Master Self-Publishing 2012 Edition Latasia Brown, Owen O. Daniels, 2011-11-27 If you are going to self publish this is a must have book An excellent how to guide that walks you through the steps of self publishing Self publishing made easy by following the steps from cover to cover

Master Self Publishing 2011 Edition Owen O. Daniels, 2011-01 This is an excellent How To resource on self publishing It takes you Step by Step through the process and points you to key resources you need to have in order to successfully self publish This book has 14 Chapters 8 Appendices and an Index This Book is published as an Annual Edition on 1 January Do not self publish without reading this book

How to Self-Publish Your Book Dr. Jan Yager, 2019-08-07 A new world has opened to writers who wish to have their words turned into finished books With technological advances in typesetting printing distribution and sales self publishing has become a reality But while converting your writing into a commercially available title may sound relatively easy based upon the claims of some companies that offer this service there are many important considerations you should be aware of before going to press Publishing expert Dr Jan Yager has created an easy to follow guide that will take you from a book s conception and writing to its production and sales Whether your work is fiction or nonfiction How to Self Publish Your Book offers sound and proven advice at every turn enabling you to avoid common pitfalls along the way to becoming a self published author The book is divided into three parts Part One takes you through the initial manuscript preparation setting your goals writing sequencing editing and proofing as well as creating a business plan for your book s eventual release Part Two focuses on the actual production of your book It explains the importance of cover and interior design what you need to know about producing physical books and e books and how to turn your title into an audiobook Part Three provides key information on how to market and sell your book subjects that are crucial to a title s success but of which most writers have very little understanding Also included is a valuable resource section that guides you to websites which offer essential information on self publishing service providers including complete self publishing companies as well as freelance editors proofreaders printers distributors marketers and publicists Today self publishing workshops and lecturers charge hopeful writers hundreds of dollars promising to turn their self published books into bestsellers The fact is that your book s chance of success starts at its origin not with the finished product However you choose to produce your book whether through a self publishing company or through separate services here is a complete road map to what lies ahead based not on hype or wishful thinking but on Dr Jan Yager s lifetime of experience in the world of publishing

The Special Operations Executive in Malaya Rebecca Kenneison, 2019-05-30 During World War II agents of the Special Operations Executive SOE infiltrated Japanese occupied Malaya There they worked with Malayan guerrilla groups including the communist sponsored Malayan Peoples Anti Japanese Army MPAJA regarded as the precursor of the communist insurgent army of the Malayan Emergency This book traces the development of SOE s Malayan operations and analyses the interactions between SOE and

the various guerrilla groups It explores the reasons for and the extent of Malay disillusionment with Japanese rule and demonstrates how guerrilla service acted as a training ground for some later Malay leaders of the independent nation However the reports written about the MPAJA by SOE operatives just after the war failed to draw out the likely future threat posed by the communists to the returning colonial administration Rebecca Kenneison shows that the British possessed a wealth of local information but failed to convert it into active intelligence in the period prior to the Malayan Emergency In doing so she provides new insights into the impact of SOE on Malayan politics the nature of Malayan communism s challenge to colonial rule and British post war intelligence in Malaya *Chase's Calendar of Events, 2011 Edition* Editors of Chase's Calendar of Events,2010-10-18 Chase s Calendar of Events is the most comprehensive and authoritative reference available in the world on special days weeks and months Indispensable CD ROM holds all the book s 12 500 entries Unique reference in the marketplace acclaimed by the Wall Street Journal Library Journal Christian Science Monitor Los Angeles Times and the Washington Post *Creativity Under Duress in Education?* Carol A. Mullen,2018-11-09 Creativity Under Duress in Education introduces a new framework creativity under duress in education Leading creativity researchers and educational scholars discuss creative theory and practice from an educational lens that is provocative Across international contexts this book combines insights from creativity and educational research rich illustrations from classrooms schools and other professional settings and practical ideas and strategies for how anyone invested in education can support creative teaching and learning Readers will encounter diverse perspectives from an international cast of authors exploring cutting edge ideas for creativity and innovation as a foremost priority for economies in the new millennium At the same time they consider forces of authority control and constraint that impact creative education and innovation within educational systems extending to the professions Educators and those interested in the future of education are vitally important to this conversation around research based and practical analyses of creativity in and beyond the classroom Addressed are these major issues 1 creativity frameworks of theory and action in education 2 research investigations into creativity and education and 3 applications of creativity theory in real world practice Dynamic this book presents a bridge between draconian contexts of assessment and explosive creativity in diverse places A key contribution of the volume is its validation and promotion of creativity and innovation for students teachers professors leaders employers policymakers and others seeking ways to profoundly improve learning and transform education In tackling the seemingly irreconcilable issues of creativity and accountability in K 12 institutions higher education and policy circles worldwide this work offers a message that is both cautionary and inspiring Book editor Carol A Mullen PhD is Professor of Educational Leadership at Virginia Tech Virginia USA A twice awarded Fulbright Scholar to China 2015 and Canada 2017 she was honored with the 2016 Jay D Scribner Mentoring Award from the University Council for Educational Administration She is author of *Creativity and Education in China* 2017 and co editor of *Education policy perils* 2016 *Photographing Newborns* ,2014-08-18 In this comprehensive

