Inner Light The Shaker Legacy

Stephen Bowe, Peter Richmond

Inner Light The Shaker Legacy:

Inner Light ,1987 *The Shaker Experience in America* Stephen J. Stein,1992-01-01 Draws on oral and written testimony to trace the history and evolution of the Shakers set within the broader context of American life The Shaker Village Raymond Bial,2021-12-14 The Shaker faith is estimated to have had a total of fewer than 20 000 members across its 250 year history yet more than 100 000 people visit the various Shaker villages and museums scattered across the eastern United States every year We are still fascinated with the world of the Shakers and authentic examples of Shaker architecture furniture and crafts are prized wherever they remain In *The Shaker Village* author and photographer Raymond Bial brings readers the history of the Shaker religion and an examination of the Shaker way of life which was based on cooperation and self sufficiency Each Shaker village was built with the goal of creating a heaven on earth for its inhabitants The Shaker people were among the first in America to apply science and new learning directly to traditional farming and homekeeping They invented or improved significantly upon designs of many farm and household items including some still used today the flat broom the slotted spoon the circular saw and the idea of selling gardening seeds in packets Although each Shaker community was self supporting the Shakers success at applying their core values simplicity utility and tranquility carried Shaker villages to a point of abundance they were able to export their beautiful furniture delicious foods and superior wares to the outside world where they have been appreciated ever since *The Shaker Village* is generously illustrated with Bial s evocative photographs of buildings and artifacts from the Shaker Village of Pleasant Hill Kentucky one of the largest and best preserved Shaker sites The Shaker movement reached its peak in the mid nineteenth century Membership began to drop with the onset of the Civil War and as the new promise of industrialization began to take hold in America Shaker numbers steadily dwindled Although the Shaker religion has all but departed *The Shaker Village* captures a revelatory glimpse of a legacy that still resounds with modern Americans **Directing the Dance Legacy of Doris Humphrey** Lesley

Main,2012-06-04 *Directing the Dance Legacy of Doris Humphrey* looks inside four of Doris Humphrey s major choreographic works *Water Study* 1928 *The Shakers* 1931 *With My Red Fires* 1936 and *Passacaglia* 1938 with an eye to how directorial strategies applied in recent contemporized stagings in the United States and Europe could work across the modern and contemporary dance genre Author Lesley Main a seasoned practitioner of Doris Humphrey choreography stresses to the reader the need to balance respect for classical works from the modern dance repertory with the necessity for fresh directorial strategies to balance between traditional practices and a creative role for the reconstructor Drawing upon her own dance experience Main s book addresses an area of dance research and practice that is becoming increasingly pertinent as the dancer choreographers of the 20th century modern and contemporary dance are no longer alive to attend to the re stagings of the body of their works Insightful and thought provoking *Directing the Dance Legacy of Doris Humphrey* calls for the creation of new forms of directorial practice in dance beyond reconstruction The radical new practices it proposes to

replace the old are sure to spark debate and fresh thinking across the dance field **Simple Gifts** June Sprigg, 1999-06-07

In *Simple Gifts* June Sprigg tells the story of one of America's last Shaker communities Canterbury Shaker Village in Canterbury New Hampshire during its twilight years and of its seven remarkable survivor women who were among the last representatives of our longest lived and best known communal utopian society As a college student Sprigg spent a summer among them and here she gracefully interweaves the narrative of their lives with the broader history of Shakers in America as she shows us how her experiences there affected her own life and opened the door to her creativity Gleaning information from old records and journals that she pored over that summer and later Sprigg brings to life the generations of Canterbury Shakers from the eighteenth century to the present their customs their architecture their spirituality She also explores the social and cultural forces and the internal imperatives and tensions that caused membership to decrease all of which by 1972 brought the community to crisis Chronicling the daily life of the village as she found it Sprigg uncovers the affirming energies of the Shakers the prominence of mutual love and respect the devoted tradition of mothering surrogate children and above all the surviving women's spirited eccentricities She reveals the Shakers as individuals their personal histories their wildly different beginnings what they gave up to join the Shaker community and more important what they gained Through her lively text and drawings and her intimate connection with the community Sprigg brings us close to its people with a book that both enlightens and inspires *Selling Shaker* Stephen Bowe, Peter Richmond, 2007-01-01

The simple yet striking lines of Shaker design grace much of the furniture we see in high end department stores and beautiful examples of it adorn the pages of *Architectural Digest* and *House Beautiful* How did this style evolve from its origins in a humble small religious community to the international design phenomenon it is today This illustrated study explores the emergence of the Shaker style and how it was vigorously promoted by scholars and artists into the prominence it now enjoys The heart of the Shaker style lies in the religious movement founded in the eighteenth century where Stephen Bowe and Peter Richmond begin their chronicle From there the authors chart the evolution of the style into the twentieth century particularly in the hands of design media scholars and art institutions These Shaker agents repositioned Shaker style continuously from local vernacular to high culture and then popular culture Drawing on a rich array of sources including museum catalogs contemporary design magazines and scholarly writings *Selling Shaker* illustrates in detail how the Shaker style entered the general design consciousness and how the original aesthetic was gradually diluted into a generic style for a mass audience A wholly original and fascinating study of American design and consumption *Selling Shaker* is a unique resource for collectors scholars and anyone interested in the cultural history of a design aesthetic **The Inner Light** , 1938 *Shaker Design* June Sprigg, Whitney Museum of American Art, Corcoran Gallery of Art, 1986

