The Happiness Equation Nick Powdthavee, 2010-08-05 Why is marriage worth 200 000 a year Why will having children make you unhappy Why does happiness from winning the lottery take two years to arrive Why does time heal the pain of divorce or the death of a loved one but not unemployment Everybody wants to be happy But how much happiness precisely will each life choice bring Should I get married Am I really going to feel happy about the career that I picked How can we decide not only which choice is better for us but how much it s better for us The result of new unique research The Happiness Equation brings to a general readership for the first time the new science of happiness economics It describes how we can measure emotional reactions to different life experiences and present them in ways we can relate to How for instance monetary values can be put on things that can t be bought or sold in the market such as marriage friendship even death so that we can objectively rank them in order of preference It also explains why some things matter more to our happiness than others like why seeing friends is worth more than a Ferrari while others are worth almost nothing like sunny weather Nick Powdthavee whose work on happiness has been discussed on both the Undercover Economist and Freakanomics blogs brings cutting edge research on how we value our happiness to a general audience with a style that wears its learning lightly and is a joy to read

The Nature and Value of Happiness Christine Vitrano, 2018-05-04 The Nature and Value of Happiness provides a historic and contemporary overview of the philosophy of happiness with critical evaluations to help students analyze the material and trace the evolution of a deeply nuanced concept Addressing how the modern notion of happiness has changed from its ancient origins Christine Vitrano attempts to clarify the precise value of happiness This search leads Vitrano to examine topics such as the moral requirements of happiness and whether happiness can be considered the greatest good or simply one good among many The philosophical theories are presented in a way that is accessible to anyone interested in learning about happiness regardless of previous philosophical study All technical terms and concepts are clearly explained and illustrative examples tied into the text bring the material to life and help establish the relevance of the subject to readers The ultimate goal is to reach a definition of the nature of happiness that best reflects the way we use the word today This book is a welcome addition to the growing literature on happiness and is ideal for initiating provocative discussions in courses on happiness and ethics

What is the Meaning of Human Life? Raymond Angelo Belliotti, 2021-08-04 This book examines core concerns of human life What is the relationship between a meaningful life and theism Why are some human beings radically adrift without radical foundations and struggling with hopelessness Is the cosmos meaningless Is human life akin to the ancient Myth of Sisyphus What is the role of struggle and suffering in creating meaning How do we discover or create value Is happiness overrated as a goal of life How if at all can we learn to die meaningfully

Happiness and the Good Life Mike W. Martin, 2012-03-01 What is happiness How is it related to morality and virtue Does living with illusion promote or diminish happiness Is it better to pursue happiness with a partner than alone Philosopher Mike W Martin addresses these and other questions as he connects the meaning of happiness with the

philosophical notion of the good life
