Dodd, Bruce I. Oppenheimer, Ruth Bloch Rubin, C. Lawrence Evans, 2024-12-31 Since its first edition Congress Reconsidered was designed to make available the best contemporary work from leading congressional scholars in a form that is both challenging and accessible to undergraduates With their Thirteenth Edition Lawrence C Dodd Bruce I Oppenheimer and C Lawrence Evans and now Ruth Bloch Rubin from the University of Chicago continue this tradition as their contributors focus on how various aspects of Congress have changed over time With a strong focus to the historical development of political institutions in their role in preserving democratic government this bestselling volume remains on the cutting edge with key insights into the workings of Congress Congressional Record United States. Congress, 1981 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 Hacked Kevin F. Steinmetz, 2016-11-29 Inside the life of a hacker and cybercrime culture

Public discourse from pop culture to political rhetoric portrays hackers as deceptive digital villains But what do we actually know about them In *Hacked* Kevin F Steinmetz explores what it means to be a hacker and the nuances of hacker culture Through extensive interviews with hackers observations of hacker communities and analyses of hacker cultural products Steinmetz demystifies the figure of the hacker and situates the practice of hacking within the larger political and economic structures of capitalism crime and control This captivating book challenges many of the common narratives of hackers suggesting that not all forms of hacking are criminal and contrary to popular opinion the broader hacker community actually plays a vital role in our information economy *Hacked* thus explores how governments corporations and other institutions attempt to manage hacker culture through the creation of ideologies and laws that protect powerful economic interests Not content to simply critique the situation Steinmetz ends his work by providing actionable policy recommendations that aim to redirect the focus from the individual to corporations governments and broader social issues A compelling study *Hacked* helps us understand not just the figure of the hacker but also digital crime and social control in our high tech society

Road to October 7 Erik Skare, 2025-05-06 How Islamism became a leading force in the Palestinian resistance In *Road to October 7* Erik Skare argues that Palestinian Islamism is far more complex and dynamic than generally assumed The phenomenon has continuously developed through disputes between moderates and hardliners These struggles have largely been settled by external drivers intra Palestinian competition Israeli violence and repression or shifts in the regional power balance *The Great Conspiracy* Hardy Sampson , 2024-09-04 In a world where power and politics intertwine an American presidential candidate emerges as a beacon of hope promising change and progress But behind the scenes a deadly conspiracy brews spanning continents and involving some of the most powerful nations on Earth As the candidate s popularity surges a coalition of enemies grows increasingly desperate to prevent his rise to power A covert assassination plot is set into motion one that threatens to destabilize global politics and ignite a catastrophic war The story follows a diverse cast of characters seasoned CIA operatives elite military forces double agents and high ranking officials each with their own agendas and secrets As the clock ticks down alliances are tested loyalties are questioned and the line between friend and foe blurs The novel unfolds across multiple countries with pulse pounding action scenes intricate political maneuvering and unexpected twists that keep the reader guessing until the final pages *Governing Fables* Sanford Borins, 2011-08-01 *Governing Fables* Learning from Public Sector Narratives advocates the importance of narrative for public servants exemplifies it with a rigorously selected and analyzed set of narratives and imparts narrative skills politicians and public servants need in their careers *Governing Fables* turns to narratology the inter disciplinary study of narrative for a conceptual framework that is applied to a set of narratives engaging life within public organizations focusing on works produced during the last twenty five years in the US and UK The genres discussed include British government narratives inspired by and reacting to Yes Minister British appeasement narratives American political narratives the Cuban Missile Crisis narrative jury