Having lived and worked with surviving Shakers of Maine and New Hampshire June Sprigg has drawn objects from forty collections to celebrate the Shaker tradition

Stillness & Light Henry Plummer, 2009 Shaker buildings have long been admired for their simplicity of design and sturdy

craftsmanship with form always following function Over the years their distinctive physical characteristics have invited as much study as imitation Their clean unadorned lines have been said to reflect core Shaker beliefs such as honesty integrity purity and perfection In this book Henry Plummer focuses on the use of natural light in Shaker architecture noting that Shaker builders manipulated light not only for practical reasons of illumination but also to sculpt a deliberately spiritual visual presence within their space Stillness and Light celebrates this subtly beautiful aspect of Shaker innovation and construction captured in more than 100 stunning photographs **Popular Photography** ,1985-07 The A to Z of the Shakers Stephen J. Paterwic,2009-09-28 The United Society of Believers in Christ s Second Appearing commonly known as the Shakers followed Mother Ann Lee to the United States in 1774 when life in England became difficult In the United States they established several colonies whose governing principals included celibacy and agrarian communal living Even at its peak however Shakerism claimed only about 4 500 members Today except for one active community in Sabbathday Maine the great Shaker villages are diminished but the Shakers left an enduring impact on the religion and culture of the United States The A to Z of the Shakers relates the history of this fascinating group through a chronology an introductory essay a bibliography and over 200 cross referenced dictionary entries on Shaker communities industries individual families and important people Every definition biography and point of history was submitted to the Shakers at Sabbathday Lake for their review before it was included for publication As such the voice of the contemporary Shakers is found in the dictionary and they have given it their unequivocal endorsement **Cincinnati Magazine** ,1986-11 Cincinnati Magazine taps into the DNA of the city exploring shopping dining living and culture and giving readers a ringside seat on the issues shaping the region

Kentucky by Design Andrew Kelly,2015-07-31 The Index of American Design was one of the most significant undertakings of the Federal Art Project the visual arts arm of the Works Progress Administration Part of President Franklin D Roosevelt s New Deal this ambitious initiative set out to discover and document an authentic American style in everyday objects The curators of the Index combed the country for art of the machine age from carved carousel horses to engraved powder horns to woven coverlets created by artisans for practical use In their search for a true American artistic identity they also sought furniture designed by regional craftsmen laboring in isolation from European traditions Kentucky by Design offers the first comprehensive examination of the objects from the Bluegrass State featured in this historic venture It showcases a wide array of offerings including architecture furniture ceramics musical instruments textiles clothing and glass and metalworks The Federal Art Project played an important role in documenting and preserving the work of Shaker artists from the Pleasant Hill and South Union communities and their creations are exhibited in this illuminating catalog Beautifully illustrated with both the original watercolor depictions and contemporary art quality photographs of the works this book is a lavish exploration of the Commonwealth s distinctive contribution to American culture and modern design Features contributions from Jean M Burks Erika Doss Jerrold Hirsch Lauren Churilla Larrie Currie Michelle Ganz Tommy Hines Lee Kogan Ron Pen

Janet Rae Shelly Zegart Mel Hankla Philippe Chavance Kate Hesseldenz Madeleine Burnside and Allan Weiss

Photography and the USA Mick Gidley, 2010-11-15 From Ansel Adams to Carleton Watkins Diane Arbus to Weegee Richard Avedon to James VanDerZee American photographers have recorded their vast multicultural nation in images that for more than a hundred years have come to define the USA In *Photography and the USA* Mick Gidley explores not only the medium of photography and the efforts to capture key events and moments through photographs but also the many ways in which the medium has played a formative role in American culture *Photography and the USA* encompasses the major movements figures and works that are crucial to understanding American photography but also pays attention to more obscure aspects of photography's history Focusing on works that reveal many different facets of America its landscapes and its people Gidley explores the ambiguities of American history and culture We encounter images that range from an anti lynching demo in 1934 to Dorothea Lange's poster *All races serve the crops* in California an early photographic view of Niagara Falls against the painstaking detail of Edward Weston's *Pepper No 30* a fireman's fight in the San Francisco earthquake of 1906 to the Ground Zero images of 2001 by Joel Meyerowitz an 1890s *Wanted* image to Elliot Erwitt's shot of the Nixon Krushchev Kitchen Debate Organizing his narrative around the themes of history technology the document and the emblem Mick Gidley not only presents a history of photography but also reveals the complexities inherent in reading photographs themselves A concise yet comprehensive overview of photography in the United States this book is an excellent introduction to the subject for American Studies or visual arts students or for anyone interested in US history or culture

