Peak Poker Performance
Dr. Patricia Cardner, Jonathan Little, Mike Sexton once asked Chip Reese The guys you play against are tough What

separates you from them Chip replied You re right Mike They are tough In fact when they play their A game I m really no better than they are The difference is that they also have a C and D game whereas I don t They become weak players when they steam and just about all of them do My edge is that I don t steam Life s a Gamble D B 2016 If you ve ever wondered if the psychological aspect of poker is important that should provide the answer One of the greatest players of all times is attributing his success to the fact that he has better psychological control over his play than his opponents The good news is that actually there is nothing mysterious about Chip s ability To do the same you simply have to adhere to specific strategies and guidelines This book will tell you what they are and explain why they work These strategies implemented into your everyday routine will substantially increase your performance and improve your mental state Peak Poker Performance will show you how to Create an unbeatable mindset Pursue excellence during downswings Eliminate procrastination Improve your motivation Master your emotions Plus much much more Dr Patricia Cardner has worked with hundreds of poker players at mid stakes and high stakes levels both through private coaching and online training With the help of Jonathan Little Patricia moves on from her first book Positive Poker and uses the very latest research to take you to the next level so you too can achieve better results on the felt and in life *Exploitative Play in Live Poker* Alexander Fitzgerald, 2018-11-19 Many poker players can make good decisions at the table with a reasonable frequency Nevertheless there are numerous situations where even very experienced players behave in predictable ways These deeply ingrained habits lead them to make mistakes The problem is that these situations won t often arise at the table by chance you have to make them happen *Exploitative Play in Live Poker* is a ground breaking work that teaches you how to create the circumstances where your opponents will be likely to blunder and how to exploit them when they do To achieve this you will need to put to one side starting hand charts balance and GTO Game Theory Optimal play Instead you will incorporate new concepts that may well place you outside your comfort zone However your style will now be forcing the other players at the table outside of their comfort zone and unlike you they won t know how to adapt Learn how to Counter the auto continuation bettor Develop a powerful donk betting strategy Use the overbet the check raise and the three barrel effectively As well as being a highly successful player Alex Fitzgerald runs a poker consultancy that serves more than 1 000 professional poker players in 60 countries As part of this work he has very likely trawled through more hand history databases than anyone else This gives him a unique insight into how players really play especially when placed under pressure and forced into unfamiliar situations **Mastering Small Stakes Pot-Limit Omaha** Fernando "JNandez" Habegger, 2020-10-06 Welcome to the wonderful world of Pot Limit Omaha With four hole cards instead of two PLO is a far more nuanced game than No Limit Hold em and one that emphatically rewards greater skill This makes it a very profitable game for serious players especially when playing at the small stakes where recreational players consistently make expensive preflop and postflop mistakes Mastering Small Stakes Pot Limit Omaha is a thoroughly comprehensive guide that will give you all the tools you need to gain a huge edge at lower stakes play Fernando JNandez

Habegger is a successful high stakes professional player and leading PLO coach with his own training site at PLOMastermind.com He has trained hundreds of players to become successful at PLO In Mastering Small Stakes Pot Limit Omaha preflop play is broken down by identifying nine different hand categories and analysing how hands within each of them are handled preflop Postflop analysis is based around the powerful technique of the Four Pillars of Postflop Play The combination of these two creates a powerful gameplan that constitutes a fast track route to domination at the lower stakes Further topics include adjusting to live play PLO tournaments building the right improvement habits dealing with variance and managing your PLO bankroll How Good is Your Pot-Limit Omaha Stewart Reuben,2016-03-22 **Secrets of Professional Pot-Limit**
