Ephesians Dr. Matthew N. O. Sadiku,2012-01-16 The greatest need of professing Christians today is a better deeper and fuller knowledge of Christ The Christian life can be described as getting to know God better every day Every Christian should regularly daily read the Word of God We should find time for quiet time or personal devotion For over 20 years I have been using commentaries in my devotions The blessings derived from the commentaries is overwhelming I am writing this commentary to share some of those blessings and lessons I have learned over the years This verse by verse commentary is different from others in two respects First it is brief while some commentaries are unnecessarily wordy and verbose Second it is Pentecostal in outlook This implies that we generally adhere to the doctrine of biblical inerrancy and adopt a literalist approach to the interpretation of the Bible Ephesians ranks very high among the theological literature of the Christian Church It has been regarded by some as the believers bank and the treasure house of the Bible It is perhaps the grandest of all Pauls epistles

The Left Behind Olufemi A. Ijiwoye,2018-06-19 As a believer whenever we hear about the left behind we immediately think about the Rapture We instantly think about the unbelievers or those that have not accepted Jesus Christ into their lives We always think about how unbelievers will remain in this world during the Rapture to face the Antichrist and believers will be caught up with Christ in the sky and gloriously taken into heaven I received a revelation about the left behind that greatly transformed my life and my walk with the Lord The Lord instructed me to write this book to enlighten all believers and born again Christians about the topic of being left behind not from the traditional thought or understanding that we all have about this topic but from a different perspective which is believers that are left out of Gods plan purpose or agenda in their generation even though these believers are consistent and devout churchgoers

The Secret Keeper Brea Brown, 2019-09-15. A free first in series complete novel with no cliffhanger. Peyton Stratford is her family's unofficial keeper of all things secret, from the petty and mundane to the potentially life-changing. But Peyton is keeping a secret of her own. And it's a doozy. Pastor Brice Northam is used to hearing secrets. After all, it's part of his job description. But he's about to hear one that's going to challenge him almost as much as his feelings for the person confessing. Peyton needs some serious help from Brice, but how much does she dare tell him? And what exactly is Brice hiding from Peyton and himself? Clearly, they both have some serious soul-searching to do. But maybe, just maybe, the answer to secrets isn't silence. Or more secrets. Maybe it's love. Note: While the Secret Keeper series does feature some characters who are Christian, the hero is a pastor, so that's a dead giveaway. It is not a Christian romance in the traditional sense, and some characters find themselves in adult situations and using strong language. Not that the pastor approves. But he's fallen in love with a complex, modern woman whose life is anything but predictable. If you think you could, too, then dive in. Bring your sense of humor and your compassion, and then hold on for the emotional ride of your life. Chick lit, romantic comedy, rom-com, humorous love story, second chance.