The Story of the Shakers Flo Morse, 2016-01-18 Featuring a new introduction a compassionate look at a religious movement that shaped America Put your hands to work and your hearts to God Mother Ann Lee told her spiritual children more than 200 years ago Today as the number of Shakers has dwindled to only a handful the story of the Shakers has never been more important to record and understand In this classic book featuring a brand new introduction Flo Morse offers a stimulating graceful summary of Shaker beliefs and the way of life that still endures among a chosen few

Historical Dictionary of the Shakers Stephen J. Paterwic, 2017-06-15 Shakerism teaches God's immanence through the common life shared in Christ's mystical body Like many religious seekers throughout the ages they honor the revelation of God but cannot be bound up in an unchanging set of dogmas or creeds Freeing themselves from domination by the state religion Mother Ann Lee and her first followers in mid 18th century England labored to encounter the godhead directly They were blessed by spiritual gifts that showed them a way to live the heavenly life on Earth The result of their efforts was the fashioning of a celibate communal life called the Christlife wherein a person after confessing all sin through the indwelling of the Holy Spirit can travel the path of regeneration into ever increasing holiness Pacifism equality of the sexes and withdrawal from the world are some of the ways the faith was put into practice This second edition of *Historical Dictionary of the Shakers* contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 300 cross

referenced entries on Shaker communities industries individual families and important people This book is an excellent resource for students researchers and anyone wanting to know more about the Shakers *Clay Lancaster's Kentucky* James D. Birchfield, 2021-10-21 Clay Lancaster was infected by a love of architecture at an early age a gentle madness from which he never cared to recover From the Foreword by Roger W Moss It is easy to take for granted the visual environment that we inhabit Familiarity with routes of travel and places of work or leisure leads to indifference and we fail to notice incremental changes When a dilapidated building is eliminated by new development it is forgotten as soon as its replacement becomes a part of our daily landscape When an addition is grafted onto the shell of a house fallen out of fashion or function onlookers might notice at first but the memory of its original form is eventually lost Also forgotten is the use a building once served From historic homes to livestock barns each structure holds a place in the community and can tell us as much about its citizens as their portraits and memoirs Such is the vital yet intangible role that architecture plays in our collective memory Clay Lancaster 1917 2000 began during the Great Depression to document and to encourage the preservation of America's architectural patrimony He was a pioneer of American historic preservation before the movement had a name Although he established himself as an expert on Brooklyn brownstones and California bungalows the nationally known architectural historian also spent four decades photographing architecture in his native Kentucky Lancaster did not consider himself a photographer His equipment consisted of nothing more complex than a handheld camera and his images were only meant for his own personal use in documenting memorable and endangered structures He had the eye of an artist however and recognized the importance of vernacular architecture The more than 150 duotone photographs in *Clay Lancaster's Kentucky* preserve the beauty of commonplace buildings as well as historic mansions and monuments With insightful commentary by James D Birchfield about the photographs and about Lancaster's work in Kentucky the book documents the many buildings and architectural treasures both existing and long gone whose images and stories remain a valuable part of the state's heritage *Yangtze Remembered* Linda Butler, 2004 A stunning compendium of photographs and travel commentary from eight trips to China's Yangtze River captures the people environment and landscape of the Yangtze before during and after the Three Gorges Dam opened in June 2003 *Hudson Valley Curiosities* Allison Guertin Marchese, 2017-08-21 Hudson Valley is steeped in mysteries from Celtic chambers resting in the deep woods of Putnam to Millbrook's abandoned Bennett College The beautiful tree spotted landscape of the Hudson Valley hides the strange and sometimes frightening stories of the region In the Highlands Iroquois chief Daniel Nimham gave his life for the cause of American independence The great passenger steamship *Swallow* sank near the shores of Athens And there is even one strange night in the Catskills where a legendary playwright miraculously survived a midnight plunge off the suspended Schoharie Bridge Author Allison Guertin Marchese reveals a treasure trove of curious tales recounting the most uncommon history of bad guys bold girls creepy colleges missing mastodons and more in this wondrous region of New York *Cincinnati Magazine*, 1986-10 Cincinnati

Magazine taps into the DNA of the city exploring shopping dining living and culture and giving readers a ringside seat on the issues shaping the region

Recognizing the mannerism ways to get this books **Inner Light The Shaker Legacy** is additionally useful. You have remained in right site to start getting this info. acquire the Inner Light The Shaker Legacy associate that we allow here and check out the link.

You could buy lead Inner Light The Shaker Legacy or acquire it as soon as feasible. You could quickly download this Inner Light The Shaker Legacy after getting deal. So, in imitation of you require the book swiftly, you can straight get it. Its therefore agreed simple and for that reason fats, isnt it? You have to favor to in this space
