Lucky and Lucy Richard David Kennedy, 2016-07-28 This isn't just another love story Generically perhaps otherwise not It is indeed a story about falling in love being in love with all of its manifold unpredictable aspects and its roller coaster emotions its exhilarating highs its heartbreaking lows and its gut wrenching uncertainties But the difference and the reason why I believe the reader will kvell over this tale and find it all but unputdownable is because this is a story about mature love venerated love old love if you will to put it plainly In short how hope springs eternal and how we all are as young as we think we are A heartrending tale rife with plot turns and twists that is spiritually elevating This is a great book For anyone who wants to believe there is still magic in the world and that love can happen at any age this is a must read Vikki Walker USA July 2016 I am so impressed with the research you did for all the details in the book An awesome book Linda McCrary USA August 2016
