Recreatable Kevin Scott,2014-02-01 ReCreatable begins with the story of a glass baking dish the delectable aroma of tantalizing brownies and an unseen defect that turns the promise of something delicious into a minor disaster leaving glass fragments and brownies irretrievably intermingled Both the dish and brownies are irrevocably lost The implications for us are inescapable created by God to reflect his glory and for his pleasure we have been broken by sin to the point that we are completely useless to accomplish the purpose for which we were made But unlike the shattered brownie dish that gets discarded as worthless God takes the shards of our lives and does the miraculous He does not simply fit us back together He takes those splinters of our destruction and uses them to re create us complete restored redeemed and fitted to do and be all that he ever intended for us ReCreatable leads us progressively through the impact of the creative genius of God in our lives It points us to the reality of restored relationships the resurrection of our role as true reflectors of God s glory and the revolutionary life that can be ours when we learn to be true disciples re created to live well for God **The Real Heaven**

design for sex and the world's design. In modern society rights have been emphasized and responsibilities deemphasized. Commitment is considered too time consuming. Sex increasingly becomes an act of destruction leading to addiction, divorce, pain, perversion, depersonalization, disease, and death. *Tender Love* speaks to the committed couple who want to remain faithful and may need reinforcement from God's word to overcome the obstacles and distractions to purity. It also speaks to anyone trying to understand and help others, especially to young people struggling with their own sexuality. Gripping case histories chronicle the lifelong learning process of individuals who have learned the beauty or the destructive potential of sex. A discussion guide is included for further study with your spouse, a friend, or a small group. *Tender Love* resolves some of the curious duality that many have about their sexuality: Pleasure and guilt, wonder and shame. The mystery and wonder of sex point to an imaginative and relational Creator, God, and remind us that sexual intimacy is meant as a gift, not an idol.

Back cover of book **Love, Sex, and Lasting Relationships** Chip Ingram, 2014-12-30 God wants his children to have a lasting relationship and great sex, the results of a deep, meaningful love that is rooted in commitment. Now updated and with a fresh new cover, *Love, Sex, and Lasting Relationships* helps readers walk a path to true love that is more fulfilling than they ever imagined. There's a better way to find love, stay in love, and grow in intimacy for a lifetime, says Chip Ingram. It's God's way. Whether single or married, happy or searching for hope, readers will discover that by following God's prescription, they can create a love that lasts.
