-10-01 Cheap mechanical and satellite transmissions have made a predominantly North American culture available to a global audience Does this mean that rock n roll soap opera reruns and professional wrestling will destroy Asian traditions and leave Asian nations to produce nothing but imitations of a shallow hedonistic alien culture Far from it In *Global Goes Local* international scholars from a variety of disciplinary perspectives examine different forms of popular culture in Asia Covering topics from pop music in Korea to TV commercials in Malaysia this collection shows how imported cultural forms can be invested with fresh meaning and transformed by local artists to result in new forms of assertion and resistance that also meet the needs of their particular audiences *Global Goes Local* addresses significant questions being considered by scholars of popular culture and offers case studies of how culture

suffers survives or prospers in Asian communities in an age of global communication **Talk Pidgin; Speak English: Go Local; Go American** Wayne Kiyosaki, 2014-05-13 Deeply traditional in their thinking but inherently pragmatic by nature Japanese immigrants in Hawaii were driven by conviction to unite under the mantra For the Sake of the Children to commit to raising their island born children as full fledged Americans irrevocably committed to America's highest ideals

Happy-Go-Local Linsly Donnelly, 2010-02-18 CSAs or farmers markets Upcycling or freecycling Carpools or staycations All of the above They're all great choices but how do you decide where your family's time and energy is best spent In Happy Go Local Linsly Donnelly shares countless ideas from her own experience in living locally to help you raise a happy and sustainable family From community swaps to cooking co-ops her approachable step by step style will inspire you to make changes that bring your family neighborhood and town together one compost pile at a time Featuring interviews and tips from professionals in the sustainable movement this all in one guide takes the guesswork out of living locally and is one item you won't want to recycle Breaking Through the Noise Matthew Eshbaugh-Soha, Jeffrey Peake, 2011-08-15 This book explores how presidential leadership of the public most typically occurs through leadership of the news media GO AFTER YOUR DREAMS Dr. Margaret Curlew, 2019-07-07 Did you have big dreams growing up How many of those dreams have you worked on How many have you accomplished 1 2 5 or none And why is that In this inspirational book you will learn To own your brilliance Embrace your failures as they are stepping stones to your success Empower yourself Explore the world Go after your dreams and don't give up Seek and surround yourself with positive energy **Going Local** Michael Shuman, 1998 Communities throughout the world are losing control of their economies Convinced by mainstream economists that globalization is inevitable local leaders whether liberal or conservative Democrat or Republican are trying to attract outside investment by paying massive subsidies slashing wages and weakening environmental standards **English Rock and Pop Performances** Lisa Jansen, 2022-03-15 This book addresses the phenomenon of non American rock and pop singers emulating an Americanized singing style for performance purposes By taking a novel approach to this pop cultural trend and drawing attention to the audience British and American students' perceptions of English rock and pop performances were elicited Interviews guided by various music clips were conducted and analyzed through a detailed qualitative content analysis The interviewees' responses provide important insights into social meanings attached to Americanized voices and local British accents in the respective genres and show how British and American attitudes toward these performance accents differ These perceptions and attitudes are illustrated by developing associative fields which offer a fresh view on the notion of indexicalities An engaging folk linguistic investigation of a relatable everyday pop culture phenomenon this book makes complex sociolinguistic phenomena easily approachable and qualitative research accessible It is suitable for intermediate students onward and inspires further research projects in the field of language performances **Joining Jesus** Moses Chung, Christopher Meehan, 2022-03-25 Inspired by an incarnational theology that emerges from a missional reading of Luke

10 Chung and Meehan went out to discover the stories of contemporary disciples who labor in the harvest fields of God's uncommon upside down Kingdom. The stories that emerge describe the work and presence of the Spirit in communities across North America where ordinary faithful people and churches embrace the Spirit's invitation by sharing themselves with their neighbors. Our need to connect with neighbors seems more difficult now than ever, but Chung and Meehan say we shouldn't be afraid of change and to listen to the Spirit's prodding. By sharing stories on how to go local by remaining faithfully present, the authors encourage us to embrace our neighborhoods and join Jesus by loving people in the tangible ordinariness of life. A Global Look to the Local Colin Hines, 2004 *Go Green, Save Green* Nancy Sleeth, 2009. Sleeth divulges hundreds of practical, easy-to-implement steps that create substantial money savings while protecting the Earth. She also demonstrates how going green helps people live more God-centered lives by becoming better stewards. Real Options in Theory and Practice Graeme Guthrie, 2009-07-16. Real options that arise in the real world often vary radically from one problem to another. These differences may arise due to the particular real options embedded in the projects and the order in which they can be exercised. They may arise due to different underlying sources of uncertainty with possibilities ranging from easily observable commodity prices to almost unquantifiable factors such as the technological viability of a project. The possibilities are almost endless. This book focuses on building a general approach to solving real options problems from the ground up to show readers how real options can be assembled in a way appropriate to the individual problem being analyzed.

