safely use a handgun and rifle and for that I will always be grateful I look forward to the time I spend once or twice a week under his instruction Len has created a wide range of firearms training programs out of virtually nothing and trained a sizeable and competent cadre of firearms instructors who like me greatly respects the man He is engaged with his students and always approachable Students who have shot much longer than me comment on his great depth of knowledge and ability to improve their shooting He clearly loves to teach the material and his enthusiasm is contagious He has a great sense of humor and makes his classes a lot of fun But in spite of all of this the safety of his students is always his first concern Dr Noel Pillman MD I am a retired police officer and a former police firearms instructor for over 20 years I have been to numerous firearms training classes over the years but have not had any instructors more professional knowledgeable and dedicated to what they do then Len Breure Maurice Merabella Len was my first real tactical instructor a few years ago He is a thorough safe and well versed instructor His teaching style is unique in a way that clearly conveys lessons and makes them easy to understand for experienced shooters and novices alike Len brings a wealth of prior been there done that experience to the table that s an asset to his teaching and is rarely found in many of the new instructors that have come to the arena since most states have enacted concealed carry laws I continue to train with a variety of tactical instructors and am always amazed by how much of the information Len taught me is still the foundation upon which I build Mike VanMeeteren I have been fortunate enough to receive numerous training courses that were being taught by Len Breure In my opinion Len is one of the best in the business It is very rewarding to be able to learn from someone who has the experience and knowledge to take tactical training to the next level Jim Bryant I first meet Len while taking my Minnesota Concealed Carry Course in 2005 Since that time I have taken every course that Len teaches In my opinion Len is the consummate professional who teaches with passion and an incredible degree of knowledge I would strongly urge anyone interested in personal protection to take Lens courses Mike Pingel **American Guardian** ,1997 Defensive Handgun Training Drills Michael Seeklander,2012-11-01 Another excellent performance training product from www shooting performance com this book Defensive Handgun Training Drills contains the drills and ONLY the drills found in the training program in my other book Your Defensive Handgun Training Program These drills are designed to teach the shooter the critical skills necessary to survive a defensive handgun encounter It is meant to be used as a range guide for those that do not want to print the drills or by shooters that want to use the drills to design their own program The full training program is recommended for those wishing to really excel If you have this book and are interested in the full program please visit www shooting performance com to purchase it or other books and DVD s Thanks for your interest in Shooting Performance Patrol Response to Contemporary Problems John A.
