the Lotus Sutra Ryuei McCormick, Mark Herrick, 2019-07-29 This book contains the full and complete daily gongyo meditation service for Nichiren Shu Buddhists. Nichiren Shu practitioners perform a twice daily gongyo meditation service that involves all six senses in an act of celebration, fully immersing themselves into the sublime reality of the Lotus Sutra while taking refuge in the Sanctuary of Awakening. Every gongyo meditation service is a re-creation of the Lotus Sutra's mystical Ceremony in the Air. This book's unique sutra recitation design matches the Japanese Shindoku with English in a side-by-side line-by-line format, making it easy to recite either Shindoku or English while seeing what is the meaning of each line. The English translation is graciously provided with permission by Kosei Publishing of Japan from their newest translation of the Threefold Lotus Sutra. Their translation is carefully balanced for ease of recitation in English and updated, neutralizing gender references, making this translation relevant for today's modern practitioners. This book includes the full and complete daily gongyo service as well as optional Shodaigyo Meditation memorial service, healing service, meal service, Dharanis, Shomyo hymns, and two silent guided meditations. It provides detailed instructions how to celebrate the various services as well as a short introduction to Nichiren Shu Buddhism. May this book bring you joy and peace and find you well and free of suffering.

Readings of the Lotus Sutra Stephen F. Teiser, Jacqueline I. Stone, 2009-07-29 The Lotus Sutra proclaims that a unitary intent underlies the diversity of Buddhist teachings and promises that all people without exception can achieve supreme awakening. Establishing the definitive guide to this profound text, specialists in Buddhist philosophy, art, and history of religion address the major ideas and controversies surrounding the Lotus Sutra and its manifestations in ritual, performance, ascetic practice, visual representations, and social action across history. Essays survey the Indian context in which the sutra was produced, its compilation and translation history, and its influence across China and Japan, among many other issues. The volume also includes a Chinese and Japanese character glossary, notes on Western translations of the text, and a synoptic bibliography.

Lotus Path Ryusho Jeffus Shonin, 2019-09-07 Collection of short essays written to help encourage and deepen faith and practice of the Lotus Sutra to attain enlightenment The practice of Buddhism is about changing our lives deep at the core Buddhism calls on us to examine the causes of our suffering in brutal honesty After making this self assessment we then take the next step and make the necessary changes so we can free ourselves from the cycle of suffering in ignorance The essays in the book are short usually only several hundred words It is possible to read them quite quickly although that runs counter to our contemplative inner work You will get the most value out of this book if you take your time and use the essays and the follow up comments as tools Use the book sparingly sampling each essay as if it were a most delicious candy This book will be of the most value to you if you actually try to use it as a tool for making changes in your life Please take your time and enjoy these essays I hope they encourage you to deepen your faith and practice of the Lotus Sutra
