No Kids Allowed Michelle Ann Abate, 2020-10-13 Children s literature isn t just for children anymore This original study explores the varied forms and roles of children s literature when it s written for adults What do Adam Mansbach s *Go the F k to Sleep* and Barbara Park s *MA There s Nothing to Do Here* have in common These large format picture books are decidedly intended for parents rather than children In *No Kids Allowed* Michelle Ann Abate examines a constellation of books that form a paradoxical new genre children s literature for adults Distinguishing these books from YA and middle grade fiction that appeals to adult readers Abate argues that there is something unique about this phenomenon Principally defined by its form and audience children s literature Abate demonstrates engages with more than mere nostalgia when recast for grown up readers Abate examines how board books coloring books bedtime stories and series detective fiction written and published specifically for adults question the boundaries of genre and challenge the assumption

that adulthood and childhood are mutually exclusive Mindful Coloring Liam Sharma, AI, 2025-01-27 Mindful Coloring A Guide to Reducing Anxiety and Igniting Creativity reimagines coloring as a science backed tool for mental wellness blending art therapy with mindfulness to combat modern stress At its core the book explores how structured coloring engages the brain's focus and decision making centers reducing amygdala activity linked to fear while fostering emotional resilience Rooted in historical practices like Carl Jung's mandala therapy it bridges ancient mindfulness principles with contemporary neuroscience showing how rhythmic coloring can lower anxiety by up to 30% compared to unstructured art a finding supported by clinical studies The book stands out by merging cognitive behavioral strategies with hands on creativity offering tailored techniques like choosing geometric patterns for concentration or nature scenes for calm Chapters progress from explaining mindfulness basics to actionable steps such as designing personalized coloring routines for workday stress relief or collaborative group sessions Unlike generic self help guides it integrates color psychology trauma processing methods from EMDR therapy and material tips e.g pencil vs marker effects to suit novices and artists alike By framing coloring as intentional self care not just a trend the guide empowers readers to transform a simple hobby into a daily ritual for emotional balance backed by both MRI research and relatable anecdotes *EASYUNI Ultimate University Guide 2017* easyuni Sdn Bhd, With this issue we chose to be rebellious We chose to throw everything we knew from our previous Guidebooks out the window and empower those of you whose choice of career is usually responded to with a disappointed oh We decided to make a special issue for you our Creatives Our country's Creatives who've contributed to centuries of culture art literature music and philosophy and are yet scrutinised and repeatedly questioned on their decision of career Malaysia's Creatives We've got you Whether you're currently pursuing the Creative Arts or on the fence about it this Guidebook's for you We start off with busting the myths about the Creative Arts the approving nod one gets having decided to pursue the Sciences as compared to the frown and are you sure when it comes to the topic of the Arts spoiler alert yes they're all myths Then we're off to exploring some of the coolest buys and creative festivals you can find in Malaysia as well as a handy list of the exciting companies you can intern at as a student of the Arts What's more we've covered Courses Careers we've never touched on before to serve as useful guides as you pave your way through the Creative Arts By the way did you know that Iceland is a haven for the Arts as well You can flip through our Study Abroad section for more on that Our goal for this issue as with every other issue is to guide you to and through what could be some of the best years of your life during your university years But as we've come to see those of you hoping to pursue the Creative Arts may need a little bit of extra cheer to light the spark in you And so came about EasyUni's The Creative Issue There's a place in the world for each and every one of you and if anyone parents friends teachers tell you any different well they're quite wrong You can quote us on that

Anxious Creativity David Trend, 2019-09-03 Creativity is getting new attention in today's America along the way revealing fault lines in U.S. culture Surveys show people overwhelmingly seeing creativity as both a desirable trait and a work

enhancement yet most say they just aren't creative Like beauty and wealth creativity seems universally desired but insufficiently possessed Businesses likewise see innovation as essential to productivity and growth but can't bring themselves to risk new ideas Even as one's inner artist is hyped by a booming self-help industry creative education dwindles in U.S. schools **Anxious Creativity When Imagination Fails** examines this conceptual mess while focusing on how America's current edginess dampens creativity in everyone Written in an engaging and accessible style **Anxious Creativity** draws on current ideas in the social sciences economics and the arts Discussion centers on the knotty problem of reconciling the expressive potential in all people with the nation's tendency to reward only a few Fortunately there is some good news as scientists economists and creative professionals have begun advocating new ways of sharing and collaboration Building on these prospects the book argues that America's innovation crisis demands a rethinking of individualism competition and the ways creativity is rewarded

Have Fun with the Presidents David C. King, 2007-04-20 It's important to learn about the U.S. presidents but it's even better to have fun while doing it **Have Fun with the Presidents** is filled with activities recipes games puzzles profiles quotes and fascinating facts about all 42 American presidents from George Washington to George W. Bush You will learn all kinds of interesting things about the presidents their families and the times in which they lived but this is much more than just a book of facts The games and activities in **Have Fun with the Presidents** will give you a better understanding of each president's important contributions interesting hobbies and unique personality In **Have Fun with the Presidents** you will learn that Herbert Hoover and his wife spoke Chinese in the White House as a way of maintaining their privacy Dwight Eisenhower was an enthusiastic cook who loved grilling on the roof of the White House Two of Theodore Roosevelt's sons managed to sneak a pony into a White House elevator so they could take it to their sick brother's bedroom George H. W. Bush hated broccoli so much he had it banned from the White House kitchen And much more
