Love A Guide For Prayer Take And Receive:

Love Jacqueline Bergan, Marie Schwan, 2011-12-01 Grow closer to God through six weeks of prayer focused on a specific spiritual topic Since their original release in the late 1980s the Take and Receive prayer book series has sold more than 150 000 copies and its five themed books are hailed as classics in the Ignatian prayer tradition The first two books in the series are being repackaged and reprinted by Loyola Press Love A Guide for Prayer and Forgiveness A Guide for Prayer provide topic based opportunities for people to grow deeper in their relationship with God through prayer The theme of each volume directly correlates with a segment of the Spiritual Exercises though no previous experience with the Exercises is needed to benefit from these books Covering 36 days over a six week period each day offers scriptural passages with commentary followed by a suggested approach to prayer for that day Especially helpful is a section at the beginning of the book that explains the different types of solitary prayer that readers will be asked to engage in throughout the six weeks such as meditation contemplation and centering prayer Ideal for all who desire a closer relationship with God these books help us reimagine what it means to pray and help us see with new eyes God s presence and activity in our daily lives *Love* Jacqueline Syrup Bergan, S. Marie Schwan, 1985 Based on model of Christian conversion found in the Spiritual Exercises of Saint Ignatius these books are intended for all who hunger to know God s presence activity and love more intimately in their lives Subject Guide to Books in Print , 1991 *How Then Shall We Guide?* Jimmy Boon-Chai Tan, 2023-05-25 There has been a marked increase of interest in the art of spiritual direction in recent decades Yet in many circles especially in ecumenical and interfaith contexts it is unclear what grounds the practice of this ancient art As a tradition s practice of spiritual direction expresses its particular theology which in turn is shaped by its unique history this work explains that ecumenical spiritual direction must make and retain the tri perspective of history theology and method that faithfully reflects each tradition s distinctives as requisite for true ecumenical enrichment The importance of this trinocular vision is brought into sharp focus through a comparative study of Ignatius of Loyola and John Calvin where points of continuity and discontinuity between the Ignatian and Reformed traditions underscore the importance of this work s thesis A Guidebook to Prayer MaryKate Morse, 2013-10-04 Why is it so hard to master consistent and meaningful prayer MaryKate Morse explores 24 pathways of prayer meant to give readers a vast array of ways to focus and reflect Whether you are a beginner or a lifetime person of faith you will find a treasure trove of riches here to guide you into a deeper experience of prayer
