at 35 divorced a third time And that s just the 50 000 foot view This book will explain it all and how it was all part of a plan from the universe to push me out of my comfort zone and into the hands of everyday winners like you I wrote this book to show those who are oppressed with their past that it doesn t matter if you can develop skills The timelines may not be exact so just go with the flow and enjoy the story It s about the big picture not a timeline of when shit went down Look at each chapter as its own individual story When it happened is not really as important as the fact that it did happen Join me as I share my journey and all of the ups and downs it took me on with you Oh and for protection purposes the names of people have been changed Also if you re a cop or government entity this is all entirely fiction so chill
