Bronner, 2012-09-10 From their beginnings campuses emerged as hotbeds of traditions and folklore American college students inhabit a culture with its own slang stories humor beliefs rituals and pranks Simon J Bronner takes a long engaging look at American campus life and how it is shaped by students and at the same time shapes the values of all who pass through it The archetypes of absent minded profs fumbling jocks and curve setting dweebs are the stuff of legend and humor along with the all nighters tailgating parties and initiations that mark campus tradition and student identities Undergraduates in their hallowed halls embrace distinctive traditions because the experience of higher education precariously spans childhood and adulthood parental and societal authority home and corporation play and work Bronner traces historical changes in these traditions The predominant context has shifted from what he calls the old time college small in size and strong in its sense of community to mass society's mega university a behemoth that extends beyond any campus to multiple branches and offshoots throughout a state region and sometimes the globe One might assume that the mega university has dissolved collegiate traditions and displaced the old time college but Bronner finds the opposite Student needs for social belonging in large universities and a fear of losing personal control have given rise to distinctive forms of lore and a striving for retaining the pastoral campus feel of the old time college The folkloric material students spout and sprout in response to these needs is varied but it is tied together by its invocation of tradition and social purpose Beneath the veil of play students work through tough issues of their age and environment They use their lore to suggest ramifications if not resolution of these issues for themselves and for their institutions In the process campus traditions are keys to the development of American culture *Sins of a Mulatto Outcast* Robert Fouché, 2015-04-07 Homer grows up knowing he looks different than most kids in his neighborhood Although both his parents are African American his appearance more closely resembles a Caucasian As he struggles to fit in with others in his African American race Homer faces prejudice and bullying by those who brand him the white kid until he decides to fight

back transforming himself and his attitude forever On his wayward journey to removing himself from his surroundings Homer feels his looks are a curse which sets off a series of horrific events that test all his emotions To others it seems as though Homer has been given all the keys to unlock the American Dream Unfortunately they are unaware of his sins as a youth As Homer relives his experiences joys and challenges through the metaphorical structure of eighteen holes of golf he shines a light on his determined quest to overcome his outcast label accept his mixed heritage seek forgiveness and more importantly love himself Sins of a Mulatto Outcast tells the compelling tale of one mans struggles to embrace his uniqueness in order to achieve happiness in life *Florida Biology 1 End-of-Course Assessment Book + Online* John Allen, 2013-03-26
