High Water Lynn Hightower, 2025-08-26 A dynamite tale of family fallout mystery and intrigue southern style Demands to be read in one all night page turning frenzy David Baldacci 1 New York Times bestselling author In her beloved hometown of Beaufort South Carolina Georgie Smallwood has carved out a life for herself but it hasn't been easy A teenage mother at sixteen she built a thriving business restoring and selling antiques with the help of her steel magnolia mother But little does Georgie know how deep the secrets run in her family until her mother dies under circumstances that she finds suspicious even if her sister and brother don't Georgie can't help but think the worst of her controlling unfaithful father whose murky military past haunts him The slow drops of doubt pool into a surging wave of fear that threatens to destroy the bond between Georgie and her siblings and sink the very foundations they have built their lives upon *High Water* is a gripping Southern thriller about blood ties betrayal and the legacy of silence where the past rises like the tide and nothing stays buried forever *High Water* is a lyrical compelling novel about secrets family and even love Lisa Scottoline New York Times bestselling author Hightower fills the story with plot twists that will appeal to thriller fans but the novel steeped in the feel of small town South also offers an introspective look at a woman's life her personal relationships and her sense of family loyalty Booklist This intensely involving study of family dysfunction is distinguished by its driving prose lyricism and psychological nuance Publishers Weekly The story hurtles along as rapidly as any of Hightower's police procedurals or thrillers but finds room for a world of family pain and southern warmth Kirkus Reviews

The Only Child Andrew Pyper, 2017-05-23 Gothic fans rejoice The Globe and Mail The 1 internationally bestselling author of *The Demonologist* radically reimagines some of literature's classic masterpieces *Frankenstein Strange Case of Dr Jekyll and Mr Hyde* and *Dracula* in a contemporary novel driven by relentless suspense and breathtaking emotion This is the story of a man who may be the world's one real life monster and the only woman who has a chance of finding him As a forensic psychiatrist at New York's leading institution of its kind Dr Lily Dominick has evaluated the mental states of some of the country's most dangerous psychotics But the strangely compelling client she interviewed today a man with no name accused of the most twisted crime struck her as somehow different from the others despite the two impossible claims he made First that he is more than two hundred years old and he personally inspired Mary Shelley Robert Louis Stevenson and Bram Stoker to create the three novels of the nineteenth century that define the monstrous in the modern imagination Second that he's Lily's father To discover the truth behind her client her mother's death herself Dr Dominick must embark on a journey that will threaten

her career her sanity and ultimately her life A breathtaking story rife with emotion and chilling suspense The Big Thrill Magazine The Only Child fuses the page turning tension of a first rate thriller with a provocative take on where thrillers come from In his latest novel Andrew Pyper s writing is gripping and readers will undoubtedly make comparisons to Stephen King Library Journal as they stay up all night to discover the last unforgettable revelation **Editor & Publisher**, 1928 The fourth estate **Mr. Man** Jerry Young, 2003-09 Craig Mann s experiences with women and children over the years had not been good Melissa Branson is a young widow with three small children struggling to make her way in the world When circumstances throw Craig into contact with Melissa when she becomes ill he finds himself not only taking care of her and her children but also falling in love with them despite his reluctance to become involved **Youth's Companion**, 1900

America ,1889 **The Progressive Woman** ,1912 *Bandit* Molly Brodak,2016-10-06 Raw poetic and compulsively readable I can t wait to buy a copy for everyone I know Kathryn Stockett author of *The Help* The summer she turned thirteen Molly Brodak s father was arrested for robbing eleven banks In time the image she held of him would unravel further as more and more unexpected facets of his personality came to light *Bandit* is her attempt to discover what exactly is left when the most fundamental relationship of your life turns out to have been built on falsehoods It is also a scrupulously honest account of learning how to trust again and to rebuild the very idea of family from scratch Refusing to fence off the trickier sides of her father s character Brodak tries to find through crystalline spellbinding prose a version of him that does not rely on the easy answers but allows him to be an unknowable and incomprehensible whole who is also her father Unforgettable moving and utterly relatable *Bandit* is a story of the unpredictable complexity of family The Christian Union ,1888 *The Illustrated Police News* ,1871
