

LOVE SPELL

to bring back lover

1

Write your own name and the name of your ex on a pink paper.

2

Cut a lemon in half.

3

Fold the paper and make sure that the names are touching.

4

Put the paper between the two lemon pieces - like a sandwich.

5

Wrap the red ribbon around the lemon to keep "the sandwich" together.

6

While doing all of the above, think about you and your ex back being reunited and how happy you'll feel.

7

Lastly, put the little "sandwich" in the back of the freezer and wait for a month.

Love Spells that Work! Dayanara Blue Star,2015-03-29 There are as many love spells as there are people who wish to cast them The most powerful spells are those that influence the chakras spiritual pathways of another or create love bonds between two souls These spells can be challenging and even dangerous however so it is often better to rely on magic that embraces the natural world and only subtly creates the opportunity for others to recognize one s inner beauty There are also spells that rely on a magical focus like stones candles or mirrors in order to draw the inherent magical forces into a shape moldable by the spell caster This manner of spell has been in use for ages and even in an increasingly cynical society which has largely turned its back on the spirit world persist today because of their proven effectiveness There are spells crafted to find the love of others and to open our souls to the love of self without the confidence in oneself and the love of oneself how can one hope to harness the
