Child of the Sea Doina Cornell, 2012-09-27 A Child of the Sea is the true story of Jimmy Cornell's daughter sailing around the world on the family's small yacht from the age of 7 to 14 based on Doina's diaries letters and memories From 1975 to 1981 the Cornell family visited 54 countries sailed more than 68 000 miles and travelled about the same distance overland The story is told from Doina's point of view although the main part of the book focuses on the family's three year stay in the Pacific when she is aged between 10 and 13 Child of the Sea is unusual in that it gives a glimpse into a life that most young children couldn't

imagine swimming diving and playing the days away in deserted anchorages visiting some of the most beautiful islands in the world falling in love with the sea in all its ever changing moods from balmy trade wind ocean passages to the treacherous breakers that crash onto tropical reefs and taking a full part in sailing and handling the yacht on passage The book also tells the story of a girl s coming of age in the South Pacific understanding different cultures and values and experiencing at first hand how people judge each other depending on the colour of their skin from the time on Easter Island when tourists mistake Doina for a Polynesian girl to her and her brother s hostile prejudiced reception back in an English school at the end of their journey What do children need to grow up happy and healthy Security with their family an element of risk freedom to explore the world openness to other peoples and cultures closeness with nature and the elements and an appreciation of the environment and our finite resources The sailing life offers all this and more and this book captures it all *Billboard* ,1954-09-11 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends Brotherhood of Locomotive Firemen and Enginemen's Magazine ,1880 Chatter from Around the White Tops ,1953 The Colonel Alanna Nash,2010-07-13 The legendary relationship at the heart of a major motion picture In The Colonel Alanna Nash the author of Golden Girl The Story of Jessica Savitch explores in depth the amazing story of Colonel Tom Parker the man behind the legend and the myth of Elvis Presley The result is a book that reads like the most riveting of real life detective stories one that will completely change your view of Presley s life success and death While scores of books have been written about Elvis Presley this is the first meticulously researched biography of Tom Parker written by someone who knew him personally And for anyone truly interested in the performer many consider the greatest and most influential of the twentieth century it is impossible to understand how Elvis came to be such a phenomenon without examining the life and mind of Parker the man who virtually controlled Elvis s every move Alanna Nash has been covering the story of Elvis Presley and Colonel Tom Parker since the day of Presley s funeral in Memphis Tennessee She was the first journalist allowed to view Presley s body a compelling and surprising sight But the profile of Parker attending the funeral in a Hawaiian shirt and a baseball cap was even stranger and led her to investigate the man behind the myth It has been known for years that Thomas Andrew Parker was in fact born in Holland as Andreas Cornelis van Kuijk But Nash has dug much deeper and in a masterpiece of reporting unearthed never before seen documents including Parker s army records and psychiatric evaluations and the original police report of an unsolved murder case in Holland that lies at the heart of the Parker mystery In the process of weighing the evidence she answers the biggest riddle in the history of the music industry as it becomes clear that every move Parker made in the handling of Elvis Presley from why he never allowed Elvis to perform in Europe to why he didn t halt Elvis s drug use to why he put him in so many mediocre movies and even the Colonel s direction of Presley s army career was designed to

protect Parker's own secrets Filled with startling new material her book challenges even the most familiar precepts of the Presley saga everything we presumed about Parker's handling of the world's most famous entertainer must now be reevaluated in the light of information Nash reveals about Parker who cared little for Presley beyond what the singer could do to bolster the Colonel's precarious position as an illegal alien Elvis Presley as one of Parker's unwitting victims paid a major price for the Colonel's past and his overwhelming need to be more important than his client As a result Presley was never allowed to reach his potential and died in drug induced frustration over his stunted and mismanaged career In this astonishing impeccably written and vastly entertaining book Nash proves that the only figure in American popular culture as fascinating as Elvis Presley is Colonel Tom Parker the man who shaped Elvis who in turn helped shape us For the Love of Horses Kelly Wilson,2014-10-03 Three sisters and an unforgettable journey to tame New Zealand's Kaimanawa horses For the Love of Horses is a heartfelt story about a life familiar to many young Kiwis who love horses the trials and tears of Pony Club the joy of riding bareback and the pressures of adolescence and competitive showjumping It is also the story of an unlikely childhood dream coming true Every year in the wilderness of the Central Plateau wild Kaimanawa horses are rounded up and sent to the slaughterhouse It's upsetting but what else can be done The Wilson sisters decide something could be done They saw future champions behind the fiery eyes and beneath the shaggy coats In this touching book Kelly Wilson tells the true story of how they embarked on a courageous journey to train horses that most people believed were untrainable *English for Everyone: Level 3: Intermediate, Practice Book* DK,2016-06-28 PLEASE NOTE this is a replica of the print book and you will need paper and a pencil to complete the exercises Are you learning English as a second language *English for Everyone Level 3 Intermediate Practice Book* makes learning English easier More than 700 exercises use graphics and visuals to develop English skills in speaking and pronunciation reading writing vocabulary and grammar Exercises may include finding the errors in sample text messages reading comprehension questions fill in the blanks word order games and listening questions *English for Everyone Level 3 Intermediate Practice Book* covers the skills and topics needed for the major global English language exams including TOEFL and uses the same testing methods so you can practice your skills and measure your success Use this practice book with *English for Everyone Level 3 Intermediate Course Book* so you can work with the books together And download the free app and practice online with free listening exercises at www.dkefe.com Series Overview *English for Everyone* series teaches all levels of English from beginner to advanced to speakers of English as a second language Innovative visual learning methods introduce key language skills grammar and vocabulary which are reinforced with a variety of speaking reading and writing exercises to make the English language easier to understand and learn Visit www.dkefe.com to find out more *Jane Carver of Waar* Nathan Long,2014-09-23 Jane Carver is nobody's idea of a space princess A hard ridin hard lovin biker chick and ex Airborne Ranger Jane is as surprised as anyone else when on the run from the law she ducks into the wrong cave at the wrong time and wakes up butt naked on an exotic

Modern-day pirates on a quest to save an African treasure. Ivory Alex Tremain is a pirate in trouble. The two women in his life, one of them his financial adviser, the other his diesel mechanic, have left him. He's facing a mounting tide of debts, and his crew of modern-day buccaneers, a multi-national band of ex-military cutthroats, are getting restless. They don't all share his dream of going legit, but what Alex really wants is to re-open the five-star resort hotel which once belonged to his Portuguese mother and English father on the Island of Dreams off the coast of Mozambique. A chance raid on a wildlife smugglers' ship sets the Chinese triads after him, and to add to his woes, corporate lawyer Jane Humphries lands literally in his lap. Another woman's the last thing Captain Tremain needs right now, especially one whose lover is a ruthless shipping magnate backed up by a deadly bunch of contract killers. What Alex really needs is one last big heist, something valuable enough to fulfil his dreams and set him and his men up for life. When the South African government makes a controversial decision to reinstitute the culling of elephants in its national parks, Alex finds the answer to his prayers, but at what cost?