book Cooney touches on each facet of being a successful newborn portrait photographer She begins by outlining the foundation of her business model and provides insight for the reader to establish something similar for their business Defining your target market and ideal customer profile are essential to guiding your business in the right direction Cooney focuses her business and this book on what she calls a boutique brand These are pricier photo shoots and packages which require more time and care Working with clients at this level often creates a lasting relationship and hopefully repeat business This is where the branding of your business is so important Not only can it deliver regular clients but can also inspire important word of mouth references Emphasizing how important it is for a photography studio to have structure and direction to become and remain successful Cooney walks the reader through many scenarios that have helped form her business A strong social media presence creative marketing promotions and repeat customers are the key to standing apart from the competition therefor remaining vital

Virtual Unreality Charles Seife, 2014-06-26 The bestselling author of Proofiness and Zero explains how to separate fact from fantasy in the digital world Digital information is a powerful tool that spreads unbelievably rapidly infects all corners of society and is all but impossible to control even when that information is actually a lie In Virtual Unreality Charles Seife uses the skepticism wit and sharp facility for analysis that captivated readers in Proofiness and Zero to take us deep into the Internet information jungle and cut a path through the trickery fakery and cyber skullduggery that the online world enables Taking on everything from breaking news coverage and online dating to program trading and that eccentric and unreliable source that is Wikipedia Seife arms his readers with actual tools or weapons for discerning truth from fiction online

The Weaponization of Loneliness Stella Morabito, 2022-11-02 Do you keep your opinions to yourself because you re afraid people will reject you Do you sign on to a cause just because everyone around you acts like it s the right thing to do Welcome to The Weaponization of Loneliness Tyrants of all stripes want to tell you what to believe and how to live your life They get away with it by using the most potent weapon at their disposal your fear of ostracism This book explains how dictators from the French Revolution to the Communist Party of China to today s globalists aim to atomize us in order to control us We fall for it because our need to connect with others and our fear of social rejection are so hardwired that they trigger our conformity impulse These dynamics can even cause us to comply with evil orders We all need a better understanding of how the merchants of loneliness power elites in Big Tech Big Media Big Government academia Hollywood and the corporate world exploit our terror of social isolation Their divide and conquer tactics include identity politics political correctness and mob agitation Their media monopoly spawns the propaganda essential to demonization campaigns censorship cancel culture snitch culture struggle sessions the criminalization of comedy and the subversion of society s most fundamental institutions It all adds up to a machinery of loneliness Ironically people tend to comply with this machinery to avoid loneliness but such compliance only isolates us further The Weaponization of Loneliness offers a message of hope We can resist this psychological warfare if we have strong bonds in our families faith

communities and friendships Let's resolve to talk to one another openly and often especially about the consequences of giving in to social pressures and media hype Indeed totalitarians always seek to destroy private life because it is the very fount of freedom

Singapore, Spirituality, and the Space of the State Joanne Punzo Waghorne, 2020-03-19 This book examines spirituality in Singapore showing how important the city state is for understanding contemporary global configurations of urban space religion and spirituality Joanne Punzo Waghorne highlights how the formal religious spaces temples churches and mosques have been confined to allotted sites on the map of Singapore whereas various spiritual organizations particularly of Hindu origins and headed by a guru still continue to operate as societies classified by the government with other clubs These unconventional religiosities are not confined but ironically make their own places meeting in ostensive secular venues high rise flats malls businesses and community centers thus existing in the overall space of religion commerce and the state The book argues that State of Singapore also operates between the secular and the religious constructing an overarching spatial regime that both accommodates and yet rivals the alternate spheres that spiritual movements construct under its umbrella Both spatial configurations challenge the presumed relationships between myth and reality religion and commerce the ethereal and the concrete the sacred and the secular on the levels of self community and polity Singapore now deemed a model for urban development in Asia also offers an understanding of a new post secularity and perhaps reveals where the urbanized world is headed

