Love Signals A Practical Field Guide:

Love Signals David Givens, 2006-01-10 Part ethnography and part how to manual *Love Signals* documents the little courting rituals witnessed in elevators on subways and in the workplace and examines the essential role the face plays in courtship

Love Signals David Givens, 2024-03-26 A world renowned anthropologist explores the nonverbal signs signals and cues human beings exchange to attract and keep their mates As a medium of communication Love's silent language predates speech by millions of years Today we still express emotions and feelings largely apart from words The postures gestures and facial cues of attraction are universal in all societies and cultures According to Dr Givens courtship moves slowly through five distinct phases attracting attention recognition phase conversation phase touching phase making love Since potential mates test each other before uniting as one courtship is a choreographed give and take of signs granting physical and emotional closeness *Love Signals* is part ethnography and part how to Dr Givens documents the little courting rituals witnessed in elevators on subways and in the workplace He examines the essential role the face plays in courtship and how it can be optimally displayed He decodes the body to find silent messages given off by shoulders neck arms hands waist calves ankles feet and toes Dr Givens analyzes expressive shapes colors and markings encoded in arm wear shoulder wear leg wear and shoes He deciphers the background messages of spaces places and interiors to learn how environs help or hinder in the meeting process Chemical cues emanating from aromas tastes steroids sterols and hormones strongly shape a partner's feelings so they are explored as well The book suggests ways to gaze ways to read eyes across a room and ways to sit stand align walk dress and lift a drink to participate in the fascinating adventure of finding winning and keeping a mate Knowing the unspoken vocabulary of love signals will give readers an edge What this means for courtship is that the reader becomes able to read unspoken motives emotions and feelings with great clarity and precision The more readers know about the nonverbal idiom of attraction the more likely they will find a loving lasting partner

Love in America Lawrence R. Samuel, 2019-11-29 Widely considered the most complex of human emotions romantic love both shapes and reflects core societal values its expression offering a window into the cultural zeitgeist In popular culture romantic love has long been a mainstay of film television and music The gap between fictitious narratives of love and real life ones is however usually wide American's expectations of romance and affection often transcend reality Tracing the history of love in American culture this book offers insight into both the national character and emotional nature

Handbook of Relationship Initiation Susan Sprecher, Amy Wenzel, John Harvey, 2018-09-05 The *Handbook of Relationship Initiation* is the first volume to focus specifically on the very beginning stage of relationships their origin In this Handbook leading scholars on relationships review the literature on various processes related to the initiation of relationships how people meet communicate for the first time and begin to define themselves as being in a relationship Topics include attraction mate selection influence of social networks on relationship initiation initiation over the internet hook ups among young adults and flirting and opening gambits
