Inheritance Cycle Book 5:

Literarily Kristie Anyabwile, 2022-03-01 Don't just read the Bible literally read it Literarily A lot of times we treat Scripture like it's all the same from Genesis to Revelation After all it only has one Author Isn't it just one big book identical from beginning to end While it's true that the Bible is unified it is also diverse The Bible can be grouped according to key categories called genres that help us to read and properly interpret the Scriptures An understanding of these genres and the literary themes and devices used within them makes all the difference when encountering God's Word Long time Bible teacher Kristie Anyabwile discovered as she prepared her lessons that a single inductive approach doesn't do justice to the variety of genres that make up the Word of God Because Scripture is a collection of writings that spans 1 500 years many literary styles are represented and each must be taken into account for the fullest understanding of God's Word Kristie shows you the immense value of studying the Bible literarily that is according to the literary style presented in a particular book chapter or passage In Literarily Kristie will take you through these eight distinct genres Law History Prophecy Poetry Gospels Epistles Wisdom Apocalyptic The Bible is an epic story that God has revealed to us through diverse genres and literary features Its message and method are both meant to transform our hearts Our goal as interpreters isn't to meld the Scriptures into a bland conglomerate but to recognize the multiple forms in which God's Word comes to us In so doing we'll encounter the ongoing story of Jesus's redemption and learn how He calls His people to live in our complex world today

Here are two bestselling novels all in one convenient file. In RISE OF THE VALIANT, Kyra is sent on an urgent quest to cross Escalon and seek out her uncle in the mysterious Tower of Ur. The time has come for her to learn about who she is, who her mother is, and to train and develop her special powers. Her father, Duncan, must lead his men south to the great water city of Esephus to attempt to free his fellow countrymen from the iron grip of Pandesia. Alec escapes with Marco from The Flames to find himself on the run through the Wood of Thorns, chased by exotic beasts. Merk, despite his better judgment, turns back to help the girl and finds himself for the first time in his life entangled in a stranger's affairs. Vesuvius spurs his giant as he leads the Trolls on their mission underground, attempting to bypass The Flames while the dragon Theos has his own special mission on Escalon. In THE WEIGHT OF HONOR, Kyra finally meets her cryptic uncle and is shocked to discover he is not the man she expected. She embarks on a period of training which will test her stamina and her frustration as she soon encounters the limits of her power. Duncan must descend the peaks of Kos with his new army and vastly outnumbered, launch a risky invasion on the capital. If he wins, waiting behind its ancient walls, he knows will be the old king and his nest of nobles and aristocrats, all with their own agendas, all of them as quick to betray as they are to embrace. Alec in Ur must tap his unique skills in the forge to aid the resistance if they have any chance of defending against the looming Pandesian invasion. Merk finally enters the tower of Ur and is stunned by what he discovers. Vesuvius leads his Troll nation across a vulnerable Escalon, devastating the land while Theos, enraged at what becomes of his son, is on a rampage himself and will not stop until all of Escalon is aflame. With its strong atmosphere and complex characters, KINGS AND SORCERERS is a sweeping saga of knights and warriors of kings and lords of honor and valor of magic, destiny, monsters, and dragons. It is fantasy at its finest, inviting us into a world that will live with us forever, one that appeals to all ages and genders.