Kenya National Assembly Official Record (Hansard), 1986-12-03. The official records of the proceedings of the Legislative Council of the Colony and Protectorate of Kenya, the House of Representatives of the Government of Kenya, and the National Assembly of the Republic of Kenya. Go Green Get Lean Kate Geagan, 2009-03-17. Over the past 20 years, America has been steadily marching toward a diet that is more drenched in fossil fuel than any key nutrient. Experts estimate that it now takes roughly 7 to 10 calories of fossil fuel energy to bring one calorie of food energy to the American plate. Not only have our eating habits turned us into an increasingly overweight society, but the alarming truth is that our food choices are having as much of an impact on the planet as the cars we drive. *Go Green Get Lean* is the perfect eating plan for our time. Revealing easy-to-follow steps anyone can take to eat for a healthy body and planet and drop up to 9 pounds in the first 2 weeks, Kate Geagan helps readers see the questionable value of convenience foods and explains why going green doesn't require a drastic vegan overhaul. Because there are many nutritional benefits to be drawn from some non-plant-based food choices, she points readers to the best selections, including occasional splurges they can enjoy in good conscience. In learning to make truly LEAN choices, Kate offers the following straightforward formula: Before eating food, ask yourself: Local or global? What was the energy used to bring it to my plate? Include processing, packaging, transportation, and temperature of food. Animal or plant? Plant foods are greener. Is this necessary? Is this food critical to my health and weight goals? This trailblazing work, the first to offer a specific weight loss plan along with the promise of a lowered carbon footprint, makes it possible for readers to

help the environment and their waistlines at the same time **International Business** Shad Morris,James Oldroyd,2023-03-21 An incisive and comprehensive exploration of international business in the modern world In the newly updated third edition of International Business an accomplished team of educators and business practitioners delivers a revitalized approach to the discipline that brings international business to life This latest edition of the book includes one of a kind chapters on sustainability poverty and innovation as well as new Mini Simulation activities explorations of the Covid 19 pandemic and its effects on commerce the business implications of social and civic justice race and inequality debates new whiteboard animations a video and podcast series and new case studies on equity diversity and inclusion at Microsoft International Business efficiently prepares students for the global economy and transforms the authors impressive international experience at multi national corporations into an indispensable pedagogical resource Localization Colin Hines,2013-10-11 Localization is a manifesto to unite all those who recognize the importance of cultural social and ecological diversity for our future and who do not aspire to a monolithic global consumer culture It is a passionate and persuasive polemic challenging the claims that we have to be internationally competitive to survive and describing the destructive consequences of globalization This book is unique in going beyond simply criticizing free trade and globalization trends It details self reinforcing policies to create local self sufficiency and shows clearly that there is an alternative to globalization to protect the local globally Media Localism Christopher Ali,2017-02-03 We live in a boosterish era that exhorts us to play local and buy local But what does it mean to support local media How should we define local media in the first place Christopher Ali delves into our ideas about localism and their far reaching repercussions for the discourse of federal media policy and regulation His critique focuses on the new interest in localism among regulators in the United States the United Kingdom and Canada As he shows the many different and often contradictory meanings of localism complicate efforts to study local voices At the same time market factors and regulators unwillingness to critically examine local media blunt challenges to the status quo Ali argues that reconciling the places where we live with the spaces we inhabit will point regulators toward effective policies that strengthens local media That new approach will again elevate local media to its rightful place as a vital part of the public good **The Changing Downtown** Jürgen Friedrichs,Allen C. While this might not be the Going Local Going Local full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Going Local Going Local eBooks, including some popular titles.

FAQs About Going Local Going Local Books

What is a Going Local Going Local PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Going Local Going Local PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Going Local Going Local PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Going Local Going Local PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Going Local Going Local PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
