Martin, 2000-01-13 How can a letter written over 1900 years ago to a Christian group in a small town of Asia Minor mean anything to us But if Colossians is a word from a God who does not change and is therefore relevant to His people in every age how are we to understand and interpret Paul's thought and expression today Dr Ralph Martin tackles this problem by asking what the apostle meant when he set out to instruct correct and exhort the original readers of the epistle From this inquiry he deduces certain principles of belief and conduct which may still be applied even though our situation differs in external details from that in which the Colossian Christians found themselves The underlying intellectual and religious question is the same what is man's relation to the cosmos and the powers that rule it The predominant theme of the book as of the epistle is the glory and Lordship of the risen Christ in whom Christian believers have come to fullness of life Professor Martin examines the Colossian heresy and shows that life in Christ brings complete liberation from mental and spiritual bondage to those merely human mystical notions that had only an appearance of wisdom From doctrine he moves on with Paul to the therefore of everyday Christian conduct in the context of family relationships prayer and the Church's mission in

today's world So far from being out of date or irrelevant the Epistle to the Colossians might well have been written as indeed in one sense it was for our modern space age It shows the person of Jesus Christ as the answer to humanity's questioning about the cosmos of which we form such a frighteningly insignificant part Above all it sets out the Jesus of history as the Lord of glory the Master of time and space and shows the essential continuity between the two It is Professor Martin's first aim to make the background and the message of the Epistle clear in its original setting and then to show its particular relevance to the present day

The Colossian and Ephesian Haustafeln in Theological Context James P. Hering, 2007 In this groundbreaking study James P Hering investigates the theological and ethical motivation that informs the controversial New Testament household codes Haustafeln found in the epistles to the Colossians 3 18 4 1 and Ephesians 5 22 6 9 Within most New Testament scholarship the household code has been regarded as an imported element within its host letter reflecting either pagan or embarrassingly sub-Christian values Is the household code merely a nod to the pragmatic demands of culture or can it be understood as a reflection of the author's theological concerns What can it teach us today Hering provides a unique analysis of these passages revealing the Haustafeln in their historical context and examining their theological roots This book is of vital importance for courses on Christian ethics and New Testament backgrounds

The Pauline Book and the Dilemma of Ephesians Benjamin J. Petroelje, 2022-09-08 Benjamin J Petroelje argues that how one reads Ephesians is a function of deeper questions about how to read the Pauline book Petroelje suggests the contemporary consensus that Ephesians depicts development of away from the real Paul is largely a construct of modern criticism rooted in shifting strategies about how to read a letter collection that developed in the 19th century Using Ephesians 3 1 13 as a point of analysis Petroelje theorizes that the text's image of Paul not only anticipates recent revisionist interpretations of Paul's Jewish identity and gentile gospel but also holds together tensions in the collection itself surrounding these questions By analysing ancient letter collections beside their own hermeneutical priorities and applying this method to the late antique and modern reception of the corpus Paulinum Petroelje is able to historicize the origins of the split of Paul's corpus revealing the constructed nature of the critical consensus on Ephesians and the effect that such modern reading strategies have on interpreting the letter Urging a return to reading Ephesians alongside Pauline co-texts Petroelje advocates for Ephesians as a crucial source for the study of Paul whether Paul wrote it or not

Bible **Paul Among the Postliberals** Douglas Harink, 2013-08-14 Paul Among the Postliberals sheds new light on Paul's letters by creating links between contemporary scholarship and the writings of theologians Harink argues that Paul's central doctrine of justification by faith has been widely misunderstood he emphasizes instead that the goal of the gospel is to free Christians for faithful action

Ephesians and Colossians (Paideia: Commentaries on the New Testament) Charles H. Talbert, 2007-11-01 Ephesians and Colossians is the first of eighteen volumes in the new Paideia commentary series This series approaches each text in its final canonical form proceeding by sense units rather than word by word or verse by verse Each sense unit is explored in three sections 1 introductory matters 2 tracing the train of thought 3 key hermeneutical and theological questions The commentaries shed fresh light on the text while avoiding idiosyncratic readings attend to theological meaning without presuming a specific theological stance in the reader and show how the text uses narrative and rhetorical strategies from the ancient educational context to form and shape the reader Professors graduate and seminary students and pastors will benefit from this readable commentary as will theological libraries

The Church and Racial Hostility William Rader, 2011-07-12 Interaction between biblical study and the practical work of the church receives attention in this book The author seeks biblical perspective on the problem of racial conflict In New Testament times the deepest conflict between groups was that between Jews and Gentiles Ephesians 2:11-12 summarizes this conflict and its reconciliation in Jesus Christ The book traces the history of the passage's interpretation from the early church to the present in order to clarify the current situation It illustrates the significance of biblical scholarship for the practice of ministry

Anglican Theological Review ,1928 A New Testament bibliography for 1914 to 1917 inclusive by Frederick C Grant v 1
 p 58 91 **The Year's Work in Classical Studies ...** Classical Association (Great Britain),1914 **The Year's Work in Classical Studies** ,1913 Paul's Understanding of the Church's Mission Robert Lewis Plummer,2006 This book engages in a careful study of Paul's letters to determine if the apostle expected the communities to which he wrote to engage in missionary activity It helpfully summarizes the discussion on this debated issue judiciously handling contested texts and provides a way forward in addressing this critical question While admitting that Paul rarely explicitly commands the communities he founded to evangelize Plummer amasses significant incidental data to provide a convincing case that Paul did indeed expect his churches to engage in mission activity Throughout the study Plummer progressively builds a theological basis for the church's mission that is both distinctively Pauline and compelling **Ephesians** Allen Verhey, Joseph S. Harvard,2011-04-18 Long recognized as significant theological document and one from which the Christian church gains life and direction the book of Ephesians focuses on Jesus Christ's amazing work in redemption and reconciliation It invites and requires our participation in it Jointly written by a theological seminary professor and an active pastor this commentary emerges from an adult Sunday school class on Ephesians they taught together as well as their own studies and experiences The result is a fascinating work that focuses on the gospel of Jesus Christ and the ways it is to be lived out in the church and by Christians in their own lives *Dictionary Catalogue of the Byzantine Collection of the Dumbarton Oaks Research Library, Washington, D.C.* Dumbarton Oaks,1975 **Paul** Herman Ridderbos,1997-09-11 This is the English translation of the monumental study of the theology of the Apostle Paul by the Dutch theologian and Biblical scholar Herman Ridderbos