Good Time Girls of Colorado Jan MacKell Collins, 2019-08-22 Throughout the Gold Rush years and beyond prostitution grew and flourished within the mining camps small towns and cities of nineteenth century Colorado Whether escaping a bad home life lured by false advertising or seeking to subsidize their income thousands of women chose or were forced to enter an industry where they faced segregation and persecution fines and jailing and battled the hazards of their profession Some dreamed of escape through marriage or retirement and some became infamous and even successful but more often found relief only in death An integral part of western history the stories of these women continue to fascinate readers and captivate the minds of historians today The Centennial State had its share of working girls and madams like Mattie Silks and Jennie Rogers who remain notorious celebrities in the annals of history but Collins also includes the stories of lesser known women whose roles in this illicit trade help shape our understanding of the American West

Last Stories and Other Stories William T. Vollmann, 2015-07-21 Supernaturally tinged stories from William T Vollmann author of the National Book Award winner *Europe Central* Watch for Vollmann's new work of nonfiction *No Immediate Danger* coming in April of 2018 In this magnificent new work of fiction his first in nine years celebrated author William T Vollmann offers a collection of ghost stories linked by themes of love death and the erotic A Bohemian farmer's dead wife returns to him and their love endures but at a gruesome price A geisha prolongs her life by turning into a cherry tree A journalist haunted by the half forgotten killing of a Bosnian couple watches their story and his own wartime tragedy slip away from him A dying American romances the ghost of his high school

sweetheart while a homeless salaryman in Tokyo animates paper cutouts of ancient heroes Are ghosts memories fantasies or monsters Is there life in death Vollmann has always operated in the shadowy borderland between categories and these eerie tales however far flung their settings all focus on the attempts of the living to avoid control or even seduce death Vollmann's stories will transport readers to a fantastical world where love and lust make anything possible *The Cold War* Spencer C. Tucker, 2020-10-27 This sweeping reference work covers every aspect of the Cold War from its ignition in the ashes of World War II through the Berlin Wall and the Cuban Missile Crisis to the collapse of the Soviet Union in 1991 The Cold War superpower face off between the Soviet Union and the United States dominated international affairs in the second half of the 20th century and still reverberates around the world today This comprehensive and insightful multivolume set provides authoritative entries on all aspects of this world changing event including wars new military technologies diplomatic initiatives espionage activities important individuals and organizations economic developments societal and cultural events and more This expansive coverage provides readers with the necessary context to understand the many facets of this complex conflict The work begins with a preface and introduction and then offers illuminating introductory essays on the origins and course of the Cold War which are followed by some 1 500 entries on key individuals wars battles weapons systems diplomacy politics economics and art and culture Each entry has cross references and a list of books for further reading The text includes more than 100 key primary source documents a detailed chronology a glossary and a selective bibliography Numerous illustrations and maps are inset throughout to provide additional context to the material **Sesame Street** Helle Strandgaard Jensen, 2023 In *Sesame Street A Transnational History* author Helle Strandgaard Jensen tells the story of how the American television show became a global brand Jensen argues that because the show's domestic production was not financially viable from the beginning *Sesame Street* became a commodity that its producers assertively marketed all over the world *Sesame Street A Transnational History* combines archival research from seven countries bolstering an insightful analysis of how local reception and rejection of the show related to the global sales strategies and American ideals it was built upon Contrary to the producers oft publicized claims of *Sesame Street*'s universality the show was heavily shaped by a fixed set of assumptions about childhood education and commercial entertainment This made sales difficult as *Sesame Street* met both skepticism and direct hostility from foreign television producers who did not share these ideals Drawing on insights from new histories about childhood education and transnational media the book lays bare a cultural clash of international proportions rooted in divergent approaches to children's television In doing so it provides a reflective backdrop to the many ongoing debates about children's media In contrasting the positive receptions and renunciations of *Sesame Street* Jensen demonstrates that it was only after a substantial rethinking of *Sesame Street*'s aims and business model that this program ended up on numerous broadcasting schedules by the mid 1970s Along the way this rethinking and the constant negotiations with potential international buyers created and shaped the business and corporate

brand that paved the way for the Sesame Street we know today *The Four Dignities* Cain Carroll,2014-09-21 Based on the author's long experience of Yogic and Daoist traditions this book explores the embodiment of spiritual practice in the most basic functions of daily life The author shows how to bring the consciousness to bear on the body in lying sitting standing and walking with transformational consequences **An Index to Articles Published in The Etude Magazine, 1883-1957,**

