and as AEC authority Graham Edge writes For most of its productive life the Leyland Octopus was the definitive British eight wheeler lorry The many superb photographs in this book range from shots from the 1930s including what is probably the first Octopus chassis and a rare TEW tipper to 1979 and an Octopus 2 which started service that year with a compacting refuse body The text covers the full production story and there are Appendices which give chassis and engine details **Starks' Harvesters** Robert S.
