

A woman in a blue coat is walking away from the viewer on a cobblestone bridge in Prague. The bridge has ornate stone railings and street lamps. In the background, there is a large brick gatehouse with an arched entrance. To the left, a building with a green dome is visible. The sky is a vibrant mix of orange, red, and purple, suggesting a sunset or sunrise. The overall scene is romantic and atmospheric.

Lost And Found In Prague:

Lost and Found in Prague Kelly Jones, 2015 The author of *The Woman Who Heard Color* transports readers to a dreary Good Friday in Prague in an intriguing thriller as the mysterious death of a nun sets off a tangled chain of events that inexorably draws three strangers together and forever changes their lives Just after the fall of the Berlin Wall aspiring journalist Dana Pierson joined the hordes of young people traveling to Eastern Europe to be a part of history There she and her best friend were swept up in the excitement of the Velvet Revolution Twenty years later Dana returns to the city of her youthful rebellion to reconnect with her old confidant who never left the city But the visit that was reserved for healing intimacies and giddy reminiscences is marred by a strange death in one of Prague's most famous Catholic churches and an even more peculiar mystery surrounding it In a city where the past is never far from the present Dana must work with a conflicted Italian priest and a world weary Czech investigator to unlock dark secrets hidden in Prague's twisted streets But the key to solving the puzzle may lie in memories of Dana's long ago visit even as she is forced to face the reality of a more recent loss Publisher Weekly

Lost to the Shoah Vera Schiff, Jeff McLaughlin, 2020-01-17 It is important to remember not just what the Holocaust was but the individuals who were the subjects of its unrelenting Nazi brutalities Written by a survivor about the people she knew and cared for these eight stories fight against the depiction of Jews as victims and victims only and individualize a tragedy that is too often abstracted into dates and statistics Amidst the dramatic narrative there is a brutal honesty and frankness that makes these stories far more infuriating sad and shocking than any fictional attempt to convey what it was like to be human in such inhuman

circumstances These biographies remind readers of the consequences of hate upon the fragile beauty and complexity of human life
