Finding Love Through Graphology Manhardeep Singh, 2019-01-29 Graphology commonly known as handwriting analysis is the science of analyzing a person's character and personality through handwriting Finding Love Through Graphology aims at providing knowledge to the reader even to a person who has heard this term for the first time to find the perfect love for himself or herself The book will help you in Understanding your personality Quickly finding the hell traits in partner's handwriting Knowing what makes relationship work Filtering out unsuitable partners Improving one's personality through grapho therapy Finding Love Through Graphology is no lover's guide but a guide to finding the perfect love EXERPT In my personal experience I have seen many people cry when I analyze their handwriting I have seen various emotions of the people excitement astonishment surprise wonder and amazement You too can easily come to know about a person's personality just from their handwriting and this book will help you achieve that I had a childhood friend whom I knew for more than 10 years I always thought I knew everything about her her personality and behaviour But one day just out of curiosity I asked her to mail me a sample of her handwriting She did as I instructed I saw her handwriting and told only one thing Well you never share any of your emotions and feelings with anyone Hearing this she burst into tears Handwriting analysis is not a hit and miss system it is a proven method I have been proved wrong many times while performing against my own analysis thinking that this person might not be wrong my analysis may be wrong etc but the analysis always proved to be right and my presumption wrong