Part 1 Pamela Richardson Dennis,2011-01-01 As America's geography and societal demands expanded the topics in The Etude magazine first published in 1883 took on such important issues as women in music immigration transportation Native American and African American composers and their music World War I and II public schools new technologies sound recordings radio and television and modern music jazz gospel blues early 20th century composers in addition to regular book reviews teaching advice interviews biographies and advertisements Though a valued source particularly for private music teachers with the de emphasis on the professional elite and the decline in salon music the magazine ceased publication in 1957 This Index to the articles in The Etude serves as a companion to E Douglas Bomberger's 2004 publication on the music in The Etude Published a little over fifty years after the final issue reached the public this Index chronicles vocal and instrumental technique composer biographies position openings department store orchestras the design of a successful music studio how to play an accordion recital programs in music schools and much more The Index is a valuable tool for research particularly in the music culture of American in the late nineteenth and early twentieth centuries With titles of these articles available the doors are now open for further research in the years to come The Index is published in two parts and sold as a set for 250 00 **From the Dragon's Mouth** Ana Fuentes,2013-04-17 WHO ARE THE CHINESE Through on the

ground interviews Ana Fuentes uncovers the real China and offers a panoramic look at Chinese culture from the point of view of its citizens She spent nearly 4 years living and working in China and discovered a world few have written about until now FROM THE DRAGON'S MOUTH Ten True Stories that Unveil the Real China is an exquisitely intimate look into the China of the 21st century as seen through the eyes of its people This is the first time that a book combines the voices of everyday Chinese people from so many different layers of society a dissident tortured by the police a young millionaire devoted to nationalism a peasant turned prostitute to pay for the best education for her son a woman who married her gay friend to escape from social pressure just like an estimated 16 million other women a venerable Kung Fu master unable to train outdoors because of the hazardous pollution the daughter of two Communist Party officials getting rich coaching Chinese entrepreneurs in the ways of Capitalism among others ANA FUENTES is a journalist whose reports have been broadcast on three continents by Radio Netherland Prisa Radio CNN en espa ol and others Ana holds a degree in Journalism from the Complutense University in Madrid and the Sorbonne University in Paris and a Master's in Journalism from El Pa s and the University Autonoma in Madrid **Periods in Pop Culture** Lauren Rosewarne,2012-06-14 Menstruation seldom gets a starring role on screen despite being experienced regularly by nearly all women for a good many decades of their lives

Periods in Pop Culture Menstruation in Film and Television by Lauren Rosewarne turns the spotlight on period portrayals in media examining the presence of menstruation in a broad range of contemporary pop culture Drawing on a vast collection of menstruation scenes from film and television this study examines and categorizes representations to unearth what they reveal about society and about our culture s continually fraught relationship with female biology Written from a feminist perspective menstrual representations are analyzed for what they reveal about sexual politics and society Rosewarne s thorough investigation covers a range of topics including menstrual taboos stigmas and fears as well as the inextricable link between periods and femininity sexuality ageing and identity Periods in Pop Culture highlights that the treatment of menstruation in the media remains an area of persistent gender inequality Litpop: Writing and Popular Music Rachel Carroll,Adam Hansen,2016-05-13 Bringing together exciting new interdisciplinary work from emerging and established scholars in the UK and beyond Litpop addresses the question how has writing past and present been influenced by popular music and vice versa Contributions explore how various forms of writing have had a crucial role to play in making popular music what it is and how popular music informs literary writing in diverse ways The collection features musicologists literary critics experts in cultural studies and creative writers organised in three themed sections Making Litpop explores how hybrids of writing and popular music have been created by musicians and authors Thinking Litpop considers what critical or intellectual frameworks help us to understand these hybrid cultural forms Finally Consuming Litpop examines how writers deal with music s influence how musicians engage with literary texts and how audiences of music and writing understand their own role in making Litpop happen Discussing a range of genres and periods of writing and popular music this unique collection identifies theorizes and problematises connections between different forms of expression making a vital contribution to popular musicology and literary and cultural studies **Beyond the Slave Narrative** Deborah Jenson,2012-01-01 The Haitian Revolution has generated responses from commentators in fields ranging from philosophy to historiography to twentieth century literary and artistic studies But what about the written work produced at the time by Haitians This book is the first to present an account of a specifically Haitian literary tradition in the Revolutionary era Beyond the Slave Narrative shows the emergence of two strands of textual innovation both evolving from the new revolutionary consciousness the remarkable political texts produced by Haitian revolutionary leaders Toussaint Louverture and Jean Jacques Dessalines and popular Creole poetry from anonymous courtesans in Saint Domingue s libertine culture These textual forms though they differ from each other both demonstrate the increasing cultural autonomy and literary voice of non white populations in the colony at the time of revolution Unschooled generals and courtesans long presented as voiceless are at last revealed to be legitimate speakers and authors These Haitian French and Creole texts have been neglected as a foundation of Afro diasporic literature by former slaves in the Atlantic world for two reasons because they do not fit the generic criteria of the slave narrative which is rooted in the autobiographical experience of enslavement and because they

are mediated texts relayed to the print cultural Atlantic domain not by the speakers themselves but by secretaries or refugee colonists. These texts challenge how we think about authorial voice, writing, print culture, and cultural autonomy in the context of the formerly enslaved and demand that we reassess our historical understanding of the Haitian Independence and its relationship to an international world of contemporary readers.
